Hiram And Jenny:

Hiram and Jenny Richard Daley Outram, 1994 *Hiram and Jenny* Richard Outram, 1988 *Hiram and Jenny* concerns the comings and goings the deeds and evasions the Private Poems and Sacred Ejaculations the maunderings and heroics the reflections and refractions of past present and future of one Hiram and his lady friend Jenny together with their cast of somewhat skewed friends and often amicable foes as often as not relatives who live in and around a small town somewhere in the Canadian Maritimes *Into The Looking-Glass Wood* Alberto Manguel, 2011-02-04 By the award winning author of *A History of Reading* For me words on a page give the world coherence Words tell us what we as a society believe the world to be I believe there is an ethic of reading a commitment that is both political and private in the act of turning the pages And I believe that sometimes beyond the author s intentions and beyond the reader s hopes a book can make us better and wiser Through personal stories and literary reflections in a style rich in humour and gentle erudition Manguel leads us the readers to reflect upon the pleasures and responsibilities of reading and the links that exist between the world we live in and the words we live amongst *Into the Looking Glass Wood* is a voyage into the subversive heart of words a voyage fired by the author s humanity and extraordinary breadth of vision **The Wood-worker** ,1918 Richard Outram Ingrid Ruthig, 2011 Something of a foreigner in his own country Richard Outram was uncommonly dedicated to living an examined life and to the act of creation for its own reward This book represents a posthumous introductory panorama of this late Canadian poet s work written by those who continue to admire his achievement Much of it is new material offering fresh consideration and a charting of the path of Outram s lifelong engagement with poetry **The American Blacksmith** ,1918 **An Aesthetic Underground** John Metcalf, 2014-10-20 John Metcalf has written some of the very best stories ever published in this country Alice Munro The Argus eyed editor the magisterial prose stylist the waggish inflammatory cultural critic the mentor and iconoclast John Metcalf is a literary legend whose memoir maps the underground he labored tirelessly to establish American Blacksmith and Motor Shop ,1918 American Blacksmith, Auto and Tractor Shop ,1918 **History of Macomb County, Michigan** ,1882 Reports of Cases Argued and Determined in the Supreme Court of the State of Michigan Michigan.
