For Americans Only:

America for Americans Lee Dobry, 2020-02-21 America for Americans is Dobry's attempt to explain some of the basic concepts of America things that the schools are not allowed to teach nowadays Basic things like what is the idea of America What makes this country unique in the history of the world Where does money come from and who decides how much each country gets We hear about everyone's Constitutional Rights but what are they Why would anyone in their right mind want to destroy the Constitution the one document that guarantees our protections against a tyrannical government What is socialism at least today's version of it Can socialism really work long term in America What is the cost of socialism What is the socialist agenda What is the conservative agenda These are things that all Americans need to understand well what we have and what we stand to lose America is at a critical point right now What we do in the 2020 elections will not only determine what kind of life we will have but also what kind of life our children and grandchildren and their children will have and we need to be keenly aware of that Will they live free or will they live as subjects under an all controlling government We need to consider that very carefully because your freedom is like your life once you give it up you won't get it back We all need to be well informed with the truth before we make decisions that will have irreversible consequences for the future generations of Americans We have the right to throw away our own freedoms if we so choose We do not have the right to throw away theirs And it's not just about the 2020 elections It won't end there The fight to keep socialist forces from taking away Americans freedom will go on until either they win or we defeat them There can be no compromise between freedom and slavery It's one or the other There is no middle ground The Outlook Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1923 Potter's American Monthly , 1881 *The Gallup Poll* Alec M. Gallup, Frank Newport, 2010-09-16 This work is the only complete compilation of polls taken by the Gallup Organization the world's most reliable and widely quoted research firm It is an invaluable tool for ascertaining the pulse of American public opinion in a certain year as well as for documenting changing perceptions over time of crucial core issues such as women's rights and health care It is necessary for all social science research More than just a collection of polls The Gallup Poll offers in depth commentary and analysis placing current topics in a readable historical context Survey results are given in a easy to use form Breakdowns by sex age race level of education and other factors enable the reader to grasp major issues quickly **Issues for Debate in Social Policy** CQ Researcher, 2019-08-09 This collection of non partisan reports focuses on 18 hot button social policy issues written by award winning CQ Researcher journalists **Proceedings of ...
