Neon Metropolis Hal Rothman, 2015-10-15 Praise for the Previous Edition 0 415 92612 2 lively and provocative this book will teach you something startling on nearly every page The New York Times Book Review Like the Emerald City Las Vegas glitters brightly in the vast Nevada desert a haven for refugees from ordinary America A hip iconic playground that exports nothing it nonetheless earns billions from consumer services alone gambling hotels gaming and entertainment It is historian Hal Rothman argues the quintessential city of the future As other cities try to mirror its success and huge respectable corporations like Coca Cola invest in a piece of the pie the very traits that have ostracized Las Vegas in the past hedonism money worship and permissiveness have today made it America's fastest growing urban center From the gambling driven mob run Sin City of the 1940s to the corporatization of the Strip as a respectable family entertainment center after the 1970s Las Vegas has shown incredible economic resilience and adaptability The first full account of America's new dream capital Neon Metropolis brilliantly shows how Las Vegas gambled on the post industrial service economy well before the rest of the country knew it was coming and won *Casino Women* Susan Chandler, Jill B. Jones, 2011-07-28 Based on extended interviews with maids cocktail waitresses cooks laundry workers dealers pit bosses and vice presidents Casino Women is a pioneering look at the female face of corporate gaming *Congressional Record* United States. Congress, 1978 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Grit Beneath the Glitter** Hal Rothman, Mike Davis, 2002-03-15 The Grit Beneath the Glitter is the first real look at the new Las Vegas from the inside In it long time residents as well as professionals reflect on the transformation of one of the fastest growing and most famous cities on earth yet one about which relatively little is known They offer a lively and compelling portrait of the other side of Las Vegas the people and institutions that support the glitter of the gaming and entertainment industry Examining a range of topics from the city's commercial history labor conditions and environmental problems to an analysis of the famous lights of the Strip the contributors uncover the contradictions between the illusion and the reality of the city the seam between fantasy and the life it masks The essays in this collection explore the world that employees experience when they enter gaming palaces from an employee entrance in a back parking lot rather than through the scripted doors of casino hotel palaces They take readers into the neighborhoods where 1 4 million Americans now live attend school eat dinner and go to work **Court Decisions Relating to the National Labor Relations Act** United States. National Labor Relations Board, 1972 *Labor's Troubadour* Joe Glazer, 2002 For more than half a century armed only with his guitar reams of songs and conviction Glazer has marshaled the power of music to fight for union representation in mills mines factories and offices all over the country

This title traces the life and work of labor balladeer Joe Glazer **The Fortnightly Review**, 1897 **"The Cripple Creek Strike of 1893"** Benjamin McKie Rastall, 1905 *Federal Legislation to End Strikes: A Documentary History* United States. Congress. Senate. Labor and Public Welfare, 1967 An African American and Latinx History of the United States Paul Ortiz, 2018-01-30 An intersectional history of the shared struggle for African American and Latinx civil rights Spanning more than two hundred years An African American and Latinx History of the United States is a revolutionary politically charged narrative history arguing that the Global South was crucial to the development of America as we know it Scholar and activist Paul Ortiz challenges the notion of westward progress as exalted by widely taught formulations like manifest destiny and Jacksonian democracy and shows how placing African American Latinx and Indigenous voices unapologetically front and center transforms US history into one of the working class organizing against imperialism Drawing on rich narratives and primary source documents Ortiz links racial segregation in the Southwest and the rise and violent fall of a powerful tradition of Mexican labor organizing in the twentieth century to May 1 2006 known as International Workers Day when migrant laborers Chicana os Afrocubanos and immigrants from every continent on earth united in resistance on the first Day Without Immigrants As African American civil rights activists fought Jim Crow laws and Mexican labor organizers warred against the suffocating grip of capitalism Black and Spanish language newspapers abolitionists and Latin American revolutionaries coalesced around movements built between people from the United States and people from Central America and the Caribbean In stark contrast to the resurgence of America First rhetoric Black and Latinx intellectuals and organizers today have historically urged the United States to build bridges of solidarity with the nations of the Americas Incisive and timely this bottom up history told from the interconnected vantage points of Latinx and African Americans reveals the radically different ways that people of the diaspora have addressed issues still plaguing the United States today and it offers a way forward in the continued struggle for universal civil rights 2018 Winner of the PEN Oakland Josephine Miles Literary Award

Beaten Down, Worked Up Steven Greenhouse, 2019-08-06 A page turning book that spans a century of worker strikes Engrossing character driven panoramic The New York Times Book Review We live in an era of soaring corporate profits and anemic wage gains one in which low paid jobs and blighted blue collar communities have become a common feature of our nation s landscape Behind these trends lies a little discussed problem the decades long decline in worker power Award winning journalist and author Steven Greenhouse guides us through the key episodes and trends in history that are essential to understanding some of our nation s most pressing problems including increased income inequality declining social mobility and the concentration of political power in the hands of the wealthy few He exposes the modern labor landscape with the stories of dozens of American workers from GM employees to Uber drivers to underpaid schoolteachers Their fight to take power back is crucial for America s future and Greenhouse proposes concrete feasible ways in which workers collective power can be and is being rekindled and reimagined in the twenty first century Beaten Down Worked Up is a
