**Models and Methods for Youth and Young Adult Ministry** Arthur David Canales, 2018-05-25 Models and Methods for Youth and Young Adult Ministry is a rare book on young adult and youth ministry in that it weaves sound theology and solid pastoral practice. It invites pastoral practitioners, scholars in the field, and university ministry students to envision various models and methods for doing youth and young adult ministry in a collaborative and ecumenical way. Through rich concrete examples and strategies, the reader will grasp the significance of each model and the various methods to integrate and implement these robust approaches. The result is this book will empower readers toward a more meaningful understanding of youth and young adult ministry which will in turn engage the young church of Christ. *Following Zwingli* Mr Luca Baschera, Professor Bruce Gordon, Mr Christian Moser, 2014-05-28 During the sixteenth century reform movement, Zwingli and his humanist colleagues in Zurich sought biblical, historical, literary, and political models to shape and defend their radical reforms. This book explores history, scholarship, and memory and examines the immediacy of antiquity, early Christianity, and the Middle Ages for the Zurich reformers after Zwingli's death. The interplay of past ideals with the pressing demands of a sixteenth century reform movement tells us a great deal not only about Zwinglianism but also about locality, history, and religious change in the European Reformation. Finding God Young Adults NIV New Testament International Bible Society, 2008-02-22 The New International Version of the New Testament is accompanied by 53 in-text notes to help guide your spiritual journey into God's word, a 32-page Q & A section that addresses some of life's tough issues, and daily reading plans for further study. **Young Adult Faith** Nancy Marrocco, 1997 The older teens in your parish want a youth ministry program that exposes them to relevant, real-world topics in an active, engaging way. Horizons is an innovative, comprehensive approach to religious education. Its foundation is teacher-led, creative learning strategies that give students ample opportunities for discussion, reflection, and fun. Designed for grades 9-12, Horizons utilizes a module system so that you can combine courses and topics to meet the specific needs of your parish. Seven core courses set the stage for discussing central and foundational themes. Then choose from a wide selection of age-appropriate minicourses to round out your curriculum and craft summer courses, retreats, and youth group activities. The Youth Ministry Strategies component features more than 65 creative youth activities to complement the Horizons curriculum. And on top of all that, Horizons includes outstanding training resources. You'll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere. *Follow God and Not Man* Terrace Settles, 2013-01-11 This book is about standing on the Word of God and building a relationship with God and not with man. This book should teach you to respect the calling of a shepherd of God but not to worship that shepherd. You need to order your steps by God and not man. We all should respect the Shepherd of God and want the very best for them, but we should not worship them as gods. Love God first, and the rest will follow.
