**Karanga Indigenous Religion in Zimbabwe** Tabona Shoko, 2016-04-22 Tabona Shoko contends that religion and healing are intricately intertwined in African religions This book on the religion of the Karanga people of Zimbabwe sheds light on important methodological issues relevant to research in the study of African religions Analysing the traditional Karanga views of the causes of illness and disease mechanisms of diagnosis at their disposal and the methods they use to restore health Shoko discusses the views of a specific African Independent Church of the Apostolic tradition The conclusion Shoko reaches about the central religious concerns of the Karanga people is derived from detailed field research consisting of interviews and participant observation This book testifies that the centrality of health and well being is not only confined to traditional religion but reflects its adaptive potential in new religious systems manifest in the phenomenon of Independent Churches Rather than succumbing to the folly of static generalizations Tabona Shoko offers important insights into a particular society upon which theories can be reassessed adding new dimensions to modern features of the religious scene in Africa **Of Dreams** Gypsy Garcia, 2013-12-01 Dreams

is the ultimate guide to learn how to understand the language of the spiritual realm on your own without a mediator such as a psychic or dream interpreter You will learn how to understand the messages that come in your dreams You will learn technics to help you become fluent in the language of the spiritual realm **Telling Details** Jiwei Xiao, 2022-03-09 What is a detail How is it different from xijie its Chinese counterpart Is reading for the details fundamentally different from reading for the plot Did xijie xiaoshuo the Chinese novel of details give the world its earliest form of modern fiction Inspired by studies of vision and modernity as well as cinema this book gazes out on the larger world through the small aperture of the detail highlighting how concrete literary minutiae become telling as they reveal the dynamics of seeing and hearing the vibrations

of the mind the complexity of the everyday and the imperative to recognize the minute the humble and the hidden In a strain of masterpieces of xijie xiaoshuo such details play a key role in pivoting the novel from didacticism towards a capacious modern form Examining the Chinese detail as both a common idiom and a unique concept and extrapolating it from individual works to the culture at large reveals under explored areas of the Chinese novel its psychological depths its connections with other genres and forms its partaking in Chinese material life and capitalist modernity as well as repressions and difficulties surrounding its reception in national and international contexts With carefully chosen case studies Xiao's book not only exemplifies the value of deep reading in approaching complex works of Chinese fiction as world literature it also throws light on the aesthetics and politics of the unseen which has become central to a humanist tradition that flows across literature cinema and other art forms
