The English Plainchant Revival

Bennett Zon

English Plainchant Revival

Sheridan Gilley, Brian Stanley

English Plainchant Revival:

The English Plainchant Revival Bennett Zon, 1999 This study provides a general introduction to the sources of the plainchant revival in eighteenth and nineteenth century England Part I examines the eighteenth century Catholic revival in particular the work of John Frances Wade a Roman Catholic plainchant scribe and publisher His work centred on the Roman Catholic foreign embassy chapels in London during the waning years of the recusancy period and his collaboration with contemporary publishers and musicians is evidenced in numerous contemporary letters music manuscripts and printed works In Part II the starting point for the Roman Catholic revival is Novello's *A Collection of Sacred Music* and for the Anglican revival Reinagle's *A Collection of Psalm and Hymn Tunes* Pro Gregorian enthusiasts monitored the progress of the revival well into the nineteenth century but it was not until the late 1830s that plainchant became a cause célèbre in Anglican and Catholic worship alike A multiplicity of plainchant publications followed well into the 1870s with Thomas Helmore ranking first among them By this time plainchant had become an integral albeit controversial part of musical worship in both churches Bennett Zon brings together a host of previously undiscovered or unknown eighteenth and nineteenth century sources drawing mainly upon printed and manuscript works Contemporary periodical and occasional literature provide further insight into their musical and social contexts This is as much a source book for ecclesiastical history of the eighteenth and nineteenth centuries as it is a chronicling of the plainchant revival and it will be of interest to ecclesiastical historians plainchant enthusiasts church musicians and bibliographers

Britten's Unquiet Past Heather Wiebe, 2012-10-04

Heather Wiebe's book looks to the music of Benjamin Britten to elucidate a British postwar vision of cultural renewal

Roman Catholic Church Music in England, 1791-1914: A Handmaid of the Liturgy? T.E. Muir, 2016-04-08 Roman Catholic church music in England served the needs of a vigorous vibrant and multi faceted community that grew from about 70 000 to 1.7 million people during the long nineteenth century Contemporary literature of all kinds abounds along with numerous collections of sheet music some running to hundreds occasionally even thousands of separate pieces many of which have since been forgotten Apart from compositions in the latest Classical Viennese styles and their successors much of the music performed constituted a revival or imitation of older musical genres especially plainchant and Renaissance Polyphony Furthermore many pieces that had originally been intended to be performed by professional musicians for the benefit of privileged royal aristocratic or high ecclesiastical elites were repackaged for rendition by amateurs before largely working or lower middle class congregations many of them Irish However outside Catholic circles little attention has been paid to this subject Consequently the achievements and widespread popularity of many composers such as Joseph Egbert Turner Henry George Nixon or John Richardson within the English Catholic community have passed largely unnoticed Worse still much of the evidence is rapidly disappearing partly because it no longer seems relevant to the needs of the modern Catholic Church in England This book provides a framework of the main aspects of Catholic church music in this period

showing how and why it developed in the way it did Dr Muir sets the music in its historical liturgical and legal context pointing to the ways in which the music itself can be used as evidence to throw light on the changing character of English Catholicism As a result the book will appeal not only to scholars and students working in the field but also to church musicians liturgists historians ecclesiastics and other interested Catholic and non Catholic parties Scripture and Song in Nineteenth-Century Britain James Grande, Brian H. Murray, 2023-11-16 This volume brings together new approaches to music history to reveal the interdependence of music and religion in nineteenth century culture As composers and performers drew inspiration from the Bible and new historical sciences called into question the historicity of Scripture controversies raged over the performance publication and censorship of old and new musical forms From oratorio to opera from parlour song to pantomime and from hymn to broadside nineteenth century Britons continually encountered elements of the biblical past in song Both elite and popular music came to play a significant role in the formation regulation and contestation of religious and cultural identity and were used to address questions of class nation and race leading to the beginnings of ethnomusicology This richly interdisciplinary volume brings together musicologists historians literary and art historians and theologians to reveal points of intersection between music religion and cultural history Humanism and the Reform of Sacred Music in Early Modern England Hyun-Ah Kim, 2016-05-13 John Merbecke c 1505 c 1585 is most famous as the composer of the first musical setting of the English liturgy The Booke of Common Praier Noted BCPN published in 1550 Not only was Merbecke a pioneer in setting English prose to music but also the compiler of the first Concordance of the whole English Bible 1550 and of the first English encyclopaedia of biblical and theological studies A Booke of Notes and Common Places 1581 By situating Merbecke and his work within a broader intellectual and religio cultural context of Tudor England this book challenges the existing studies of Merbecke based on the narrow theological approach to the Reformation Furthermore it suggests a re thinking of the prevailing interpretative framework of Reformation musical history On the basis of the new contextual study of Merbecke this book seeks to re interpret his work particularly BCPN in the light of humanist rhetoric It sees Merbecke as embodying the ideal of the Christian musical orator demonstrating that BCPN is an Anglican epitome of the Erasmian synthesis of eloquence theology and music The book thus depicts Merbecke as a humanist reformer through re evaluation of his contributions to the developments of vernacular music and literature in early modern England As such it will be of interest not only to church musicians but also to historians of the Reformation and students of wider Tudor culture *Music in Eighteenth-Century Britain* David Wyn Jones, 2017-07-05 This collection of essays by some of the leading scholars in the field looks at various aspects of musical life in eighteenth century Britain The significant roles played by institutions such as the Freemasons and foreign embassy chapels in promoting music making and introducing foreign styles to English music are examined as well as the influence exerted by individuals both foreign and British The book covers the spectrum of British music both sacred and secular and both cosmopolitan and provincial In doing so it helps to redress the picture of eighteenth

century British music which has previously portrayed Handel and London as its primary constituents Choral Music James Michael Floyd, Avery T. Sharp, 2012-07-26 This is an annotated bibliography to books recordings videos and websites on choral music This book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared since publication of the previous edition *Choral Music* Avery T. Sharp, James Michael Floyd, 2011 This is an annotated bibliography to books recordings videos and websites on choral music This book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared since publication of the previous edition *The Oxford History of British and Irish Catholicism, Volume V* Alana Harris, James Edward Kelly, John David McCafferty, 2023 The fifth volume of The Oxford History of British Irish Catholicism which assembles synoptic chapters from leading historians of modern Catholicism offers a comprehensive and accessible overview of the changing contours of the Church on two islands and with connections across the world throughout the twentieth century **The Oxford Guide to The Book of Common Prayer** Charles Hefling, Cynthia Shattuck, 2006-07-01 The Oxford Guide to the Book of Common Prayer is the first comprehensive guide to the history and usage of the original Book of Common Prayer and its variations Expert contributors from around the world and from every major denomination offer an unparalleled view of The Book of Common Prayer and its influence The Oxford Guide to Common Prayer is more than simply a history it describes how Anglican churches at all points of the compass have developed their own Prayer Books and adapted the time honored Anglican liturgies to their diverse local cultures The Guide examines how the same texts Daily Prayers the Eucharist Marriage and Funerals and many others in dozens of editions now in use throughout the world both resemble and differ from one another A brief look at electronic Prayer Books also offers a unique and exciting modern perspective The Oxford Guide to the Book of Common Prayer offers a fascinating journey through the history and development of a classic of world literature from its origins in the 16th century to the modern day Oxford is pleased to offer The Book of Common Prayer in a variety of formats and prices to match readers needs and budgets perfect for study or gift giving Visit our website to order your copy today A comprehensive survey of the rich history of the original Book of Common Prayer and all of its varied descendents Explains characterizes and illustrates the dozens of Prayer Book versions in current use throughout the world Lays out a path that will enable any reader Anglican or not to learn why the BCP is a classic of liturgy and literature The Cambridge History of Christianity: Volume 8, World Christianities C.1815-c.1914 Sheridan Gilley, Brian Stanley, 2006 This is the first scholarly treatment of nineteenth century Christianity to discuss the subject in a global context Part I analyses the responses of Catholic and Protestant Christianity to the intellectual and social challenges presented by European modernity It gives attention to the explosion of new voluntary forms of Christianity and the expanding role of women in religious life Part II surveys the diverse and complex relationships between the churches and nationalism resulting in fundamental changes to the connections between church and state Part III

examines the varied fortunes of Christianity as it expanded its historic bases in Asia and Africa established itself for the first time in Australasia and responded to the challenges and opportunities of the European colonial era Each chapter has a full bibliography providing guidance on further reading Music and Academia in Victorian Britain Rosemary Golding, 2016-04-29 Until the nineteenth century music occupied a marginal place in British universities Degrees were awarded by Oxford and Cambridge but students and often professors were not resident and there were few formal lectures It was not until a benefaction initiated the creation of a professorship of music at the University of Edinburgh in the early nineteenth century that the idea of music as a university discipline commanded serious consideration The debates that ensued considered not only music's identity as art and science but also the broader function of the university within education and society Rosemary Golding traces the responses of some of the key players in musical and academic culture to the problems surrounding the establishment of music as an academic discipline The focus is on four universities Edinburgh Oxford Cambridge and London The different institutional contexts and the approaches taken to music in each university showcase the various issues surrounding music's academic identity as well as wider problems of status and professionalism In examining the way music challenged conceptions of education and professional identity in the nineteenth century the book also sheds light on the way the academic study of music continues to challenge modern approaches to music and university education *Evolution and Victorian Musical Culture* Bennett Zon, 2017-10-12 This engaging book explores the dynamic relationship between evolutionary science and musical culture in Victorian Britain drawing upon a wealth of popular scientific and musical literature to contextualize evolutionary theories of the Darwinian and non Darwinian revolutions Bennett Zon uses musical culture to question the hegemonic role ascribed to Darwin by later thinkers and interrogates the conceptual premise of modern debates in evolutionary musicology Structured around the Great Chain of Being chapters are organized by discipline in successively ascending order according to their object of study from zoology and the study of animal music to theology and the music of God *Evolution and Victorian Musical Culture* takes a non Darwinian approach to the interpretation of Victorian scientific and musical interrelationships debunking the idea that the arts had little influence on contemporary scientific ideas and by probing the origins of musical interdisciplinarity the volume shows how music helped ideas about evolution to evolve **Music and Metaphor in Nineteenth-Century British Musicology** Bennett Zon, 2017-07-05 In a word I shall endeavour to show how our music having been originally a shell fish with its restrictive skeleton on the outside and no soul within has been developed by the inevitable laws of evolution through natural selection and the survival of the fittest into something human even divine with the strong logical skeleton of its science inside the fair flesh of God given beauty outside and the whole like man himself animated by a celestial eternal spirit W J Henderson *The Story of Music* 1889 Critical writing about music and music history in nineteenth century Britain was permeated with metaphor and analogy *Music and Metaphor* examines how over arching theories of music history were affected by reference

to various figurative linguistic templates adopted from other disciplines such as art religion politics and science Each section of the book discusses a wide range of musicological writings and their correspondence with the language used to convey contemporary ideas such as the sublime the ancient and modern debate and in particular the theory of evolution Bennett Zon reveals that through their application of metaphorical frameworks taken from art religion and science these writers and their work shed light on nineteenth century perceptions of music history and illuminate the ways in which these disciplines affected notions of musical development *Music and Theology in Nineteenth-Century Britain* Martin Clarke, 2016-04-22

The interrelationship of music and theology is a burgeoning area of scholarship in which conceptual issues have been explored by musicologists and theologians including Jeremy Begbie Quentin Faulkner and Jon Michael Spencer Their important work has opened up opportunities for focussed critical studies of the ways in which music and theology can be seen to interact in specific repertoires genres and institutions as well as the work of particular composers religious leaders and scholars This collection of essays explores such areas in relation to the religious musical and social history of nineteenth century Britain The book does not simply present a history of sacred music of the period but examines the role of music in the diverse religious life of a century that encompassed the Oxford Movement Catholic Emancipation religious revivals involving many different denominations the production of several landmark hymnals and greater legal recognition for religions other than Christianity The book therefore provides a valuable guide to the music of this complex historical period

Vincent Novello (1781-1861) Fiona M. Palmer, 2017-02-10 Today Vincent Novello 1781 1861 is remembered as the father of the music publishing firm Fiona Palmer s evaluation of Novello the man and the musician in the marketplace draws on rich primary sources It is the first to provide a rounded view of his life and work and the nature of his importance both in his own time and to posterity Novello s early musical training particularly his experience of music making in London s embassy chapels influenced him profoundly His practical experience as director of music at the Portuguese Embassy Chapel in Mayfair informed his approach to editing and arranging Fundamental moral and social attitudes underpinned Novello s progress Ideas on religion education and the function of family and friendship within society shaped his life choices The Novello family lived in turbulent times and was widely read discussing politics and religion and not only the arts at its social gatherings Within Vincent and Mary Novello s close circle were radical thinkers with republican views such as Leigh Hunt and Charles Cowden Clarke who saw sociability as a means of reorganizing society Thematic studies focus on Novello as practical musician and educator as editor and as composer His connections with institutions such as the Covent Garden and Pantheon Theatres the Philharmonic Society and Moorfields Chapel together with his adjudicating and teaching activities are examined In his wide ranging editorial work Novello found his true vocation positioning himself as preservationist pioneer and philanthropist His work as composer though unremarkable in quality mirrored the demands and expectations of his consumers Novello emerges from this study as a visionary who single mindedly pursued greater musical knowledge for the

benefit of everyone **Thomas Tallis and His Music in Victorian England** Suzanne Cole, 2008 A survey of the huge importance of Thomas Tallis the Father of Church Music on Victorian musical life In Victorian England Tallis was ever present in performances of his music in accounts of his biography and through his representation in physical monuments Known in the nineteenth century as the Father of English Church Music Tallis occupies a central position in the history of the music of the Anglican Church This book examines in detail the reception of two works that lie at the stylistic extremes of his output *Spem in alium* revived in the 1830s though generally not greatly admired and the Responses which were very popular A close study of the performances manuscripts and editions of these works casts light on the intersections between the antiquarian liturgical and aesthetic goals of nineteenth century editors and musicians By tracing Tallis's reception in nineteenth century England the author charts the hold Tallis had on the Victorians and the ways in which Anglican and English identity was defined and challenged Dr SUE COLE is a research associate at the Faculty of Music University of Melbourne

Sounding Feminine David Kennerley, 2020-05-01 Between 1780 and 1850 the growing prominence of female singers in Britain's professional and amateur spheres opened a fraught discourse about women's engagement with musical culture Protestant evangelical gender ideology framed the powerful well trained and expressive female voice as a sign of inner moral corruption while more restrained and delicate vocal styles were seen as indicative of the performer's virtuous femininity Yet far from everyone was of this persuasion and those from alternative class and religious milieux responded in more affirmative ways to the sound of professional female voices The meanings listeners ascribed to women's voices reflect crucial developments in the musical world of the period such as the popularity of particular genres with audiences of certain social backgrounds and the reasons underpinning the development of prevalent types of nineteenth century professional female vocality *Sounding Feminine* traces the development of attitudes towards the female voice that have decisively shaped modern British society and culture Arguing for the importance of the aural dimension of the past author David Kennerley draws from a variety of fields including sound studies sensory histories and gender theory to examine how audiences heard different kinds of femininities in the voices of British female singers *Sounding Feminine* explores the intense divisions over the correct use of the female voice and the intricate links between gender nationality class and religion in ascribing status purpose and morality to female singing Through this lens Kennerley also explores the formation of British middle class identities and the cultural impact of the evangelical revival deepening our understanding of this period of transformational change in British culture

[The Oxford Handbook of Victorian Medievalism](#) Joanne Parker, Corinna Wagner, 2020-09-15 In 1859 the historian Lord John Acton asserted two great principles divide the world and contend for the mastery antiquity and the middle ages The influence on Victorian culture of the Middle Ages broadly understood then as the centuries between the Roman Empire and the Renaissance was both pervasive and multi faceted This medievalism led for instance to the rituals and ornament of the Medieval Catholic church being reintroduced to Anglicanism It led to the Saxon Witan being celebrated as a

prototypical representative parliament It resulted in Viking raiders being acclaimed as the forefathers of the British navy And it encouraged innumerable nineteenth century men to cultivate the superlative beards we now think of as typically Victorian in an attempt to emulate their Anglo Saxon forefathers Different facets of medieval life and different periods before the Renaissance were utilized in nineteenth century Britain for divergent political and cultural agendas Medievalism also became a dominant mode in Victorian art and architecture with 75 per cent of churches in England built on a Gothic rather than a classical model And it was pervasive in a wide variety of literary forms from translated sagas to pseudo medieval devotional verse to triple decker novels Medievalism even transformed nineteenth century domesticity while only a minority added moats and portcullises to their homes the medieval style textiles produced by Morris and Co decorated many affluent drawing rooms The Oxford Handbook of Victorian Medievalism is the first work to examine in full the fascinating phenomenon of medievalism in Victorian Britain Covering art architecture religion literature politics music and social reform the Handbook also surveys earlier forms of antiquarianism that established the groundwork for Victorian movements In addition this collection addresses the international context by mapping the spread of medievalism across Europe South America and India amongst other places **Nineteenth-Century British Music Studies** Bennett Zon,2019-05-23 Originally published in 1999 this volume of essays arises from the first biennial Music in Nineteenth Century Britain conference held at the University of hull in July 1997 Like the conference this book seeks to expand and reassess our current knowledge of musical life in Britain during the nineteenth century as well as to challenge the preconceptions of earlier attitudes and scholarship This volume covers a cohesive range of subjects and materials intended not only as a revision of past views and scholarship but also as a tool for further research It provides a vigorous reconsideration of the musical activity of the period

English Plainchant Revival Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**English Plainchant Revival**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

English Plainchant Revival Introduction

In the digital age, access to information has become easier than ever before. The ability to download English Plainchant Revival has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download English Plainchant Revival has opened up a world of possibilities. Downloading English Plainchant Revival provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading English Plainchant Revival has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download English Plainchant Revival. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading English Plainchant Revival. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading English Plainchant Revival, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download English Plainchant

Revival has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About English Plainchant Revival Books

What is a English Plainchant Revival PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a English Plainchant Revival PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a English Plainchant Revival PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a English Plainchant Revival PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a English Plainchant Revival PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
