Maness, 2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is God's gift to us in our Imago Dei the image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I don't think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theism's avoidance of Love And he exposes some foul play in the process That's the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at www.PreciousHeart.net **Straight Answers to 35 Tough Questions** Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That's one reason we're not

only to confront knotty questions but willingly accept God's unraveling answers **Still More Hot Illustrations for Youth Talks** Wayne Rice, 2010-08-10 A captivating skillfully chosen illustration communicates more is remembered longer and has greater impact than thousands of words that offer abstract truth but tell no story Jesus knew the value of story He consistently sprinkled his talks with parables stories and illustrations to drive home the point He was making In the best selling tradition of Hot Illustrations for Youth Talks and More Hot Illustrations for Youth Talks comes a third volume of lively effective illustrations stories parables and anecdotes compiled by veteran youth worker Wayne Rice Some will make listeners laugh some will make them cry and all of them will make kids think This all new collection of illustrations comes from the personal files of many of today's most popular youth speakers Guaranteed teenager friendly Still More Hot Illustrations for Youth Talks will give a youth minister fresh ways to help kids understand and apply important truths for their lives **The Hijacking of Jesus** Dan Wakefield, 2009-04-29 Christianity in America has become almost synonymous with right wing fanaticism conservative politics and courtousy of Mel Gibson a brutally sadistic version of the religious experience Millions of devout Christians like Dan Wakefield are appalled by this distortion of their faith which only three decades ago stood for peace equality healing and compassion for society's outcasts the issues that made up the Ministry of Jesus How did it come to pass that the Jesus of the New Testament the Jesus who preached the Sermon on the Mount has in effect been hijacked by right wingers and the Republican Party How is it that mainline Christian denominations and leadership both Catholic and Protestant have remained remarkably silent on the issues of the war in Iraq the civil rights erosion of the Patriot Act the growth of poverty and the fact of over 40 million people without health insurance The Hijacking of Jesus tells the whole sorry tale from the Goldwater campaign of 1964 to George Bush's stunning re-election in 2004 Starting Right Kenda Creasy Dean, Chap Clark, Dave Rahn, 2010-05-11 Starting Right Thinking Theologically About Youth Ministry is the first academic textbook that introduces youth ministry students whether undergraduate or graduate level to a marriage of solid research real life and accessible design Whereas most college level texts may reflect a thorough though impenetrable mastery of the field they tend to expect readers to plow through unnecessarily thick prose and bland design because it's good for them Youth Specialties doesn't agree In this debut title to a continuing academic book line college and seminary students will be introduced to real life research real life youth ministry dilemmas and real life solutions Contributing writers represent a spectrum of Christian Education thought and practice as well as widespread recognition in their field transdenominational yet the perfect background to ministry in any denomination or ministry organization This text includes thorough indexes design and graphics that compel readers from page to page now that's a first for a college text organization that permits professors to use any part of the text in any order rather than plod through the entire book from beginning to end a perfect primary text that gives students a rich academic and readable though not popular grasp of every aspect of youth ministry a typical Intro course touches while also serving as an ideal secondary text **Rescuing God from Christianity** Sven E.

The Honest to God Church Doug Bixby,2007-06-27 Doug Bixby knows that many of us have had enough of the liberal vs conservative battles in the church In The Honest to God Church Bixby demonstrates how these extremes have distracted us from our true calling as conduits for God's grace both individually and as congregations Many churches see themselves as okay while everyone outside the church is not okay These churches embrace an ethic of perfection rather than love Often they are very judgmental and rigid little room exists for grace after a person is converted Legalism rather than love becomes the primary defining characteristic people pretend to be perfect even though they are not In reaction to this approach many churches have replaced judgmentalism with an ethic of tolerance But

tolerating someone is not the same thing as loving them Tolerance demands only that we give people space Love is deeper and more significant and demands that we enter into their space Besides if on our own we are okay then why do we need God and one another Bixby recommends we embrace the teaching of Martin Luther that we all are saints and sinners simultaneously Churches that do this raise disciples who readily admit their sin and brokenness and see God's grace as the only means for straightening out their lives Bixby encourages all congregations to live this way authentically and transparently so that we do not have to pretend that we are okay when we are not Bixby challenges us to respond to Jesus's call to come as we are not as we think we ought to be

Grace and the Great Controversy Gordon Kainer, 2010-07-07 The author reveals how grace is the heart of the gospel a liberating life giving and comforting melody throughout the Bible Grace is our certainty of eternal life and God's all encompassing acceptance Without grace our religious beliefs are bad news thus this book's advice Grace never leave home without it Learn how God's grace is absolute and all inclusive something we never deserve or earn Grace offers the most refreshing peace we will ever know Grace is the solution to every problem and menacing crisis threatening our planet Rightly understood grace points exclusively and continuously to Jesus Then why is God's gift of grace so controversial or even difficult for Christians to accept Could it be because grace is totally unbelievable unexpected and undeserved Is this why legalism the enemy of grace is so common and hard to recognize in ourselves Grappling with these questions the author reveals how from Eden to our day cradled at the very heart of the great controversy is grace

Pilgrim Tony Campolo, Steve Rabey, 2025-02-25 Follow the faith journey of Tony Campolo one of the most influential figures in modern evangelical Christianity Millions of Christians know Tony Campolo as a popular speaker bestselling author parachurch leader pastor and counselor to a US president But few know his personal faith journey how throughout his life existential encounters and unexplored ideas compelled him to continually reexamine and reform his theology As a child Campolo saw how his parents and the various churches he attended embraced different approaches to faith Growing up he wrestled with questions about racism worldliness and faith and science He would go on to write and speak about war and peace feminism capitalism religion and politics nationalism homosexuality and the religious right *Pilgrim A Theological Memoir* traces the evolution of Campolo's theology as he matured as a believer scholar and evangelical leader who continually sought to engage thoughtfully with the sociocultural challenges of his time and to encourage fellow believers to do the same

What God Knows Harry Lee Poe, J. Stanley Mattson, 2005 When Einstein destroyed the old view of the universe he destroyed the old notion of time with it His new theory explained that time is a dimension of the physical cosmos like space and like space it is relative This collection of essays by theologians physicists and philosophers explores the theoretical aspects of the problem of time and its implications for faith and the understanding of God

The Amazing Law of Influence Duncan, King, 2010-09-23 You have heard about it in Pay It Forward you've heard about it in Six Degrees of Separation but no single author has given as much consideration to the laws of influence as King Duncan does here This

reader friendly book looks at chaos theory how small changes can trigger monumental transformations The example of this theory most often cited is that of Edward Lorenz who discovered in the 1960s that the tiniest movement in the air in one part of the world can produce dramatic changes in weather patterns months later in another part of the world Thus a butterfly flapping its wings in Malibu might set into motion a series of events that could produce a monsoon months later in Malaysia The Law of Influence states that one life touches another and potentially both lives are changed through this change potentially the entire world is changed Even chance events a smile a word spoken at just the right moment or even people like John Howard who helped a young English journalist return home The young journalist was Winston Churchill and the rest is history More important than explaining what the law of influence is this book explains how individuals can use it to create a life worth living and to share the lessons to create families and communities that work together for the greater good Together people aware of and involved with their own influence on others have the potential to make amazing things happen King Duncan is a professional speaker and author of two other books *Amazing Grace* *Humor to Heal Mind Soul and Body* and *The One Minute Motivator* In 1993 he was the national winner of the International Platform Association's prestigious Speaker's Ladder Award He lives in Knoxville Tennessee where he owns and manages his communications company Seven Worlds Corporation

Inclusive Christianity Richard Scott Thornton, 2008-12-02 Jesus was inclusive forgiving and compassionate It is unfortunate that many within the Christian community have distorted Jesus message leading to a version of faith that is divisive judgmental and intolerant Parameters are set that define people as worthy or unworthy saved or unsaved In bringing God's radical grace and love into the world Jesus rebelled against any religious or social conventions that placed people into acceptable and unacceptable categories Inclusive Christianity reclaims the authentic voice of Jesus unclouded by the prejudices placed upon him by others This compelling and progressive look at faith embraces a life modeled and taught by Jesus a path that will transform you into the person God intended

The Competitive Mind Gordon Kainer, 2012-02-24 Do you have questions about competition Is anything wrong in having a competitive mind Why is competition like competitive sports so controversial Is competition only about success or failure What's the difference between being competitive and engaging in competition If you'd like to explore answers this book is for you Competition is something we take for granted like the ground we walk on the air we breathe and the food we eat While ground air and food are essential can the same be said of competition Can we trust that competition's advocates know its pros and cons Since competition touches everything isn't it an acceptable part of life Maybe it's time to challenge these assumptions Would you be surprised to learn that competition is a common Bible topic Incidents of competition are generously scattered throughout the Bible If you desire a sound authentic perspective on competition one that zeroes in on its origin nature and effects this book is your guide

John Gary M. Burge, 2009-08-22 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context The Gospel of John tells us the story that is the foundation of the distinctive

teaching of Christianity It provides all the elements necessary to see the full picture of the person and work of Jesus a human Christ to redeem us a divine Christ to reveal God s nature and a powerful Spirit filled Christ to help us lead holy lives This commentary unveils in today s terminology the deeply satisfying portrait of Christ painted in the Gospel of John To bring the ancient messages of the Bible into today s context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

Speaking My Mind Tony Campolo, 2005-03-30 Fifteen years ago Tony Campolo s 20 Hot Potatoes That Christians Are Afraid to Touch pushed pulled and prodded Christians into serious consideration of controversial but critical issues related to the Christian life Campolo challenged his more than 150 000 readers to re think their convictions and prejudices and to do something about them Dubbed by Christianity Today as the positive prophet and a ferocious critic of Christians left and right Campolo lives up to his reputation in this latest book examining some of today s toughest questions and issues Is evangelical Christianity anti feminist Is our affluent lifestyle at odds with our faith Is America really in moral decline Is Islam really an evil religion Should Christian parents pull their kids out of public schools Was the war with Iraq a just war Speaking My Mind Tony Campolo at his best
