and six Muslim scholars takes responsibility to examine their traditions understandings of the stranger the other and to identify ways that can bridge divisions and create greater harmony **All Hands** ,1987 **A Stranger's Wife** Paige Phillips,2011-07-15 HUSBAND Jake Chastain handsome rich sinfully seductive Perfect husband material and in his absence Meg Lindley was hired to act as his wife Jake was never supposed to know LOVER But suddenly he was there kissing his wife with passion that seared straight to Meg s heart Sweeping her away into hiding and demanding answers she didn t have STRANGER Meg was a double a last minute substitute for a woman who had vanished Even as she fell in love with Jake she suspected someone was trying to kill him Meg had to tell Jake the truth and convince him to trust a stranger **Lust for Love** Pamela Anderson,Shmuley Boteach,2018-04-24 An unlikely pair of voices the world s most recognizable beauty icon and America s rabbi comes together to diagnose how meaningful passionate sex is on the decline in Western culture and what is necessary to save it Sex is dying in America Inundated with sex and starved for it obsessed with it yet clueless about it we are slowly forgetting how to make love The crisis of modern sexuality is seen in high divorce rates in the degradation of sexuality through pornography and tasteless displays of empty counterfeit erotica Most of all it s seen in sexless marriages and platonic relationships where cybersex has become more addictive than the real thing Sex has become so trivialized coarsened and vulgarized that couples no longer feel its pull The once powerful and irresistible magnetism of sex is being diluted and drained The authors propose replacing the 1960s sexual revolution with a new sensual revolution a rediscovery of intimacy that encourages and ennobles human relationships elevates healthy lust and gets us from looking up from the glowing screens of our smartphones to the people around us most especially the people we love the most Lust for Love embraces the idea that what our most important relationships need most is lust It is necessary to rediscover what s sexy again how to bring back romance and to understand that in addition to love we need lust to repair our unfulfilling sex lives and broken relationships Lust for Love proposes a return to what lovemaking was always meant to be a desire to know and experience another person in the deepest possible way *The Stranger's Touch* Donald E. Mackay,2014-01-20 This book has been called short story fiction literature The stories cover a wide range of genres It contains a bit of soft science fiction easy philosophy and several intense love stories If the question should come up in conversation as to why one should not tempt the Creator this story The Stranger s Touch will offer a very good reason why you should avoid that action like the black plague This love story A Desert Blooms proves love can bloom anywhere even in the middle of a war zone This next story is about an engagement ring found on a country road and it opens a story about one man who died in war and one man who lived and the woman who lost the ring The two men were on the same bomber that was shot down over France Another story offers the horror for a man who was convicted of murder and sent to prison for life he s innocent but he cannot prove it and he decides to escape A reporter tells this story with a good deal of empathy It was a heart rending tale of sorrow and frustration The Creator moves in all these stories **Love and Politics** Jeffery L. Nicholas,2021-06-07 In Love and Politics

Jeffery L Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre s Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle s metaphysics to defend a philosophical anthropology based on Eros Love and Politics Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre s Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers

The Stranger Arthur Bullard,1920 **Conscience and Love in Making Judicial Decisions** Alexander Nikolaevich Shytov,2013-03-14 THE CONSCIENCE OF JUDGES AND APPLICATION OF LEGAL RULES The book is devoted to the problem of the influence of moral judgements on the result of judicial decision making in the process of application of the established positive law It is the conscience of judges that takes the central place in the research Conscience is understood in the meaning developed in the theory of Thomas Aquinas as the complex capacity of the human being to make moral judgements which represent acts of reason on the question of what is right or wrong in a particular situation The reason why we need a theory of conscience in making judicial decisions lies in the nature of the positive law itself On the one hand there is an intrinsic conflict between the law as the body of rigid rules and the law as an living experience of those who are involved in social relationships This conflict particularly finds its expression in the collision of strict justice and equity The idea of equity does not reject the importance of rules in legal life What is rejected is an idolatrous attitude to the rules when the uniqueness of a human being his well being and happiness are disregarded and sacrificed in order to fulfil the observance of the rules The rules themselves are neither good or bad What makes them good or bad is their application **Civil Disobedience** Tony Milligan,2013-03-28 Civil disobedience is a form of protest with a special standing with regards to the law that sets it apart from political violence Such principled law breaking has been witnessed in recent years over climate change economic strife and the treatment of animals Civil disobedience is examined here in the context of contemporary political activism in the light of classic accounts by Thoreau Tolstoy and Gandhi to call for a broader attitude towards what civil disobedience involves The question of violence is discussed arguing that civil disobedience need only be aspirationally non violent and that although some protests do not clearly constitute law breaking they may render people liable to arrest For example while there may not be violence against persons there may be property damage as seen in raids upon animal laboratories Such forms of militancy raise ethical and legal questions Arguing for a less restrictive theory of civil

disobedience the book will be a valuable resource for anyone studying social movements and issues of political philosophy social justice and global ethics Love Makes Things Happen Jarred Mercer, Jennifer Strawbridge, Peter Groves, 2022-11-30 We can't truly participate in prayer or worship or the sacraments or the reading of Scripture and so on in a way that is divorced from the doctrine of the Trinity or the Incarnation or the Resurrection Following on from its predecessor Love Makes No Sense each chapter in this book deals with central issues of Christian practice and presents an introduction to Christian doctrine without losing focus of the lived Christian life The book sets forth central aspects of Christian living and practice that are the natural expression of those doctrines when they are understood properly as a lived phenomenon
