Helen Johnston

English Local Prisons 1860 1900 Next Only To Death:

English Local Prisons, 1860-1900 Seán McConville,1995 Local prisons of the late nineteenth century refined harsh systems of punishment 2 years local imprisonment was considered the most severe punishment known to English law This work shows how private concerns became public policy **English Local Prisons, 1860-1900** Seán McConville,1995

English Society and the Prison Alyson Brown,2003 This social history analyses a period in which the modern prison faced serious challenges both on practical philosophical grounds These included the use of prison to victimise the poor the disaffected political activists the failure to establish the prison as a satisfactory means of punishment **Prison Life in**

Victorian England Michelle Higgs,2017-05-08 It is a commonly held assumption that all Victorian prisons were grim abhorrent places loathed by their inmates This is undoubtedly an accurate description of many English prisons in the nineteenth century However because of the way in which prisons were run there were two distinct types convict prisons and local prisons While convict prisons attempted to reform their inmates local prisons acted as a deterrent This meant that standards of accommodation and sanitation were lower than in convict prisons and treatment particularly in terms of the hard labour prisoners were expected to undertake was often more severe Whichever type of prison they were sent to for many prisoners and convicts from the poorest classes prison life compared favourably with their own miserable existence at home **Handbook on Prisons** Yvonne Jewkes,2012-08-21 Focusing on prisons this title is a useful reference for

practitioners working in prisons and other parts of the criminal justice system It explores a range of historical and contemporary issues relating to prisons imprisonment and prison management **Illiterate Inmates** Rosalind Crone,2022-05-12 The nineteenth century prison we have been told was a place of hard labour hard board and hard fare Yet it was also a place of education Schemes to teach prisoners to read and write and sometimes more besides can be traced to the early 1800s State funded elementary education for prisoners pre dated universal and compulsory education for children by fifty years In the 1860s when the famous maxim just cited became the basis of national penal policy arithmetic was included by legislators alongside reading and writing as a core skill to be taught in English prisons By c 1880 every prison in England used to accommodate those convicted of criminal offences had a formal education programme in which the 3Rs reading writing and arithmetic were taught to males and females adults and children alike Not every programme however had prisoners enrolled in it *Illiterate Inmates* tells the story of the emergence at the turn of the nineteenth century of a powerful idea the provision of education in prisons for those accused and convicted of crime and its execution over the century that followed Using evidence from both local and convict prisons the study shows how education became part of the modern penal regime While the curriculum largely reflected that of mainstream elementary schools the delivery of education shaped by the penal environment created an entirely different educational experience At the same time philosophies of imprisonment which prioritised punishment and deterrence over reformation undermined any socially reconstructive

ambitions Thus the period between 1800 and 1899 witnessed the rise and fall of the prison school in England **Winston Leonard Spencer-Churchill** Alan S. Baxendale, 2009 Historians of Winston Churchill's career customarily mention his innovations whether realized or not in prison treatment and sentencing during his Home Secretaryship between February 1910 and October 1911 Little mention is made however of what motivated him This book traces the evolution of Churchill's thinking as it has survived in the documentary records of his Home Secretaryship held in the Home Office archive together with other evidence both primary and secondary This evidence incorporates the exchange of views concerning specific prison treatment and sentencing issues in which Churchill engaged with his senior Home Office staff and His Majesty's Prison Commissioners in the course of their day to day transaction of the business of criminal justice These issues continue to be relevant given the ongoing debate about modification of the criminal justice system the internal organization and management of the Home Office as its overseer and more particularly prison treatment and sentencing The book also sheds light on Churchill as a person a politician and a government minister by focusing on his working methods and his relationships with his staff reminding us of a side to his character which is an important element in understanding his long parliamentary and ministerial career *The Prison Cell* Jennifer Turner, Victoria Knight, 2020-07-08 This book advances conceptualisations and empirical understanding of the prison cell It discusses the complexities of this specific carceral space and addresses its significance in relation to the everyday experiences of incarceration The collected chapters highlight the array of processes and practices that shape carceral life adding the cell to a rich area of discussion in penal scholarship criminology anthropology sociology and carceral geography The chapters highlight key aspects such as penal philosophies power relationships sensory and emotional engagements with place to highlight the breadth and depth of interdisciplinary perspectives on the prison cell a contested place of home labour and leisure The Prison Cell's empirical attention is global in its consideration bringing together both contemporary and historical work that focuses upon the cell in the Global North and South including examples from a variety of geographical locations and settings including police custody prisons and immigrant detention centres This book is an important and timely intervention in the growing and topical field of carceral studies It presents the only standalone collection of essays with a sole focus on the space of the cell **Mental Health in Prisons** Alice Mills, Kathleen Kendall, 2018-11-19 This book examines how the prison environment architecture and culture can affect mental health as well as determine both the type and delivery of mental health services It also discusses how non medical practices such as peer support and prison education programs offer the possibility of transformative practice and support By drawing on international contributions it furthermore demonstrates how mental health in prisons is affected by wider socio economic and cultural factors and how in recent years neo liberalism has abandoned criminalised and contained large numbers of the world's most marginalised and vulnerable populations Overall this collection challenges the dominant narrative of individualism by focusing instead on the relationship between structural inequalities suffering survival and

punishment Chapter 2 of this book is available open access under a CC BY 4.0 license via link.springer.com

A Companion to Nineteenth-Century Britain Chris Williams, 2008-04-15 A Companion to Nineteenth Century Britain presents 33 essays by expert scholars on all the major aspects of the political, social, economic and cultural history of Britain during the late Georgian and Victorian eras. Truly British rather than English in scope. Pays attention to the experiences of women as well as of men. Illustrated with maps and charts. Includes guides to further reading. *Irish Political Prisoners 1848-1922* Professor Sean McConville, 2005-08-19 This is the most wide ranging study ever published of political violence and the punishment of Irish political offenders from 1848 to the founding of the Irish Free State in 1922. Those who chose violence to advance their Irish nationalist beliefs ranged from gentlemen revolutionaries to those who openly embraced terrorism or even full scale guerilla war. Sean McConville provides a comprehensive survey of Irish revolutionary struggle matching chapters on punishment of offenders with descriptions and analysis of their campaigns. Government's response to political violence was determined by a number of factors including not only the nature of the offences but also interest and support from the United States and Australia as well as current objectives of Irish policy. *The Oxford History of the Prison* Norval Morris, David J. Rothman, 1998 Ranging from ancient times to the present a survey of the evolution of the prison explores its relationship to the history of Western criminal law and offers a look at the social world of prisoners over the centuries.

A History of Women's Prisons in England Susanna Menis, 2019-11-19 This book presents a revisionist prison history which brings to the forefront the relationship between gender and policy. It examines women's prisons in England from the late 18th century to the beginning of the 20th century drawing attention to the detrimental effect the orthodox closed prison has on penal reform. The text investigates the clash between what was conceptualised as desirable prison policy and the actual implementation and implications of such a penalty on the prisoner. It challenges previous claims made about the invisibility of women prisoners in historical penal policy and provides an original analysis of the open prison taking HMP Askham Grange as a case study where the history of such an initiative is explored and debated. *Prison Governors* Shane Bryans, 2013-08-21 This book provides the first systematic study of prison governors a hidden and powerful but much neglected group of criminal justice practitioners. Its focus is on how they carry out their task how that has changed over time and how their role has evolved. The author himself a former prison governor explains how prison governors have changed under external pressures and examines a number of the factors that have been influential in changing their working environment in particular the changing status of prisoners and the development of the concept of prisoners rights the increasing scrutiny of the press and politicians competitive elements introduced by privatization of the penal institutions and the introduction of risk management approaches. Based on extensive research including interviews with 42 prison governors this book also explores a number of important biographical factors. The author describes the demographic characteristics of the sample of governors interviewed including their social origins educational and occupational backgrounds their reasons

and motivation for joining the prison service their career paths and also explores their values and beliefs In the light of the findings of this study the author also makes a number of important suggestions for changes that should be made to policy and practice and explores the implications for how our prisons should be governed in the future Crime, Policing and Punishment in England, 1750-1914 David Taylor,1998-12-14 One of the fastest growing and most exciting areas of historical research in recent years has been the study of crime and the criminal The intrinsic fascination of the subject is enhanced by the fact that between the mid eighteenth century and early twentieth century the English criminal justice system was fundamentally transformed as a new disciplinary state emerged Drawing on recent research this book provides a comprehensive and up to date synthesis of these important changes *Crime in England 1815-1880* Helen Johnston,2015-03-03 *Crime in England 1815 1880* provides a unique insight into views on crime and criminality and the operation of the criminal justice system in England from the early to the late nineteenth century This book examines the perceived problem and causes of crime views about offenders and the consequences of these views for the treatment of offenders in the criminal justice system The book explores the perceived causes of criminality as well as concerns about particular groups of offenders such as the criminal classes and the habitual offender the female offender and the juvenile criminal It also considers the development of policing the systems of capital punishment and the transportation of offenders overseas as well as the evolution of both local and convict prison systems The discussion primarily investigates those who were drawn into the criminal justice system and the attitudes towards and mechanisms to address crime and offenders The book draws together original research by the author to locate these broader developments and provides detailed case studies illuminating the lives of those who experienced the criminal justice system and how these changes were experienced in provincial England With an emphasis on the penal system and case studies on offenders lives and on provincial criminal justice this book will be useful to academics and students interested in criminal justice history and penology as well as being of interest to the general reader *Disorder Contained* Catherine Cox,Hilary Marland,2022-03-10 The first historical study to offer an in depth exploration of the complex relationship between the prison and mental breakdown *Science, Reform, and Politics in Victorian Britain* Lawrence Goldman,2002-06-13 This book is a study of the relationships between social thought social policy and politics in Victorian Britain Goldman focuses on the activity of the National Association for the Promotion of Social Science known as the Social Science Association For three decades this served as a forum for the discussion of Victorian social questions and as an influential adviser to governments and its history discloses how social policy was made in these years The Association which attracted many powerful contributors including politicians civil servants intellectuals and reformers had influence over policy and legislation on matters as diverse as public health and women s legal and social emancipation The SSA reveals the complex roots of social science and sociology buried in the non academic milieu of nineteenth century reform And its influence in the United States and Europe allows for a comparative

approach to political and intellectual development in this period Bodies of Evidence Ian Burney,2000-01-21 The mere fact of its having survived from at least the twelfth century some claimed for it an earlier Saxon pedigree lent the inquest the trappings of an exemplary embodiment of the genius of English reform from Bodies of Evidence **International Handbook of Penology and Criminal Justice** Shlomo Giora Shoham,Ori Beck,Martin Kett,2007-10-08 At the outset of the twenty first century more than 9 million people are held in custody in over 200 countries around the world from the essay Prisons and Jails by Ron KingThe first comparative study of this increasingly integral social subject International Handbook of Penology and Criminal Justice provides a comprehensive and balanced review

Decoding **English Local Prisons 1860 1900 Next Only To Death**: Revealing the Captivating Potential of Verbal Expression

English Local Prisons 1860 1900 Next Only To Death Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free English Local Prisons 1860 1900 Next Only To Death PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free English Local Prisons 1860 1900 Next Only To Death PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of English Local Prisons 1860 1900 Next Only To Death free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About English Local Prisons 1860 1900 Next Only To Death Books

What is a English Local Prisons 1860 1900 Next Only To Death PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a English Local Prisons 1860 1900 Next Only To Death PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a English Local Prisons 1860 1900 Next Only To Death PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a English Local Prisons 1860 1900 Next Only To Death PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may

have options to export or save PDFs in different formats. **How do I password-protect a English Local Prisons 1860 1900 Next Only To Death PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
