**Children's Bibles in America** Russell W. Dalton,2015-11-19 Children s Bibles have been among the most popular and influential types of religious publications in the United States providing many Americans with their first formative experiences of the Bible and its stories In Children s Bibles in America Russell W Dalton explores the variety of ways in which children s Bibles have adapted illustrated and retold Bible stories for children throughout U S history This reception history of the story of Noah as it appears in children s Bibles provides striking examples of the multivalence and malleability of biblical texts and offers intriguing snapshots of American culture and American religion in their most basic forms Dalton

demonstrates the ways in which children's Bibles reflect and reveal America's diverse and changing beliefs about God, childhood morality, and what must be passed on to the next generation. Dalton uses the popular story of Noah's ark as a case study exploring how it has been adapted and appropriated to serve in a variety of social agendas. Throughout America's history, the image of God in children's Bible adaptations of the story of Noah has ranged from that of a powerful angry God who might destroy children at any time to that of a friendly God who will always keep children safe. At the same time, Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking. Dalton explores these uses of the story of Noah and more as he engages the fields of biblical studies, the history of religion in America, religious education, childhood studies, and children's literature.

Times Before Time David Kiker, 2018-08-20. The truth of history when finally recovered is more fascinating than any tale of fiction could ever be. This treatise of history will enrich and enliven your understanding of your origin and the events that shaped and formed the world in which you live. When the account in the Bible is applied to Jewish tradition, the record preserved by Josephus and other ancient historians, and the ancient Greek traditions called myths, much can be learned about the pre-flood world which heretofore has been considered lost to human knowledge. Here, within it, is proven that history of ancient times and history contained in the Bible can be beautifully harmonized. The Bible is not a history textbook. It is a guidebook. Without it, nothing important in ancient history can be rightly understood. But this does not mean all history is recorded in the Bible. Scripture is the starting point of study. It opens up solutions to secular records that could not otherwise be understood. This exposition begins at creation and concludes at the time when Joseph, Job, and the Israelites are all living in Egypt, at a fabulous period in biblical history. The intelligence that created is outside the creation and thus is not affected by time, space, and matter. A spirit being is not composed of matter. You have to have space and matter for time to exist. You have to have matter for there to be space and time. Without matter and time, you would not have space. This continuum had to come together simultaneously as a result of intelligent design.

Tozer, 2009-06-01

*Jesus, Author of Our Faith* is a book centered on Jesus and based on sermons Tozer preached from the final chapters of the letter to the Hebrews. The author's intention from chapter to chapter is to underscore the necessity of an active abiding faith in Jesus Christ; only in that way can we please God. This book is a companion volume to *Jesus Our Man in Glory*, which is based on the earlier chapters of Hebrews. Together, the two books examine most of the important emphases in that significant Letter. They do so in Tozer's inimitable style and with his incisive expression.      **God the Creator** Miller, Denise R., 2020-06-29

Except the strongest tie to his humanity continues to haunt him: a vulnerability that could cost him everything. With the fate of their worlds at stake, Cami and Xander must decide if staying apart will save them or destroy them both.      **The Testimony of Jesus** Witness Lee, 2005-12

The local church, the church in each locality, is the testimony of Jesus today. The testimony of Jesus is the practical church, not the church in the air or the church to come. A church yet to come cannot show Jesus to people, and a church in the heavens may show Jesus to the angels, but it cannot show Jesus to people on the earth. Therefore, we need to consider whether we truly bear the image of Jesus. If we show someone an unclear picture of a person, it will not be a proper testimony of him with his image and appearance. We may see something in the picture, but it will not be the person we claim to show. The church in our locality must bear the image, expression, appearance, and virtues of Christ.      Happy Families Beth Mosley, 2024-07-02
