The Ministry, Vol. 05, No. 01 Various Authors, 2001-01-01 In this issue of The Ministry we continue to see that the salvation of God is a matter of the Spirit and not the letter According to God's salvation to repent is to turn from the things outside of God to God Himself because the central thought of God's salvation is that God Himself wants to come into man to be his life and nature Then out of this life and nature there will be a result that is the excellent fruit borne of the Holy Spirit as the issue of the operation of God after He has entered into man If we draw near to God treasure Him and live before Him in this way we will live out His virtues by living in another realm a realm in which the life

of God is being expressed through us In this issue we also include the last six messages of the Crystallization study of Revelation held in the winter of 1999 in Long Beach California Message Seven strongly indicates that spiritual warfare is a necessity as seen by the vision of the war in heaven and the war at Armageddon God wants His creature man to deal with His fallen creature Satan for this the human will must stand with the divine will The burden of Message Eight is that all the saints in the Lord s recovery would be perfected in this age to reign with Christ in the kingdom of a thousand years in the next age Messages Nine Ten Eleven and Twelve conclude the training with the vision of the New Jerusalem as the ultimate consummation of several wonderful items It is the consummation of the divine economy of the divine building of the divine romance of the new covenant of grace of the new creation of the mingling of the Triune God with the tripartite man and of the Triune God as our entrance constitution existence enjoyment living and expression Hallelujah Last of all we include reports concerning the Lord s move in Armenia and Holland
