## **Enjoy The Abundance Of God:**

Abundant Life for Your Spirit, Soul and Body Trevor Bartley, 2017-03-29 Our opening verse for this book is from John 10 10b I came that they may have and enjoy life and have it in abundance to the full till it overflows The Greek word used here for life is zo So we can conclude that Jesus came to show us how to have and enjoy the god kind of life As a born again believer you have been recreated and given a new life code or DNA to live by and Jesus came to show us how to live that new creation reality here on earth The Bible tells us in John 3 16 For God so greatly loved and dearly prized the world that He even gave up His only begotten unique Son so that whoever believes in trusts in clings to relies on Him shall not perish come to destruction be lost but have eternal everlasting life Then in Romans 6 23 it tells us For the wages which sin pays is death but the bountiful free gift of God is eternal the god kind of life through and in union with Jesus Christ our Lord This eternal life he came to give us is the very nature of God In John 1 4 we can get a better understanding of what this life will do for us In Him was Life and the Life was the Light of men One of the meanings for light in the dictionary is a state of understanding or awareness So we could read this verse like this in him was the god kind of life and the god kind of life was the state of understanding and awareness for men Let us live out of the zo kind of life and determine to be led by the spirit of God in all that we do so we can live in the actual abundance of God Amen

Finch,2015-07-31 This book is a presentation of five fundamental and biblical based principles by which God would have us live our lives They are not original to me only discovered by me They came out of a nine hour seminar that had been developed in the 1980s It is organized by each individual principle along with several chapters which illustrate how these principles can be applied to our financial circumstances To illustrate these principles they are likened to the building of a house Each principle represents a step in the process of building a house At the end of each principle as well as each chapter there is a personal application which I hope will help people apply that principle chapter to their personal lives The book is organized from start to finish on the concept that we are human beings created by a God who have given us a plan by which to live our lives a plan that goes beyond the materialistic focus of most people in the world today It is a book for persons who are willing to discover how God can direct their financial lives to be fulfilled according to His plan which in turn will provide them with a level of fulfillment that can only be found by following His plan *Give Like God* Stephen Charles

Durkee,2018-06-26 To tithe or not to tithe That is the question heard in churches across the land Because churches depend on the generosity of their members there are many sermons and many books that encourage Christians to be generous and use tithing as the standard for their generosity Yet other voices in the church object to tithing claiming that the practice is ambiguous outdated or misunderstood Give Like God starts with a careful examination of what the Bible teaches about tithing before discussing what it says about giving and generosity in the teachings of Jesus and his followers We learn that God is extraordinarily generous and that he is our example and the source of supply for our generosity Author Stephen Charles Durkee considers the connection between generosity and what we do for work how we do outreach how we help people in need and even how we take on debts In the end he shows us the joy we should experience through giving When we put God's priorities first in our lives we discover that he is a good provider and that our lives can be free of financial worries Money and generosity play an important and truly pivotal role in God's purposes for his people and so to have blessings and transformation in our lives we must learn to give like God
