Stephen Lang,2006 Brian Ericson's life seems perfect in every way As he sets out for a weekend in the mountains he takes what he believes is a shortcut and things suddenly go wrong Receiving help from a host of surprising characters Brian must grapple with the foolish choices of his life

**Fool Emperor and Heartless Consort** Feng SiNiang,2019-12-25 Who is she She did not have a name only a code name 001 She was the world's most fearsome Night Assassin the assassin that the Dark Night Guild valued the most but at this moment the organization had chosen to sacrifice her to protect herself      Fool Her Once Joanna Elm,2022-03-01 Some killers are born Others are made As a rookie tabloid reporter Jenna Sinclair made a tragic mistake when she outed Denny Dennison the illegitimate son of an executed serial killer So she hid behind her marriage and motherhood Now decades later betrayed by her husband and resented by her teenage daughter Jenna decides to resurrect her career and returns to the city she loves When her former lover is brutally assaulted outside Jenna's NYC apartment building Jenna suspects that Denny has inherited his father's psychopath gene and is out for revenge She knows she must track him down before he can harm his next target her daughter Meanwhile her estranged husband Zack fears that her investigative reporting skills will unearth his own devastating secret he'd kept buried in the past From New York City to the remote North Fork of Long Island and the murky waters surrounding it Jenna rushes to uncover the terrible truth about a psychopath and realizes her own

investigation may save or destroy her family      *A Fool's Knot* Philip Spires,2011-01-28 John Mwangangi is an idealist He turns his back on a successful legal career in London to return to his home in Migwani a small poor town in eastern Kenya His ambition is to assist his country s development to create a model that others might emulate But in trying to rediscover his roots and his very identity old tensions resurface and new battles have to be fought John gradually finds himself isolated by irreconcilable demands excluded from his own culture never fully admitted to the one he adopts His father seeks proof of his son s integrity and insists that John s daughter be initiated into adulthood an act that John s wife would never sanction And when the tensions force the family apart John finds solace in the company of Janet Rowlandson a young British volunteer teacher who becomes more than a friend It becomes clear that someone will try to force the issue *A Fool s Knot* is a sensitive portrait of a man s attempt to reclaim his cultural identity and at the same time stimulate change The contradictions he must confront in his campaign against the grinding poverty of his people lead almost inevitably to conflict      **In the Heart of a Fool** William Allen White,2018-04-05 Reproduction of the original *In the Heart of a Fool* by William Allen White      Fool Willing Kathy Oppegard,2017-07-03 Imagine what having more advocates could do for environmental organization more engaged volunteers more political wins for conservation more financial support and more enthusiastic collaborations The U S is fortunate to have people from many different cultures and ethnicities yet so many of these good folks have not been invited to full participation in the green movement *Fool Willing* is a playful practical guide for welcoming and including all communities at the green table Putting a happy little kid a salsa dancing event planner and Jane Goodall in the same room *Fool Willing* would be what they would write together Its light hearted voice invites readers to bring playfulness and practicality as they make advances for people and the planet Author and certified Martha Beck Life Coach Kathy Oppegard helps people in environmental organizations bring communities into full participation in their organizations and volunteer teams She has coordinated hundreds of volunteers for multiple events Dig in and get ready to have more fun and be more effective as you grow your community in your green organization today      **Studies in No-Self Physicalism** Feng Ye,2022-12-12 This book demonstrates how a radical version of physicalism No Self Physicalism can offer an internally coherent and comprehensive philosophical worldview It first argues that a coherent physicalist should explicitly treat a cognitive subject merely as a physical thing and should not vaguely assume an amorphous or even soul like subject or self This approach forces the physicalist to re examine traditional core philosophical notions such as truth analyticity modality apriority because our traditional understandings of them appear to be predicated on a cognitive subject that is not literally just a physical thing In turn working on the assumption that a cognitive subject is itself completely physical namely a neural network based robot programmed by evolution hence the term No Self the book proposes physicalistic theories on conceptual representation truth analyticity modality the nature of mathematics epistemic justification knowledge apriority and intuition as well as a physicalistic ontology These are meant to show that this No Self Physicalism perhaps the most

minimalistic and radical version of physicalism proposed to date can accommodate many aspects that have traditionally interested philosophers. Given its refreshingly radical approach and painstakingly developed content, the book is of interest to anyone who is seeking a coherent philosophical worldview in this age of science.
