

# ENGLISH around the WORLD

France has attempted to ban popular Anglicized words, like "le weekend" and "email"

"The English language is nobody's special property. It is the property of the imagination: it is the property of the language itself."

English as a lingua franca (ELF)

The use of the English language "as a common means of communication for speakers of different first languages"

"Viewed freely, the English language is the accretion and growth of every dialect, race, and range of time, and is both the free and compacted composition of all."

French for the nearly universal computer term "chat"

Éblabla

Popular English words from the past like "cool," @ "iPad" are written out in Chinese characters. However, "HTML" and "YouTube" keep to their original spelling
