Enigmatic Disappearance:

The Enigmatic Disappearance of Agatha Christie Johana Connor, Agatha Christie vanished from her Sunningdale Berkshire home on the evening of December 3 and went missing for 11 days The largest missing person manhunt in British history began when the crime writer's abandoned car was found It's astonishing that such a well chronicled event of Christie's life has remained resistant to the narrative closure that was so vital to her own work considering her status as the bestselling author of all time outselling only the Bible and Shakespeare in terms of sales Whether Agatha Christie's disappearance was caused by the psychological repercussions of the sadness she was experiencing or if there were additional factors may never be known But there's no denying that her marriage to Archie Christie disintegrating was a painful event After ultimately divorcing in 1928 Archie married Nancy Neele his mistress Later Agatha married Max Mallowan an archaeologist in 1930 On January 12 1976 at the age of 85 Agatha Christie passed away at her Wallington Oxfordshire home from age related natural causes
