**From the Mind of God to the Mind of Man** James B. Williams, 2014-06-04 The current controversy over the Bible's text and translations is creating confusing division within the ranks of Fundamentalism A mass of misinformation fuels the debate Scores of men realize the enormous errors being popularized but hesitate to engender further debate by speaking out The confusion however is now so pervasive within Fundamentalism that the true biblical and historical facts on the text transmission and translations of Scripture must be restated in layman's terms These facts argue eloquently for the unity not the division of God's people on these issues

Hanging by a Thread Richard N. Skousen, 2016-03-07 The Tyranny of the Trinity P.R. Lackey, 2008-07-29 For 1700 years the Trinity has been considered the cornerstone of Christianity by all mainstream churches But the Bible's words for God appearing thousands of times never mean a triune God The concept of the Trinity has been taught to churchgoers based solely on implication and inference The truth is the Scriptures don't support the doctrine of the Trinity but it has been indoctrinated into the minds of otherwise intelligent and well educated Christians and perpetuated as a mystery not meant to be understood The majority of Christians have not bothered to investigate the doctrine for themselves and consequently have been duped Ms Lackey suggests that far too many Christians attend church with the attitude Tell me pastor what do I believe today Ms Lackey expressed her resentment at being accused of being a heretic not being a Christian and being condemned to hell because of her strong belief in the human Jesus the Messiah and Son of God as opposed to being the one Almighty God Her strong conviction led her to collaborate with biblical Unitarian authors to create a book that challenges the centuries old man made doctrines of the Trinity the mainstay of ecclesiastical tradition Ms Lackey sees the Trinity as blight on the true Christianity taught by Jesus Christ for the benefit of humanity and feels Trinitarian Christians have traded Hebrew theology for Geek mythology with barely a question asked She further contends that the majority of Christians believe in the Trinity primarily because they are expected to Not to accept this dogma would place them under condemnation from both their brethren and the clergy

Ms Lackey invites churchgoers everywhere to consider that they may have been drawn into a thinly veiled polytheism a belief in more than one God She adamantly contends that Christians must take more responsibility for their beliefs and stop settling for centuries old creeds and doctrines as scriptural truth The cover illustration depicts the agony experienced by Michael Servetus a brilliant Spanish physician and theologian who as one of the first Protestants to challenge the Trinity was slowly burned at the stake in 1553 his book fastened to his thigh at the instigation of the Protestant reformer John Calvin

McFaul, 2011-10 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that the earth's diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent
