Enigma Of Brontes

Charlotte Bronte

Enigma Of Brontes:

An Enigma of Brontës Maureen Peters,1974 The Brontes of Haworth David W. Harrison,2002 The Brontës of Haworth Yorkshire's Literary Giants Their Lives Works Influences and Inspirations has been designed by a retired teacher of English as a general overall guide and reference for use by highschool teachers college and university professors students and Brontë enthusiasts The functional layout of the book in three parts allows readers and researchers to obtain a quick thumbnail sketch of the lives of each of the Brontës each of their seven major adult works and the various influence and inspirations which affected their short tragic lives and led them into careers in writing Each chapter in each section has been designed so that the brief background sketches of their lives and works can be read as an entity in itself and from there readers can choose which area they would like to pursue further through additional studies and research The amount of research material on the Brontës is overwhelming and it was the author's intention to briefly sort out various areas of potential interest for those just being introduced to this great family of English writers Genograms Monica McGoldrick,Randy Gerson,Sueli Petry,2008-01-29 The genogram is a graphic way of organizing information gathered during a family assessment and identifying patterns in the family system This title thoroughly explains how to draw interpret and apply the genogram *The Bronte Sisters and George Eliot* Barbara Prentis,1988-08-10 An approach to the lives thought and works of the Bronte sisters and George Eliot Seen against the background of the dramatically changing world their attitudes to such vital issues as religion the child the woman question love and sexuality the self and death are examined **The Crimes of Charlotte Bronte** James Tully,2013-08-01 Noted criminologist James Tully became fascinated by inconsistencies he found in the accounts of the lives and deaths of the Brontës So dark and unexpected were the results of his searches he decided to tell the story in the form of a novel He has created a controversial and compelling account of this most famous Victorian family

The Brontës Professor Miriam Allott,Miriam Allott,2013-10-31 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer's work enabling student and researcher to read the material themselves *The Brontës and War* Emma Butcher,2019-12-03 This book explores the representations of militarism and masculinity in Charlotte and Branwell Brontës youthful writings It offers insight into how the siblings understood and reimagined conflict both local and overseas and its emotional legacies whilst growing up in early nineteenth century Britain Their writings shed new light on a period little discussed by social and military historians providing not only a new approach to Brontë Studies but also acting as a familial case study for how the media captivated and enticed the public imagination *The Bronte Sisters* Charlotte Bronte,Emily Bronte,Anne Bronte,2009-12-29 The most cherished novels from England's talented sisters all in one gorgeously packaged volume The Brontë family was a literary phenomenon unequalled before or since Both Charlotte's *Jane Eyre* and Emily's *Wuthering Heights* have won lofty places in the pantheon and stirred the romantic sensibilities of generations of readers For the first

time ever Penguin Classics unites these two enduring favorites with the lesser known but no less powerful work by their youngest sister Anne. Drawn from Anne's own experiences as a governess, *Agnes Grey* offers a compelling view of Victorian chauvinism and materialism. Its inclusion makes *The Brontë Sisters* a must-have volume for anyone fascinated by this singularly talented family. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Company of the Creative David L. Larsen, Great works and authors of the world are introduced and reviewed artistically, intellectually, and theologically. Persons discussed include Plato, Milton, Dickens, Shakespeare, Charlotte Brontë, Mark Twain, and C. S. Lewis.
