3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Rickerby's Folly Tom Gallon,1905 **Allan's Illustrated Edition of Tyneside Songs and Readings** ,1891 *Love and Remembrance* Frank A. Domínguez,2021-12-14 Jorge Manrique was the greatest poet of fifteenth century Castile and one of the three or four greatest in Spanish literature Frank A Dom nguez offers here an introduction to Manrique s poetry and the first book length study of him in English in fifty years After presenting the biographical and historical context of Manrique s poetry Dom nguez examines the poet s love lyrics describing the large fund of commonplaces and forms that Manrique s verses share with those of other poets of his age Manrique s highly stylized language and parallel verse structures express the obsession of the lover with the beloved Moreover his attention to parallel construe the world s greatest In treating the Coplas Dom nguez not only offers a sensitive reading of the elegy but also examines questions of text structure and style Like the love lyrics the Coplas present a high incidence of parallel structures that make for clarity and symmetry Dom nguez also finds that the complex stylistic relationships of the verses provide the Coplas with a unity that is deeper and more fundamental than has generally been perceived This study eclectic in its critical approaches will be the standard English work on Manrique for years to come **The Christian Pioneer** ,1744 **Urgent Questions** John Cumming,1855
