*English Ancestral Names* J. R. Dolan, 1972      **English Ancestral Names; the Evolution of the Surname From Medieval Occupations [By] J. R. Dolan** J. R. Dolan, 1972      **Family Names and Family History** David Hey, 2006-06-15

Family names are an essential part of everyone's personal history. The story of their evolution is integral to family history and fascinating in its own right. Formed from first names, place names, nicknames, and occupations, names allow us to trace the movements of our ancestors from the middle ages to the present day. David Hey shows how, when, and where families first got their names and proves that most families stayed close to their places of origin. Settlement patterns and family groupings can be traced back towards their origin by using national and local records. *Family Names and Family History* tells anyone interested in tracing their own name how to set about doing so.      *Dictionary of American Family Names* Patrick Hanks, 2003-05-08
