English Openings:

How to Play the English Opening Anatoly Karpov, 2013-07-17 The English Opening from the Flank Games group was developed by Howard Staunton In this opening white avoids or delays the occupation of the centre with Pawns Once considered a minor diversion the English is now one of the main openings and all modern world champions have played it One of the most famous world champions Anatoly Karpov brings his sharp eye and extensive experience to bear in this concise introduction to the opening Like the previous volumes from Karpov on the Caro Kann it is a rich book with terrific insight that is ideal for all players particularly club players

The Full English Opening Carsten Hansen, 2018-07-20 The English Opening 1 c4 is a popular choice at both club and master level because it is a chess opening that suits all styles As White you can play aggressively or opt for a more modest strategic approach depending on what kind of middlegame positions you are looking for The opening will serve you well in any mood against any type of opponent in any tournament situation For a club player who wants to reap the benefits of this multipurpose opening understanding is much more important than deep theoretical knowledge The Full English Opening is the first one volume book that covers all variations Carsten Hansen dedicates special attention to the transition into the early middlegame You will learn how to define specific plans lay out a strategic goal and find positional and tactical targets Supported by examples and exercises you will be able to enjoy the greatest asset of the English Opening its versatility
