to the historical trashcan Many of the misquotes are quite harmless Some are inadvertent misquotes that have become popular Shakespeare actually said The best part of valor is discretion others the inventions of reporters embellishing a story Franklin Roosevelt never opened a speech to a DAR group with the salutation My fellow immigrants But some of the quotes such as Charles Darwin s supposed deathbed recantation of evolution falsify the historical record with their blatant dishonesty And other chillingly vicious ones filled with virulent racial and religious prejudices completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln An entertaining and thought provoking book They Never Said It covers a great deal of history and sets it right Going beyond a mere catalog of popular misconceptions Boller and George reveal how rightists and leftists and atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends The ultimate debunking reference it perfectly complements handbooks of quotations *Swept Away* Gwynne Forster,2000-04-01 Love and passion bloom between Veronica the head of a child placement and assistance agency and Schyler a child advocate as they uncover Veronica s family secrets **Fools Rush In** Kristan Higgins,2010-04-01 Rewarding job as a local doctor on Cape Cod Check Cute cottage of her very own Check Adorable puppy suitable for walks past attractive locals Check All she needs is for golden boy and former crush Joe Carpenter to notice her and Millie will be set But perfection isn t as easy as it looks especially when Sam Nickerson a local policeman is so distracting Sure he needs a friend after being dumped by Millie s fortune hunting sister but does she really need to enjoy his company that much He is definitely not part of her master plan But maybe it s time for Millie to start a new list **New York Magazine** ,1997-03-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **A Dictionary of American Proverbs** Wolfgang Mieder,1992 Americans have a gift for coining proverbs A picture is worth a thousand words was not as you might imagine the product of ancient Chinese wisdom it was actually minted by advertising executive Fred Barnard in a 1921 advertisement for Printer s Ink magazine After all Americans are first and foremost a practical people and proverbs can be loosely defined as pithy statements that are generally accepted as true and useful The next logical step would be to gather all of this wisdom together for a truly American celebration of shrewd advice A Dictionary of American Proverbs is the first major collection of proverbs in the English language based on oral sources rather than written ones Listed alphabetically according to their most significant key word it features over 15 000 entries including uniquely American proverbs that have never before been recorded as well as thousands of traditional proverbs that have found their way into American speech from classical biblical
