Lamb, 2019-03-25 You can learn a lot from storms They have a purpose and without them rainbows have no meaning From There to Here is an inspiring and candid story about one man's journey through life from a child who met his parents at age 7 and found himself living alone at age 15 to becoming a PGA golf professional flying around in private jets to finally finding peace as an endurance mountain bike racer sleeping soaking wet on the ground in the middle of some of the most remote country in North America It s a story about being lost and never really knowing that you were a story of how a bike and a grandson can change one s life forever It will make you rethink who you are and how you came to be that person You will laugh you will cry but in the end perhaps you **From There to Here** William E. Powell,2011-07-01 The novel is a semi fictionalized roman a clef may find what he found in which the author describes in great detail and through the eyes of others his protagonist Peter Wyse The almost 70 year storyline begins in 1937 and ends in 2005 with the scene shifting from New York to Oklahoma on to West Virginia and then to Houston and Harris County Texas Peter's story starts with his childhood and a brutal rape continuing through his school years and into college where he meets his true love Sarah Letters between the lovers tell of their courtship and engagement An unintended pregnancy threatens Peter's medical school career while severe depression challenges his marriage and results in a suicide attempt Along the way Peter and Sarah raise four children and share many happy memories Each chapter tells a fascinating story until deceit betrayal and infidelity culminate in divorce A thorough vetting of the legal process adds fury to the situation The tragic deaths of Peter's two medical partners life post divorce and through remarriage are all explored From There to Here is not all serious however As in life there is humor pathos and discovery and the book ends with a truly surprising conclusion From There to Here Robert M. Rock, 2000-12-20 The stories he tells here were written at random over a period of several months appearing as layers peeled off a consciousness onion never knowing which ones would arise next Eventually they were arranged into a chronology which resulted in a rather unusual autobiographical form Each story is complete and essentially stands alone yet together all blend into one encompassing and distinct story As new stories continue to take shape and more old ones emerge from the onion these may serve the possibility for future stories The acclaim Rock's stories have begun to receive is evidenced by one having already been selected for reading over National Public Radio June past of this year within only one week of submittal the Striped Pen story From There to Here ,2007-11-29 We asked people from any background to send us their true personal accounts of immigration to Britain The
