The England of Eric Ravilious Freda Constable, Sue Simon, 1982 *The England of Eric Ravilious* Freda Constable, Sue Simon, Eric William Ravilious, 1983 **Unravelling Sussex** Tony Ward, 2016-11-03 If you enjoy puzzle solving you will enjoy the novel approach of Unravelling Sussex Based on Tony Ward's Poetry series in Sussex Life each famous Sussex person or place is introduced by a puzzle poem The challenge is to unravel the embedded clues solved by the chapter that follows This innovative little book brings new life to the aims to inform educate and entertain **Railways and Culture in Britain** Ian Carter, 2001 The 19th century steam railway epitomized modernity's relentlessly onrushing advance Ian Carter delves into the cultural impact of the train Why for example did Britain possess no great railway novel He compares fiction and images by canonical British figures Turner Dickens Arnold Bennett with selected French and Russian competitors Tolstoy Zola Monet Manet He argues that while high cultural work on the British steam railway is thin British popular culture did not ignore it Detailed discussions of comic fiction crime fiction and cartoons reveal a popular fascination with railways tumbling from vast and hitherto unexplored stores of critically overlooked genres *Benezit Dictionary of British Graphic Artists and Illustrators* Stephen Bury, 2012-06-21 This dictionary consists of over 3000 entries on a range of British artists from medieval manuscript illuminators to contemporary cartoonists Its core is comprised of the entries focusing on British graphic artists and illustrators from the 2006 Benezit Dictionary of Artists with an additional 90 revised and 60 new articles England and Other Stories Graham Swift, 2015-05-19 From the Booker Prize winning author of Last Orders and Wish You Were Here his first new book of short fiction in nearly thirty years beautifully crafted piercingly observant stories that unite into a richly peopled vision of a country that is both a crucible of history and a maze of contemporary confusions Meet Dr Shah who has never been to India and Mrs Kaminski on her way to Poland meet Holly and Polly who have come to their own Anglo Irish understanding and Charlie and Don who have seen the docks turn into Docklands Daisy Baker who is terrified of Yorkshire and Johnny Dewhurst stranded on Exmoor Graham Swift steers us effortlessly from the seventeenth century to the present day from world shaking events to the secret dramas lived out in rooms workplaces homes With these open eyed eloquent and often comic stories Swift charts a human geography that moves us profoundly **Imagining England's Past** Susan Owens, 2023-04-26 England has long built its sense of self on visions of its past What does it mean for medieval writers to summon King Arthur from the post Roman fog for William Morris to resurrect the skills of the medieval workshop and Julia Margaret Cameron to portray the Arthurian court with her Victorian camera or for Yinka Shonibare in the final years of the twentieth century to visualize a Black Victorian dandy By exploring the imaginations of successive generations this book reveals how diverse notions of the past have inspired literature art music architecture and fashion It shines a light on subjects from myths to mock Tudor houses Stonehenge to steampunk and asks how and why the past continues so powerfully to shape the present Not a history of England but a history of those who have written painted and dreamed it into being

Imagining England's Past offers a lively erudite account of the making and manipulation of the days of old The English Eliot Steve Ellis, 2015-12-22 This book first published in 1991 supplies a neglected cultural context for T S Eliot's writings of the 1930s and 1940s particularly Four Quartets and attempts to disprove the widespread belief in Eliot's unproblematic commitment to England and the Englishness The book traces Eliot's classicism not only in linguistic and formalist terms but also in his construction of England in the Quartets and Quartets related essays His practice is related to the vigorous polemic concerning the definition of England found in the 1930s and 1940s in material as diverse as landscape painting advertising travel literature and the detective novel This original and provocative text will not only be of interest to students and teachers of Eliot but to those interested in representations of nationality **England's 100 Best Views** Simon Jenkins, 2013-10-03 England's views are remarkable for their beauty and variety With his usual insight and authority bestselling author Simon Jenkins picks 100 of the very best from the white cliffs of Dover to Hadrian's Wall and explains the fascinating stories behind each Jenkins entertaining and erudite entries provide the rich historical geographical botanical and architectural background to breathtaking sights all beautifully illustrated both iconic and undiscovered From Gold Hill the Dorset village street so famously picturesque it was used in a Hovis advert to the view of the City of London famously depicted by Canaletto and the wilds of the Yorkshire moors This book will inspire you to discover the treasures of England's sea city and landscapes for yourself Filled with roman roads cliff tops follies mountains ancient castles rolling forests and heart stopping moments you'll soon wonder how you chose walks mini breaks or spontaneous diversions without it The perfect guide to Britain's landscape now available in paperback **South and East England's Best Views** Simon Jenkins, 2013-10-03 England's views are remarkable for their beauty and variety In this illustrated first of its kind guide bestselling author Simon Jenkins picks the very best views from South and East England including Arundel the Chilterns Coombe Hill and Turville Down the white cliffs of Dover North Downs Devil's Kneading Trough Oxford The High and Radcliffe Square Stowe Windsor Great Park Cambridge's The Backs Holkham Lavenham and Sheringham and more and explains the fascinating stories behind them Jenkins entertaining and erudite entries provide the rich historical geographical botanical and architectural background to South and East England's breathtaking sights both iconic and undiscovered Filled with roman roads cliff tops follies mountains ancient castles rolling forests and heart stopping moments you'll soon wonder how you chose walks mini breaks or spontaneous diversions without it A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index **20th Century Ceramic Designers in Britain** Andrew Casey, 2001 The first publication to focus on individual designers in ceramics over the whole 20th century Covers all the major female designers with up to date findings Also some

male designers previously almost undocumented The South Downs Peter Brandon,2022-03-31 The South Downs has throughout history been a focus of English popular culture With chalkland their river valleys and scarp foot the Downs have been shaped for over millennia by successive generations of farmers ranging from Europe s oldest inhabitants right up until the 21st century possibly the most important book to have been written on the South Downs in the last half century The South Downs have found their perfect biographer Downs Country **The South East from 1000 AD** C. B. Phillips,J. H. Smith,2014-07-22 A volume dealing with the regional and local history of South East England this covers the landcape and society of the modern counties of Surrey Kent East and West Sussex and Greater London south of the Thames from late Anglo Saxon times to the present The authors have tried to show the diversity that can be found within the region as well as common characteristics which illustrate the local peculiarities of the area The works in the series offer a synthesis of both historical and archaeological work in local areas Each region is covered in two linked but independent volumes the first covering the period up to AD 1000 and necessarily relying on archaeological data and the second bringing the story up to modern times It aims to portray life as it was experienced by the majority of people of South Britain or England as it was to become The authors look at the major historical events which have an impact on the region wars plagues technological changes and socio cultural trends amongst them but they also stress the underlying continuity of rural and urban life

The Idea of North Peter Davidson, 2005-04-15 While a compass might tell us which direction we are going there is really only one direction to which it ever points north North is the ultimate point of orientation but it is also a celebrated destination for the adventurous the curious the solitary and the foolhardy In this fascinating book updated in this accessible pocket edition Peter Davidson explores the concept of north through its many manifestations in painting legend and literature Arctic bound Davidson takes the reader on a journey from the heart of society to the most far flung outposts of human geography packing in our rucksacks a treasure trove of stories and artworks from the Icelandic Sagas to Nabokov's snowy kingdom of Zembla from Hans Christian Andersen's forbidding Snow Queen to the works of artists such as Eric Ravilious Ian Hamilton Finlay and Andy Goldsworthy He celebrates the different ways our artists and writers have illuminated our relationship with the earth's most dangerous and austere terrain Through Davidson's astonishing but inviting erudition we ultimately come to see north as a permanent goal frozen forever on a horizon we never seem to quite reach

Fasting and Feasting (UK Edition) Adam Federman, 2017-06-07 Patience Gray emerges from this life as an utterly original spirit who was one of the few to rebel against the change in direction that eating had taken in modern times Bee Wilson The Sunday Times A New York Times Notable Book for 2017 For more than thirty years Patience Gray author of the celebrated cookbook Honey from a Weed lived in a remote area of Puglia in southernmost Italy She lived without electricity modern plumbing or a telephone grew much of her own food and gathered and ate wild plants alongside her neighbors in this economically impoverished region She was fond of saying that she wrote only for herself and her friends yet her growing reputation brought a steady stream of international visitors to her door This simple and isolated life she chose for herself may help explain her relative obscurity when compared to the other great food writers of her time M F K Fisher Elizabeth David and Julia Child So it is not surprising that when Gray died in 2005 the BBC described her as an almost forgotten culinary star Yet her influence particularly among chefs and other food writers has had a lasting and profound effect on the way we view and celebrate good food and regional cuisines Gray's prescience was unrivaled She wrote about what today we would call the Slow Food movement from foraging to eating locally long before it became part of the cultural mainstream Imagine if Michael Pollan or Barbara Kingsolver had spent several decades living among Italian Greek and Catalan peasants recording their recipes and the significance of food and food gathering to their way of life In Fasting and Feasting biographer Adam Federman tells the remarkable and until now untold life story of Patience Gray from her privileged and intellectual upbringing in England to her trials as a single mother during World War II to her career working as a designer editor translator and author and describing her travels and culinary adventures in later years A fascinating and spirited woman Patience Gray was very much a part of

her times but very clearly ahead of them Landscape and Englishness David Matless, 2016-09-15 As David Matless argues in this book updated in this accessible pocket edition landscape has been central to definitions of Englishness for centuries It is the aspect of English life where visions of the past present and future have met in debates over questions of national identity disputes over history and modernity and ideals of citizenship and the body Extensively illustrated Landscape and Englishness explores just how important the aesthetics of Britain's cities and countryside have been to its people Matless examines a wide range of material including topographical guides health manuals paintings poetry architectural polemics photography nature guides and novels Taking readers to the interwar period he explores how England negotiated the modern and traditional the urban and rural the progressive and preservationist in its decisions over how to develop the countryside re-plan cities and support various cultures of leisure and citizenship Tracing the role of landscape to Englishness from then up until the present day he shows how familiar notions of heritage in landscape are products of the immediate post-war era and he unveils how the present always resonates with the past
