Baynes, 2015-03-27 Originally published in 1950 the name of the late Dr H G Baynes was already well known as a leading exponent of and translator of the writings of Professor C G Jung as author and as psychotherapist The essay which gives it title to this varied and interesting collection of writings shows clearly Dr Baynes s gift for illuminating a familiar subject with fresh insight drawn from his wide knowledge of the unconscious mind He can make the unconscious real to us and can convince us that myth and dream are expressions of vital problems of the human soul The collection includes material to interest many types of reader from The British Journal of Medical Psychology from Folk Lore from The Society for Psychical Research But perhaps most full of interest for the majority of readers are the first three chapters of an unfinished book What It Is All About here we find an admirable introduction given with a wealth of illustration to the main concepts of Professor Jung s analytical psychology Dr Baynes made Professor Jung s thought his own without loss of his own originality He can touch with significance any subject on which he writes whether it be the problem of the individual or the kindred problems of humanity The Spirit of the People - An Analysis of the English Mind Ford Madox Hueffer, 2014-04-10 This antiquarian volume contains Ford Madox Hueffer s treatise The Spirit of the People An Analysis of the English Mind This fascinating and thought provoking exploration of the English mentality is highly recommended for those with an interest in sociology and psychology and would make for a great addition to collections allied literature The chapters of this book include The People from the Outside The Professor The Siege of M nster Qualifications The Moral of English History The Death of Kings The Professor of History The Road to the West The Melting Pot Faiths Conduct etcetera We are republishing this book now in an affordable modern edition complete with a specially commissioned biography of the author **A History of English Literature** Emile Legouis, Louis François Cazamian, 1927 **History of English Literature** Hippolyte Taine, 1897 **English Literature Considered as an Interpreter of English History ...
