Kittystomper,2023-01-25 The world has forgotten metal And am going to bring it back I m the last cowboy from hell and am on my way to find the metal A long journey through hellspace the likes of your wildest pornos could only imagine A cowboy on a quest to find a posse to save the souls of all our rock legends from the pits oh hell and to mosh in the pits of hell Evil weed farmers from hell twerking with the devil in the pale moon light and whisky lots of whisky Even some cute dead kittens and some more fucked up shit enjoy the ride      **Home Below Hell's Canyon** Grace Jordan,1954-01-01 During the

depression days of the early 1930s the Jordan family Len Jordan later governor of Idaho and a United States senator his wife Grace and their three small children moved to an Idaho sheep ranch in the Snake River gorge just below Hell s Canyon deepest scratch on the face of North America Cut off from the world for months at a time the Jordans became virtually self sufficient Short of cash but long on courage they raised and preserved their food made their own soap and educated their children Sterling North New York World Telegram Home Below Hell s Canyon is valuable because it writes a little known way of life into the national chronicle We are put in touch with the kind of people who set the country on its feet and in the generations since have kept it there Primarily it is a book of courage and effort tempered by the warmth of those who trust in goodness and practice it Christian Science Monitor The thrilling story of a modern pioneer family An intensely human account filled with fun courage and rich family life Seattle Post Intelligencer      **Power** ,1922      *Inside The Great Gatsby*

A.E. Elmore,2025-02-15 Inside The Great Gatsby The Hidden Subtext is a revolutionary analysis of the famed novel that reveals its important previously unknown literary foundations drawn from classical and modern literature including the works of Dante Milton Conrad Spengler Frazer Weston Joyce Eliot and the King James Bible Other studies of the novel have focused primarily on its biographical cultural or social issues but none prior to Elmore s have systematically examined the unrecognized debts Gatsby owes to previous literary works The ultimate irony is that Gatsby lauded as one of the greatest novels in the English language earned its stature based solely on recognition of only a part of its whole the literal narrative or surface story without realization or acknowledgment of its foundational subtext the hidden layer that links it to the universal library of human experience most of which remained undetected until the centennial year of the novel s original publication

*Hell's Folly* William Moody,2003 HELL S FOLLY this is my story There will be many old soldiers that will remember the

incidents differently than I do There will be many Military Historians that will disagree with me in accordance to OFFICIAL RECORDS including the Government of the United States Archives This is unfortunately what happens in any war It is the nature of the beast

PART ONE The story begins in Camp Howze outside of Gainesville Texas circa July 1944 Private Moody had just been Court Martialed for Sleeping on Guard in a Mustard Gas Training Area adjacent to Camp Howze Because it was so late in the day when Private Moody was released to the Provost Marshal he was allowed to sleep in the troop area for that one night so the proper paper work could be processed early the next morning Six months confinement at hard labor forfeiture of 2 3rds of the soldier s monthly pay for six months and reduction to Private from Private First Class were the exact words the President of the court droned Little did I realize how much it would change my life and my outlook on life itself In the Post Stockade Moody schemed with his cellmate to escape to Canada but when the 103rd Infantry Division was alerted for the European Theatre he was offered the option of freedom and combat or escape and being hunted for the rest of his life he chose the former and was released the next day Out of the Stockade it was pack this pack that throw that away you won t need it where we re going by his platoon sergeant Sergeant Denny We were soon headed to New York on a train where Moody played poker for four straight days and nights and won nearly seven thousand dollars He went from a poverty stricken prisoner to a rich free soldier In New York he began to make errors in judgment mostly caused by money a need for sex before going to Europe and just plain youthful stupidity regarding Army regulations Further in the book Acting Corporal Hell had many feelings that he had never intimated in our days back in Camp Howze Texas We were good friends but we never discussed the fact that he was German or what that might mean to him or to me for that matter When we started south toward Austria I thought the trip would be a lark some fun times maybe a German girl or two But there was something different in Clarence Hell s mind Dachau To me Dachau meant nothing at that time It was just a German word that I didn t understand But to millions of Europeans and German immigrants in the United States it was synonyms for Death Torture and Human Misery The first night we tried to get an hour or two of sleep along side of the Autobahn hidden by some brush but it was miserable The second day out we headed west That in itself meant nothing to me It was the first day of May 1945 and Hell had directed the Jeep driver straight into Dachau Germany I was flabbergasted I couldn t believe what I was seeing Hell had no authority to do this He was in direct disobedience of orders We rode around the compound for around 30 minutes finding nothing No German Guards no prisoners It was as if the whole garrison had packed up and migrated somewhere I was just breathing a sigh of relief when the Jeep driver Private Feinartz spotted prisoners in one of the outer compounds Hell ordered Feinartz to stop We dismounted the jeep and walked toward the gate The situation was spooky and smelly The inmates looked like Ghosts in striped pajamas We were 50 feet away from them but they stunk to the high heavens and they started toward us Unfortunately Hell had already used his grease gun to shoot the chain off the wrought iron gate We were about to be hugged and kissed by these poor pitiful people
