## From Yukon To Yucatan:

**From Yukon to Yucatan** I. Allan Sealy, 1994      From Yukon to Yucatan T. A. SEALY, 1994      *Yukon to Yucatan* , A Complete Pronouncing Gazetteer Or Geographical Dictionary of the World Angelo Heilprin, Louis Heilprin, 1906      **The Libertarian Reader** David Boaz, 2015-02-17 The first collection of seminal writings on a movement that is rapidly changing the face of American politics The Libertarian Reader links some of the most fertile minds of our time to a centuries old commitment to freedom self determination and opposition to intrusive government A movement that today counts among its supporters Steve Forbes Nat Hentoff and P J O'Rourke libertarianism joins a continuous thread of political reason running throughout history In The Libertarian Reader David Boaz has gathered the writers and works that represent the building blocks of libertarianism These individuals have spoken out for the basic freedoms that have made possible the flowering of spiritual moral and economic life For all independent thinkers this unique sourcebook will stand as a classic reference for years to come and a reminder that libertarianism is one of our oldest and most venerable American traditions

**Lippincott's Gazetteer of the World** Angelo Heilprin, Louis Heilprin, 1922      Hemispheres and Stratospheres Roger D. Lund, 2020-12-18 Hemispheres and Stratospheres offers eight essays that address the art literature science and politics of distance during the long eighteenth century This volume celebrates the intercontinental expansiveness of Enlightenment distance culture a culture that continues to encourage modern pursuits such as space travel tourism telecommunication multiculturalism and international research collaboration      **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson, L.W. Conolly, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide      **The Cambridge History of Travel Writing** Nandini Das, Tim Youngs, 2019-01-24 Bringing together original contributions from scholars across the world this volume traces the history of travel writing from antiquity to the Internet age It examines travel texts of several national or linguistic traditions introducing readers to the global contexts of the genre From wilderness to the urban from Nigeria to the polar regions from mountains to rivers and the desert this book explores some of the key places and physical features represented in travel writing Chapters also consider the employment in travel writing of the diary the letter visual images maps and poetry as well as the relationship of travel writing to fiction science translation and tourism Gender based and ecocritical approaches are among those surveyed Together the thirty seven chapters here underline the richness and complexity of this genre      Earth's Landscape Joyce A. Quinn, Susan L. Woodward, 2015-02-03 This unusual encyclopedia brings together in depth information on more than 450 natural geographic features from around the world and offers an array of creative tools to promote critical thinking and classroom discussion With Earth undergoing rapid environmental

change students and the general public alike should be knowledgeable about the world's geographic features. This authoritative two-volume reference enables readers to do just that. It describes continents and oceans, individual mountains, islands, caves, and rivers, and ecological entities such as wildlife refuges and national parks. Each entry provides a geographic overview of the feature's significance, location, description, geologic history, biota, protected areas, and environmental issues. But the coverage goes even deeper so that entries also discuss the cultural importance of each natural place, covering everything from indigenous beliefs to traditional folklore to contemporary legends. The encyclopedia stands apart from other works not only in the depth of its coverage but also in its range. It discusses lesser-known as well as prominent geographical features and offers critical thinking aids that will help students see how the natural world relates to their daily lives. Teaching and learning tools include an appendix called *Opposing Viewpoints* that allows students to understand landforms involved in current conflicts and disputes as well as an *Activities Discussion Questions* appendix.

As many places around the world confront issues of globalization, migration, and postcoloniality, travel writing has become a serious genre of study reflecting some of the greatest concerns of our time. Encompassing forms as diverse as field journals, investigative reports, guidebooks, memoirs, comic sketches, and lyrical reveries, travel writing is now a crucial focus for discussion across many subjects within the humanities and social sciences. An ideal starting point for beginners but also offering new perspectives for those familiar with the field, *The Routledge Companion to Travel Writing* examines key debates within the field, including postcolonial studies, gender, sexuality, and visual culture. Historical and cultural contexts tracing the evolution of travel writing across time and over cultures. Different styles, modes, and themes of travel writing from pilgrimage to tourism. Imagined geographies and the relationship between travel writing and the social, ideological, and occasionally fictional constructs through which we view the different regions of the world. Covering all of the major topics and debates, this is an essential overview of the field which will also encourage new and exciting directions for study.
