

Folklore Methodology

*Formulated by Julius Krohn and
expanded by Nordic Researchers*

By Kaarle Krohn
Translated by Roger L. Welsch

Folklore Methodology

Lalita Prasad Vidyarthi

Folklore Methodology:

Folklore Methodology Kaarle Krohn, 2014-07-03 Kaarle Krohn's *Folklore Methodology* was the first systematic attempt to state a method of studying folkloristic materials. For centuries scholars had collected folkloristic texts and had commented on them but they had not tried to formulate a method of investigating folklore. *Folklore Methodology* became the handbook for the great Finnish School of folklore research. It provided for its students a guide to the geographical research of traditional materials, a radical departure from the literary scholarship that had dominated folklore studies. Krohn's book explores the causes and modes of folklore diffusion, development and destruction; it outlines the influences that cause change in folklore; it provides valuable insights into the nature of folklore; and finally it develops geographic methods for analyzing, classifying and reconstructing individual items from the folk repertoire. While many developments have taken place since Krohn first published his guide, important new concepts of folklore research sprang from his efforts. For this reason *Folklore Methodology* is mandatory reading for every serious student of folklore.

A Handbook of Philippine Folklore Mellie Leandicho Lopez, 2006 The voluminous book provides a range of international theories and methodologies in analytical folklore investigations and a classification scheme based on genre is offered as the system of taxonomy for Philippine traditional materials. Lopez counts on the regional folklorists to refine the classification according to the texts of their respective areas. The different genres too are explained and examined in another part of Lopez's study. The reader will definitely find interesting and useful the illustrative examples for each genre.

Folklore: An Encyclopedia of Beliefs, Customs, Tales, Music, and Art, Charlie T. McCormick Ph.D., Kim Kennedy White, 2010-12-13 Written by an international team of acclaimed folklorists, this reference text provides a cross-cultural survey of the major types and methods of inquiry in folklore. Did you know that the tale of Cinderella is over 1 000 years old and similar versions of this singular story exist in hundreds of cultures around the globe? Have you heard of deathlore, a subgenre of folklore involving tombstones, coffins, cemeteries and roadside memorial shrines? Did you realize that UFO sightings and cyber cultures constitute modern folklore? The broad field of folklore studies developed over the past two centuries provides significant insights into many aspects of human culture. While the term folklore conjures images of ancient practices and beliefs or folk heroes and traditional stories, it also applies to today's ever-changing cultural landscape. Even certain aspects of modern Internet-based popular culture and contemporary rites of passage represent folklore. This encyclopedia covers all the major genres of both ancient and contemporary folklore. This second edition adds more than 100 entries that examine the folklore practices of major ethnic groups, folk heroes, creatures of myth and legend and emerging areas of interest in folklore studies.

Folklore Matters Alan Dundes, 1989 not a large book but that makes all the more admirable the way the author succeeds in doing justice to so many of the most important subjects in folkloristics. This book is a key work and should be made compulsory reading in every university in which folkloristics is studied.

Jon Hnefill Aolsteinsson *Asian Folklore Studies* With this book Alan Dundes has

once again demonstrated what a brilliant essayist he is learned thought provoking and entertaining He has much inspiration to give to anthropologists and he is quite indispensable to folklore scholarship Bengt af Klintberg Ethnos If there were still a question whether Alan Dundes is America's leading folklorist then the essays in this volume should dispel it once and for all An internationally acclaimed scholar is at work here for whom folklore really matters in all of its varied aspects Wolfgang Mieder University of Vermont A maverick folklorist Alan Dundes challenges his colleagues and readers with erudition and candor His essays are insightful and entertaining exploring folklore with an amazing breadth Dan Ben Amos University of Pennsylvania As always a reader is dazzled by the range of Dundes erudition He doesn't just cite things he digests them Gary Alan Fine University of Minnesota For over two decades he has been a major voice urging folklorists and historians and literary critics for that manner to move beyond mere description to true interpretation of cultural texts in their contexts These essays continue that message and they do so with fresh power Jay Mechling University of California Davis These recent essays from the pen of a passionate folklorist include two classics on the history of the field *The Fabrication of Fakelore* and *The Anthropologist and the Comparative Method in Folklore* are required reading for anyone seriously interested in folklore as a discipline Barbara Kirshenblat Gimblett Tisch School of the Arts New York University

Nordic Folklore Reimund Kvideland, Henning K. Sehmsdorf, Elizabeth Simpson, 1989 it presents some of the most important folklore studies to appear in Nordic countries in the past thirty years *The Scandinavian American Bulletin* will be of interest to folklorists in general The selected essays deal with issues that any folklorist who wishes to be up to date must consider A valuable addition to folklore studies Choice Nordic folklore studies have made major theoretical contributions to international folklore scholarship The articles in this collection not only reflect areas in which Nordic folklore studies have been particularly strong but also demonstrate recent changes in theoretical paradigms and empirical application

American Folklore Jan Harold Brunvand, 2006-05-24 Contains over 500 articles Ranging over foodways and folksongs quiltmaking and computer lore Pecos Bill Butch Cassidy and Elvis sightings more than 500 articles spotlight folk literature music and crafts sports and holidays tall tales and legendary figures genres and forms scholarly approaches and theories regions and ethnic groups performers and collectors writers and scholars religious beliefs and practices The alphabetically arranged entries vary from concise definitions to detailed surveys each accompanied by a brief up to date bibliography Special features More than 2000 contributors Over 500 articles spotlight folk literature music crafts and more Alphabetically arranged Entries accompanied by up to date bibliographies Edited by America's best known folklore authority *American Folklore Studies* Simon J. Bronner, 1986 *The Oxford Handbook of American Folklore and Folklife Studies* Simon J. Bronner, 2019 The Oxford Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters explore the extraordinary richness of the American social and cultural fabric offering a valuable

resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice **Folkloristics** Robert A. Georges, Michael Owen Jones, 1995 Excellent The Reader's Review Anybody contemplating the study and pursuit of folklore will benefit from reading this presentation thoroughly to determine your place in this most exciting scholastic world Come All Ye This is the most complete and up to date study of folklore and folklore methodologies available The authors describe the pervasiveness of folklore including its uses in literature films television cartoons comic strips advertising and other media in a variety of cultures *Folklore Methodology* K. Krohn, 1969

Folklore Concepts Dan Ben-Amos, 2020-09-01 By defining folklore as artistic communication in small groups Dan Ben Amos led the discipline of Folklore in new directions In *Folklore Concepts* Henry Glassie and Elliott Oring have curated a selection of Ben Amos's groundbreaking essays that explore folklore as a category in cultural communication and as a subject of scholarly research Ben Amos's work is well known for sparking lively debate that often centers on why his definition intrinsically acknowledges tradition rather than expresses its connection forthright Without tradition among people there would be no art or communication and tradition cannot accomplish anything on its own only people can Ben Amos's focus on creative communication in communities is woven into the themes of the theoretical essays in this volume through which he advocates for a better future for folklore scholarship *Folklore Concepts* traces Ben Amos's consistent efforts over the span of his career to review and critique the definitions concepts and practices of Folklore in order to build the field's intellectual history In examining this history *Folklore Concepts* answers foundational questions about what folklorists are doing how they are doing it and why *Analytic Essays in Folklore* Alan Dundes, 2019-07-22 No detailed description available for *Analytic Essays in Folklore*

Essays in Folklore Theory and Method Alan Dundes, 1990 **Library of Congress Subject Headings** Library of Congress, 2010 **Papers in Computational Linguistics** Ferenc Papp, György Szépe, 2020-01-20 No detailed description available for *Papers in Computational Linguistics* [Library of Congress Subject Headings](#) Library of Congress. Cataloging Policy and Support Office, 2009 *Encyclopedia of Modern Jewish Culture* Glenda Abramson, 2004-03-01 The *Encyclopedia of Modern Jewish Culture* is an extensively updated revision of the very successful *Companion to Jewish Culture* published in 1989 and has now been updated throughout Experts from all over the world contribute entries ranging from 200 to 1000 words broadly covering the humanities arts social sciences sport and popular culture and 5000 word essays contextualize the shorter entries and provide overviews to aspects of culture in the Jewish world Ideal for student and general readers the articles and biographies have been written by scholars and academics musicians artists and writers and the book now contains up to date bibliographies suggestions for further reading comprehensive cross referencing and a full index This is a resource no student of Jewish history will want to go without

F-O Library of Congress. Office for Subject Cataloging Policy, 1990 **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy, 1990 [Rise of Anthropology in India](#) Lalita Prasad Vidyarthi, 1978

As recognized, adventure as without difficulty as experience very nearly lesson, amusement, as competently as concurrence can be gotten by just checking out a ebook **Folklore Methodology** plus it is not directly done, you could assume even more roughly this life, around the world.

We meet the expense of you this proper as capably as easy mannerism to get those all. We provide Folklore Methodology and numerous books collections from fictions to scientific research in any way. among them is this Folklore Methodology that can be your partner.
