

Hirohito And His Times

Anne Sharp Wells

Hirohito And His Times:

Hirohito and the Making of Modern Japan Herbert P. Bix, 2001-09-04 Winner of the Pulitzer Prize In this groundbreaking biography of the Japanese emperor Hirohito Herbert P Bix offers the first complete unvarnished look at the enigmatic leader whose sixty three year reign ushered Japan into the modern world Never before has the full life of this controversial figure been revealed with such clarity and vividness Bix shows what it was like to be trained from birth for a lone position at the apex of the nation s political hierarchy and as a revered symbol of divine status Influenced by an unusual combination of the Japanese imperial tradition and a modern scientific worldview the young emperor gradually evolves into his preeminent role aligning himself with the growing ultranationalist movement perpetuating a cult of religious emperor worship resisting attempts to curb his power and all the while burnishing his image as a reluctant passive monarch Here we see Hirohito as he truly was a man of strong will and real authority Supported by a vast array of previously untapped primary documents Hirohito and the Making of Modern Japan is perhaps most illuminating in lifting the veil on the mythology surrounding the emperor s impact on the world stage Focusing closely on Hirohito s interactions with his advisers and successive Japanese governments Bix sheds new light on the causes of the China War in 1937 and the start of the Asia Pacific War in 1941 And while conventional wisdom has had it that the nation s increasing foreign aggression was driven and maintained not by the emperor but by an elite group of Japanese militarists the reality as witnessed here is quite different Bix documents in detail the strong decisive role Hirohito played in wartime operations from the takeover of Manchuria in 1931 through the attack on Pearl Harbor and ultimately the fateful decision in 1945 to accede to an unconditional surrender In fact the emperor stubbornly prolonged the war effort and then used the horrifying bombings of Hiroshima and Nagasaki together with the Soviet entrance into the war as his exit strategy from a no win situation From the moment of capitulation we see how American and Japanese leaders moved to justify the retention of Hirohito as emperor by whitewashing his wartime role and reshaping the historical consciousness of the Japanese people The key to this strategy was Hirohito s alliance with General MacArthur who helped him maintain his stature and shed his militaristic image while MacArthur used the emperor as a figurehead to assist him in converting Japan into a peaceful nation Their partnership ensured that the emperor s image would loom large over the postwar years and later decades as Japan began to make its way in the modern age and struggled as it still does to come to terms with its past Until the very end of a career that embodied the conflicting aims of Japan s development as a nation Hirohito remained preoccupied with politics and with his place in history Hirohito and the Making of Modern Japan provides the definitive account of his rich life and legacy Meticulously researched and utterly engaging this book is proof that the history of twentieth century Japan cannot be understood apart from the life of its most remarkable and enduring leader

Hirohito and His Times Toshiaki Kawahara, 1990 The Yamato Dynasty Sterling Seagrave, Peggy Seagrave, 2001-08-14 In The Yamato Dynasty Sterling Seagrave who divulged the secrets of Mao Tse tung and the

ruthlessness of Chiang Kai shek in the New York Times bestseller *The Soong Dynasty* and his wife and longtime collaborator Peggy present the controversial never before told history of the world s longest reigning dynasty the Japanese imperial family from its nineteenth century origins through today In the first collective biography of both the men and women of the Yamato Dynasty the Seagraves take a controversial comprehensive look at a family history that crosses two world wars the bombing of Hiroshima and Nagasaki the American occupation of Japan and Japan s subsequent phoenix like rise from the ashes of the Second World War The Yamato Dynasty tells the story of the powerful men who have stood behind the screen the shoguns and financiers controlling the throne from the shadows taking readers behind the walls of privilege and tradition and revealing in uncompromising detail the true nature of a dynasty shrouded in myth and legend *Hirohito's War* Francis Pike,2016-09-08 Named one of Foreign Affairs Best Books of 2016 In his magisterial 1 208 page narrative of the Pacific War Francis Pike s *Hirohito s War* offers an original interpretation balancing the existing Western centric view with attention to the Japanese perspective on the conflict As well as giving a blow by blow account of campaigns and battles Francis Pike offers many challenges to the standard interpretations with regards to the causes of the war Emperor Hirohito s war guilt the inevitability of US Victory the abilities of General MacArthur and Admiral Yamamoto the role of China Great Britain and Australia military and naval technology and the need for the fire bombing of Japan and the eventual use of the atom bomb on Hiroshima and Nagasaki *Hirohito s War* is accompanied by additional online resources including more details on logistics economics POWs submarines and kamikaze as well as a 1930 1945 timeline and over 200 maps **Japan 1868-1945** Takao Matsumura,John Benson,2014-09-25 The history of Imperial Japan from the Meiji Restoration through to defeat and occupation at the end of the Second World War is central to any understanding of the way in which modern Japan has developed and will continue to develop in the future This wide ranging accessible and up to date interpretation of Japanese history between 1868 and 1945 provides both a narrative and analysis Describing the major changes that took place in Japanese political economic and social life during this period it challenges widely held views about the uniqueness of Japanese history and the homogeneity of Japanese society **Historical Dictionary of World War II** Anne Sharp Wells,2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan s seizure of Manchuria from China in 1931 and covers Japan s ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan s cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict

continued across Asia as former colonies fought for independence and civil war engulfed other areas Historical Dictionary of World War II The War Against Japan Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II

The Eagle and the Rising Sun Alan Schom, 2004 On Saturday August 2 1941 the Washington Post reported that President Franklin D Roosevelt would depart the next day for a fishing vacation aboard his yacht Potomac By the morning of August 5 the Potomac was sailing toward the fishing waters off Cape Cod but the president was not on board Having quietly disembarked in the middle of the night the president now joined by his top military advisors was headed for Newfoundland where the U S and British governments would meet in a secret summit to coordinate their military efforts although the United States had yet to declare war on Germany The British were appalled at the state of American preparedness one British colonel remarking They have a long way to go before they can play any decisive part in the war But ready or not the United States would be catapulted into World War II within a matter of months Alan Schom's superb histories and biographies have been lauded for their dramatic sweep their focus on extraordinary personalities and their refreshingly iconoclastic perspective Schom begins this magisterial account of World War II in the Pacific by demonstrating an ironic paradox on one hand the American government and people were as inadequately prepared for war as any major power ever has been on the other the Japanese high command plunged headlong into the Pacific campaign despite clear evidence from their own analysts that Japan had too little oil and too feeble an economy to prevail against the United States It was a war that should not have been fought Schom recounts a tense saga of diplomatic maneuvering strategic blunders and pivotal successes played out in the halls of the White House Downing Street and the Imperial Palace as well as on the seas and shores of the Pacific Key figures in the war come vividly to life in a series of brilliant biographical sketches Emperor Hirohito a devotee of Western pursuits such as golf and jazz who hungered to expand Japan's global reach the destructively egotistical General Douglas MacArthur whose splendid achievements in World War I stood in stark contrast to his incompetent leadership in the Philippines Rear Admiral Kelly Turner whose realism and tactical savvy played a crucial role in turning the tide of the war and the cool headed Admiral Tanaka Raizo who repeatedly slipped through the Allied net transporting troops and supplies to and from Guadalcanal The Eagle and the Rising Sun embraces the broad strategic concerns of the war and the telling details and turning points of individual engagements As Rear Admiral Thomas Marfiak Ret CEO and publisher of the U S Naval Institute writes in the Foreword From time to time we are privileged to be given extraordinary insights into the history of our age Alan Schom has given us a tapestry into which he has woven figures of immense proportions yet he has not lost sight of their humanity He writes in the grand tradition of Barbara Tuchman's The Guns of August Book jacket

Historical Dictionary of Japan to 1945 Kenneth Henshall, 2013-11-07 The Historical Dictionary of Japan to 1945 spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War. It includes substantial topics such as cultural and literary history with entries ranging from aesthetics to various genres of writing. Other branches of history also feature such as economic history, industrial history, political history, and so forth. And of course there are the makers of Japanese history ranging from emperors and shoguns to politicians and extremists as well as foreign arrivals. The early history of Japan is told through a detailed chronology, an introductory essay, appendixes, an extensive bibliography, and over 800 cross-referenced dictionary entries on important people, organizations, activities, and events. The Historical Dictionary of Japan to 1945 will appeal to both academics and the general public who have an interest in Japan, particularly those who want reliable information quickly and easily.

The Oxford Companion to American Military History, *The End of the Pacific War* Tsuyoshi Hasegawa, 2007 State of the art reinterpretations of the reasons for Japan's decision to surrender by distinguished historians of differing national perspectives and differing views.

The Making of the "Rape of Nanking" Takashi Yoshida, 2009-03-04 On December 13, 1937, the Japanese army attacked and captured the Chinese capital city of Nanjing, planting the rising sun flag atop the city's outer walls. What occurred in the ensuing weeks and months has been the source of a tempestuous debate ever since. It is well known that the Japanese military committed wholesale atrocities after the fall of the city, massacring large numbers of Chinese during the Battle of Nanjing and in its aftermath. Yet the exact details of the war crimes—how many people were killed during the battle, how many after, how many women were raped, were prisoners executed, how unspeakable were the acts committed—are the source of controversy among Japanese, Chinese, and American historians to this day. In *The Making of the Rape of Nanking*, Takashi Yoshida examines how views of the Nanjing Massacre have evolved in history writing and public memory in Japan, China, and the United States. For these nations, the question of how to treat the legacy of Nanjing—whether to deplore it, sanitize it, rationalize it, or even ignore it—has aroused passions revolving around ethics, nationality, and historical identity. Drawing on a rich analysis of Chinese, Japanese, and American history textbooks and newspapers, Yoshida traces the evolving and often conflicting understandings of the Nanjing Massacre, revealing how changing social and political environments have influenced the debate. Yoshida suggests that from the 1970s on, the dispute over Nanjing has become more lively, more globalized, and immeasurably more intense, due in part to Japanese revisionist history and a renewed emphasis on patriotic education in China. While today it is easy to assume that the Nanjing Massacre has always been viewed as an emblem of Japan's wartime aggression in China, the image of the Rape of Nanking is a much more recent icon in public consciousness. Takashi Yoshida analyzes the process by which the Nanjing Massacre has become an international symbol and provides a fair and respectful treatment of the politically charged and controversial debate over its history.

Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new, traditional and modern, old fashion and innovative. It

has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan **Imperial Biologists**

Hideo Mohri, 2019-03-26 This book sheds light on a little known aspect of the Imperial family of Japan For three generations members of the family have devoted themselves to biological research Emperor Showa Hirohito was an expert on hydrozoans and slime molds His son Emperor Akihito is an ichthyologist specializing in gobioid fishes and his research is highly respected in the field Prince Akishino Emperor Akihito's son is known for his research on giant catfish and the domestication of fowl while Prince Hitachi Emperor Akihito's brother has conducted research on cancer in animals The book shows how they became interested in biology how seriously they were committed to their research what their main scientific contributions are and how their achievements are valued by experts at home and abroad To commemorate the 60 year reign of Emperor Showa and his longtime devotion to biology the International Prize for Biology was founded in 1985 The prize seeks to recognize and encourage researches in basic biology A list of winners and a summary of their research are presented in the last part of the book The author an eminent biologist who has given lectures to the Imperial Family explains their research and tells the fascinating story of biology and the Imperial Family of Japan The book is a valuable resource not only for biology students and researchers but also for historians and anyone interested in science and the Royal and Imperial families **Evaluating Evidence** George Akita, 2008-05-20

Evaluating Evidence is based on the grueling lessons learned by a senior scholar during three decades of tutoring by and collaboration with Japanese historians George Akita persisted in the difficult task of reading documentary sources in Japanese most written in calligraphic style's shō out of the conviction of their centrality to the historian's craft and his commitment to a positivist methodology to research and scholarship He argues forcefully in this volume for an inductive process in which the scholar seeks out facts on a subject and through observation and examination of an extensive body of data is able to discern patterns until it is possible to formulate certain propositions In his introduction Akita relates how and why he decided to adopt a positivist approach and explains what he means by the term as it applies to humanistic studies He enumerates the difficulties linked with reading primary sources in Japanese by looking at a variety of unpublished and published materials and identifying a major problem in reading published primary sources the intervention of editors and compilers He illustrates the pitfalls of such intervention by comparing the recently published seventeen volume diary of Prime Minister Hara Takashi 1856-1921 a photo reproduction of the diary in Hara's own

hand and an earlier published version Using documents related to Yamagata Aritomo 1838 1922 a figure of central importance in Japan s post Restoration political history he demonstrates the use of published and transcribed primary sources to sustain question or strengthen some of the themes and approaches adopted by non Japanese scholars working on modern Japanese history He ends his inquiry with two case studies examining closely the methods of the highly acclaimed American historians John W Dower and Herbert P Bix

The Emperors of Modern Japan Ben-Ami Shillony,2008-10-15 The Japanese emperors a peculiar and unique phenomenon in modern times are the subject of this important handbook edited by Ben Ami Shillony An international team of leading scholars looks at these emperors Meiji Mutsuhito Taisho Yoshihito Shōwa Hirohito and the present emperor Akihito both as personalities and as a constantly developing institution It becomes clear that both the personalities and the periods in which they reigned have shaped Japanese monarchy and our image of it The essays thoroughly deal with topics such as the ideology behind the institution the roles of the emperors and their wives their visual representation their links to Christianity the antagonism they called forth in right wing circles Hirohito s much debated war responsibility and the controversy over amending the succession rules

To Dream of Dreams David M. O'Brien,1996-04-01 Prior to World War II State Shinto which was centered on the worship of the emperor and Yasukuni Shrine s cult of war dead was established in support of the government and militarism Since the end of the Occupation Japanese conservatives have sought to restore State Shinto s institutions even as expanded military budgets have placed Japan among the top five countries in defense spending This timely book focuses on the struggles against government attempts to revive the emperor system and Japan s prewar military presence Organized around case studies and based on extensive interviews To Dream treats the operations of the Japanese court system thoroughly and uncovers important cases regarding religious liberty that remain little known even among specialists on modern Japanese history and society It shows that litigation has been brought by pacifists liberals and others fiercely opposed to renewed militarism and to governmental support for the symbolism and institutions of State Shinto Throughout the author offers important information on the composition of courts involved and the attitudes of specific judges and provides translated texts of significant judicial decisions in the process dispelling the stereotype of the Japanese as reluctant litigants

A History of War Crimes Trials in Post 1945 Asia-Pacific Zhaoqi Cheng,2019-06-06 Written by the Director of the Tokyo Trial Research Centre at China s Shanghai Jiao Tong University this book provides a unique analysis of war crime trials in Asia Pacific after World War II It offers a comprehensive review of key events during this period covering preparations for the Trial examining the role of the War Crimes Commission of the United Nations as well as offering a new analysis of the trial itself Addressing the question of conventional war crimes crimes against humanity crimes against peace such as the Pearl Harbor Incident and violations of warfare law it follows up with a discussion of post trial events and the fate of war criminals on trial Additionally it examines other Japanese war crime trials which happened in Asia as well as considering the legacy of the Tokyo trial itself and the

foundation of a new Post War International Order in East Asia **Japan's Empire of Birds** Annika A. Culver,2022-03-24 As a transnational history of science Japan's Empire of Birds Aristocrats Anglo Americans and Transwar Ornithology focuses on the political aspects of highly mobile Japanese explorer scientists or cosmopolitan gentlemen of science circulating between Japanese and British American spaces in the transwar period from the 1920s to 1950s Annika A Culver examines a network of zoologists united by their practice of ornithology and aristocratic status She goes on to explore issues of masculinity and race related to this amidst the backdrop of imperial Japan's interwar period of peaceful internationalism the rise of fascism the Japanese takeover of Manchuria and war in China and the Pacific Culver concludes by investigating how these scientists repurposed their aims during Japan's Allied Occupation and the Cold War Inspired by geographer Doreen Massey themes covered in the volume include social space and place in these specific locations and how identities transform to garner social capital and scientific credibility in transnational associations and travel for non white scientists **World War II** Spencer C. Tucker,2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war's direction and outcome Readers will understand the motivations behind Japan's decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war's outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research **Modern Japan** J.E. Thomas,2014-09-25 J E Thomas examines the historical roots of Japanese social structures and preoccupations and he sets these within the broad chronological framework of Japan's political and military development The book can thus serve as an introduction to modern Japan in a more general sense but its focus throughout is on the people themselves Professor Thomas gives due attention to the Japanese mainstream but he also discusses those other sections of the community which have traditionally been underprivileged or marginalised most obviously women but also minority groups and outcasts and the Japanese attitude to foreigners beyond her shores

Hirohito And His Times Introduction

Hirohito And His Times Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Hirohito And His Times Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Hirohito And His Times : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Hirohito And His Times : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Hirohito And His Times Offers a diverse range of free eBooks across various genres. Hirohito And His Times Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Hirohito And His Times Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Hirohito And His Times, especially related to Hirohito And His Times, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Hirohito And His Times, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Hirohito And His Times books or magazines might include. Look for these in online stores or libraries. Remember that while Hirohito And His Times, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Hirohito And His Times eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Hirohito And His Times full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Hirohito And His Times eBooks, including some popular titles.

FAQs About Hirohito And His Times Books

What is a Hirohito And His Times PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Hirohito And His Times PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Hirohito And His Times PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Hirohito And His Times PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Hirohito And His Times PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
