Enjoying Dog Agility From Back Yard To Competition:

Enjoying Dog Agility Julie Daniels, 2012-02-28 Enjoying Dog Agility 2nd edition is the premier beginner's guide to the fast growing sport of dog agility. Author Julie Daniels, a national and international agility champion and one of the early pioneers of the sport in the United States, has written an upbeat and informative must-read that shares her insight into all aspects of agility from initial training of the dog to competing and succeeding in agility trials. A perfectly crafted guide for novice agility handlers, Daniels's book teaches handlers to motivate their dogs, use positive training techniques, and most of all, have fun with their dogs. Divided into two sections, the book begins with *This Is Agility*, the section that introduces readers to the basic requirements of the sport, methods of handling the dog, conditioning for the dog, and developing true teamwork with the dog. The second section is devoted to *The Obstacles* and discusses how to train the dog for all of the major obstacles found at trial: the apertures, open and closed tunnels, and tire jump, the ramps, a framed dogwalk, and seesaw, the jumps bar, and solid jumps, spread jumps, and broad jumps, the pause table, and the weave poles. Each obstacle in Section II is presented with step-by-step training instructions on how to introduce the dog to the obstacle and how to navigate it, including avoiding and fixing problems along the way. As Stuart Mah of *Rising Stars Dog Agility* says of the author and her classic text, *Long*, "considered one of the grand dames of dog agility," Julie Daniels writes in an easy-to-understand style. Reading *Enjoying Dog Agility* is like having Julie there discussing agility with you personally. Fully indexed for ease of reference. [Head of the Class](#) Kate Eldredge, 2007-08-06 The only dog training guide for kids written by a teen. Author Kate Eldredge, age 15, knows what it takes for a kid to raise and train a dog; she's been parenting pooches since she was 7. It's a big responsibility, but it has awesome rewards besides all those wet slobbery kisses. When you're your dog's caregiver, provider, and trainer, your dog will be your loyal playmate, protector, and confidant for life. In this book, Kate gives you the scoop on: Choosing the right dog for your family; Getting the house ready and establishing a routine; Teaching basic household manners; Feeding and caring for your dog; Dealing with health problems; Showing your dog; Activities like obedience trials, sports, and community service. Kate's mom, a veterinarian, provides valuable information. A *For Parents Only* section at the end of each chapter tells adults how they can help without taking over. [The English Springer Spaniel](#) Carol Callahan, 2008-04-21 At last, a book about your pet that emphasizes total care, training, and companionship. You'll not only learn about the species-specific traits of your special pet, you'll also learn what the world's like from your pet's perspective, how to feed, groom, and keep your pet healthy, and how to enjoy your pet through training and activities you can do together. *The English Springer Spaniel* is written by a breed expert and includes a special chapter on training by Dr. Ian Dunbar, internationally renowned animal behaviorist, and chapters on getting active with your dog by long-time *Dog Fancy* magazine columnist Bardi McLennan. *Collie* Allene McKewen, 2009-05-18 Known to virtually every American as Lassie, the Collie is a family favorite. With tips on grooming both rough and smooth-coated Collies, yes, there are lots of brush-cut Collies, complete information on health care and training, this book is the perfect
