Hippolytus Temporizes Ion:

Hippolytus Temporizes & Ion Hilda Doolittle, 2003 Table of contents The Troubling Play of Gender Maria Stadter Fox, 2001 Although these three modernist writers were not primarily playwrights as expatriates they were interested in the Euripidean theme of women in exile each independently chose to rewrite Euripides Hippolytus a play in which the protagonist is a woman in exile whose speech writing and passion are deeply problematic Each author approaches the Euripidean material in a different way Tsvetaeva focuses on gender in language Yourcenar explores the gendering of a self and H D performs the undoing of gendered oppositions BOOK JACKET *Ghost Words and Invisible Giants* Lheisa Dustin, 2021-06-29 In *Ghost Words and Invisible Giants* Lheisa Dustin engages psychoanalytic theory to describe the language of suffering of iconic modernist authors H D and Djuna Barnes tracing disconnection psychic splitting and virulent thought patterns in creative works that have usually been read as intentionally enigmatic Dustin imbricates Barnes and H D's sense of tenuous psychic boundaries with others parent figures otherworldly and divine beings and ambivalent or malignant love objects in their creative brilliance suggesting that the writers work stage and also help manage their psychic suffering in language in which signifier the sound or image of the word and signified what it means are radically disconnected The cryptic and ineffable styles of these texts thus involve attempts to embody the meanings that cannot be expressed through language Dustin reads two of H D's later works as examples of language that does not differentiate words thoughts and people from one another and instead tries to include everything in its formulations of meaning However H D she argues also seeks an end to this mental proliferation an end that she associates with the hallucinatory return of difference as such In contrast Dustin reads two novels by Barnes as invoking and denying childhood secrets through the use of fetishized words To supplement her psychoanalytic readings Dustin considers the authors familial and romantic histories and their broader social involvements or noninvolvement for instance H D's Occultist practices and psychoanalytic sessions Barnes's fascination with spectacle and her later reclusion rendering a detailed and compelling analysis of the forces at play beneath enigmatic difficult modernist literary works Read in this light the spectral and otherworldly figures and strange patterns of expression appearing in H D's and Barnes's writing and perhaps much of our writing signal the traumatic content that it tries to negate

Queering Modernist Translation Christian Bancroft, 2020-06-02 *Queering Modernist Translation* explores translations by Ezra Pound Langston Hughes and H D through the concept of queering translation As Bancroft argues queering translation is an intersectional lens for gleaning identity and socio cultural issues in translation such as gender sexuality diaspora and race Using theories espoused by Jack Halberstam Jos Esteban Muñoz Elizabeth Grosz Sara Ahmed and Rinaldo Walcott as foundations for his arguments Bancroft demonstrates that queering translation offers more expansive ways of imagining the relationship between translation and the identities cultures and societies that produce them Intervening in new Modernist studies and translation studies *Queering Modernist Translation* furthers contemporary conversations

regarding Modernism and its lasting importance in the twenty first century **H. D. & Bryher** Susan McCabe, 2021-10-15 H D they lived off and on in distant geographies though in near continual contact This book exposes why literary history has occluded this love story of the world wars and poetic modernism **The Air-Conditioned Nightmare** Henry Miller, 2013-08-10 His stories and essays celebrate those rare individuals famous and obscure whose creative resilience and mere existence oppose the mechanization of minds and souls In 1939 after ten years as an expatriate Henry Miller returned to the United States with a keen desire to see what his native land was really like to get to the roots of the American nature and experience He set out on a journey that was to last three years visiting many sections of the country and making friends of all descriptions The Air Conditioned Nightmare is the result of that odyssey One Hundred Poems from the Chinese Kenneth Rexroth, 1956 The lyrical world of Chinese poetry in faithful translations by Kenneth Rexroth *The Wisdom of the Zen Masters* Irmgard Schloegl, 2015-10-14 Unlike most other formal religions the Japanese school of Zen Buddhism has no canonized corpus of sacred literature which will reveal the truth to diligent readers There are however numerous collections of anecdotes and aphorisms that may serve to convey the sensibility which underscores the practice of Zen Drawing on these traditional sources Dr Irmgard Schloegl of the Buddhist Society in London has gathered into one short volume a sampling of stories and sayings that are a valuable introduction to the study of Zen If in every mind burns a flame of the Buddha s Enlightenment Christmas Humphreys writes in his foreword to *The Wisdom of the Zen Masters* there is nothing to seek and nothing to acquire We are enlightened and all the words in the world will not give us what we already have The man of Zen therefore is concerned with one thing only to become aware of what he already is The task of the Japanese Zen master has been to guide his pupils in their awakening The means used vary from severe physical discipline to the proposition of enigmatic riddles or koans but always to the same end Enlightenment experiencing the Great Death of the worldly I **The Wisdom of the Desert** , 1970 *The Wisdom of the Desert* was one of Thomas Merton s favorites among his own books surely because he had hoped to spend his last years as a hermit Laughter in the Dark Vladimir Vladimirovich Nabokov, 1960 Tragedy of a rich and respectable Berlin art dealer and his passion for his young mistress **Nightwood** Djuna Barnes, 2006 The fiery and enigmatic masterpiece one of the greatest novels of the Modernist era **The Wall (Intimacy) and Other Stories** Jean-Paul Sartre, 1969 One of Sartre s greatest existentialist works of fiction The Wall contains the only five short stories he ever wrote Set during the Spanish Civil War the title story crystallizes the famous philosopher s existentialism

The Foreign Legion Clarice Lispector, 1992 A radiant beauty of a writer The Los Angeles Times **27 Wagons Full of Cotton and Other Plays** Tennessee Williams, 2012-12-15 The thirteen one act plays collected in this volume include some of Tennessee Williams s finest and most powerful work They are full of the perception of life as it is and the passion for life as it ought to be which have made *The Glass Menagerie* and *A Streetcar Named Desire* classics of the American theater Only one of these plays *The Purification* is written in verse but in all of them the approach to character is by way of poetic revelation

Whether Williams is writing of derelict roomers in a New Orleans boarding house *The Lady of Larkspur Lotion* or the memories of a venerable traveling salesman *The Last of My Solid Gold Watches* or of delinquent children *This Property is Condemned* his insight into human nature is that of the poet He can compress the basic meaning of life its pathos or its tragedy its bravery or the quality of its love into one small scene or a few moments of dialogue Mr Williams's views on the role of the little theater in American culture are contained in a stimulating essay *Something wild* which serves as an introduction to this collection

Stand Still Like the Hummingbird Henry Miller, 2014-06-10 One of Henry Miller's most luminous statements of his personal philosophy of life *Stand Still Like the Hummingbird* provides a symbolic title for this collection of stories and essays Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print Miller's genius for comedy is at its best in *Money and How It Gets That Way* a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money His deep concern for the role of the artist in society appears in *An Open Letter to All* and *Sundry* and in *The Angel is My Watermark* he writes of his own passionate love affair with painting *The Immorality of Morality* is an eloquent discussion of censorship Some of the stories such as *First Love* are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with *Tropic of Cancer* and other great books

The Poems of Saint John of the Cross Saint John of the Cross, 1972

Earth House Hold Gary Snyder, 2013-07-25 Both Pound and Williams have shown a good poet can revitalize prose style *Earth House Hold* a play on the root meaning of ecology drawn from Gary Snyder's essays and journals may prove a landmark for the new generation As a poet Snyder tells us I hold the most archaic values on earth They go back to the late Paleolithic the fertility of the soil the magic of animals the power vision in solitude the terrifying intuition and rebirth the love and ecstasy of the dance the common work of the tribe He develops as replacement for shattered social structures a concept of tribal tradition which could lead to growth and enlightenment in self disciplined freedom Whatever it is or ever was in any other culture can be reconstructed from the unconscious through meditation the coming revolution will close the circle and link us in many ways with the most creative aspects of our archaic past

The Holy Terrors Jean Cocteau, 2013-05-15 Cocteau's novel *Les Enfants Terribles* which was first published in 1929 holds an undisputed place among the classics of modern fiction Written in a French style that long defied successful translation Cocteau was always a poet no matter what we was writing the book came into its own for English language readers in 1955 when this translation was completed by Rosamund Lehmann It is a masterpiece of the art of translation of which the Times Literary Supplement said It has the rare merit of reading as though it were an English original Lehrmann was able to capture the essence of Cocteau's strange necromantic imagination and to bring fully to life in English his story of a brother and sister orphaned in

adolescence who build themselves a private world out of one shared room and their own unbridled fantasies What started in games and laughter because for Paul and Elisabeth a drug too magical to resist The crime which finally destroys them has the inevitability of Greek tragedy Illustrated with twenty of Cocteau s own drawings Glass, Irony, and God Anne Carson,1995 Anne Carson s poetry characterized by various reviewers as short talks essays or verse narratives combines the confessional and the critical in a voice all her own Known as a remarkable classicist Anne Carson in Glass Irony and God weaves contemporary and ancient poetic strands with stunning style This collection includes The Glass Essay a powerful poem about the end of a love affair told in the context of Carson s reading of the Bronte sisters Book of Isaiah a poem evoking the deeply primitive feel of ancient Judaism and The Fall of Rome about her trip to find Rome and her struggle to overcome feelings of a terrible alienation there *Mister Paradise and Other One-act Plays* Tennessee Williams,2005 Thirteen previously unpublished short plays now available for the first time
