Leather to the Corinthians Tom Lucas, 2012 Leather to the Corinthians is an absurd postmodern fable that defiantly flips a middle finger at modern American life Through the perspectives of its multiple characters it explores the absurdities of organized religion the military big business fast food advertising sex and the media Witty with bitter undertones its story possesses a satirical spirit as it plays with traditional story structure phrasing and cultural references Its multiple layers encourage return visits as its characters have many more unique tales to tell

**Your Food Is Fooling You** David A. Kessler, 2012-12-24 Teen edition of the New York Times bestseller The End of Overeating Former commissioner of the US Food and Drug Administration David A Kessler M D argues

forcefully that our brain chemistry is being hijacked by the food we eat that by consuming stimulating combinations of sugar fat and salt we re conditioning our bodies to crave more sugar fat and salt and consigning ourselves to a vicious cycle of overeating Adapted from the adult trade bestseller *The End of Overeating Your Food Is Fooling You* is concise and direct and delivers the same message many of the fascinating case studies and the same advice for breaking bad eating habits in a voice and format that s accessible positive and affirming for teenagers Young people are at most risk of forming bad eating habits but they re also highly aware of body image and highly responsive to positive messages about health and diet *Your Food Is Fooling You* is a readable authoritative and entertaining call to action by one of our nation s leading public health figures

**Formative Research in Social Marketing** Krzysztof Kubacki, Sharyn Rundle-Thiele, 2016-10-07 This book brings together the state of the art and current debates in the field of formative research and examines many of the innovative methods largely overlooked in the available literature This book will help social marketing to move beyond surveys and focus groups The book addresses the needs of social marketing academics and practitioners alike by providing a robust and critical academic discussion of cutting edge research methods while demonstrating at the same time how each respective method can help us arrive at a deeper understanding of the issues that social marketing interventions are seeking to remedy Each chapter includes a scholarly discussion of key formative research methods a list of relevant internet resources and three key readings for those interested in extending their understanding of the method Most chapters also feature a short case study demonstrating how the methods are used

**Reading Programs for Young Adults** Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as *Cartoon Cavalcade* *Log On at the Library* *Go in Style* *Cruising the Mall* *Space Shots* *Teens on TV* and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs

*Environmentalism Unbound* Robert Gottlieb, 2002-08-02 A call for a broadened environmental movement that addresses issues of everyday life In *Environmentalism Unbound* Robert Gottlieb proposes a new strategy for social and environmental change that involves reframing and linking the movements for environmental justice and pollution prevention According to Gottlieb the environmental movement's narrow conception of environment has isolated it from vital issues of everyday life such as workplace safety healthy communities and food security that are often viewed separately as industrial community or agricultural concerns This fragmented approach prevents an awareness of how these issues are also environmental issues After tracing a history of environmental perspectives on land and resources city and countryside and work and industry Gottlieb focuses on three compelling examples of this new approach to social and environmental change The first involves a small industry dry cleaning and the debate over pollution prevention approaches the second involves a set of products janitorial cleaning supplies that may be hazardous to workers and the third explores the obstacles and opportunities presented by community or regional approaches to food supply in the face of an increasingly globalized food system
