Skill

Passing a Football

Passing involves kicking the ball, so a trademark, using your foot.

Technique

- 1 Place your non-kicking foot alongside the ball as you perform the kick.
- 2 Swing your other leg forward and use the inside of the foot to kick the ball for accuracy.
- 3 The rest of your body should be facing the person you are passing to.
- 4 Keep your eyes on the ball.
- 5 Put out your arms to help you balance.

Skills Practice

- Practice passing and receiving a football against a wall. The harder you kick the ball, the quicker it will rebound and come back to you.
- Practice passing and receiving a football with a partner. Stand approximately four metres apart and count how many passes you can complete between you in 20 seconds.
