Years of Trouble in Samoa by Robert Louis Stevenson It is an 1892 non fiction historical work by Robert Louis Stevenson that describes the contemporary Samoan Civil War Robert Louis Stevenson arrived in Samoa in 1889 and built a house in Vailima He quickly became passionately interested and engaged in the concomitant political machinations These involved the three colonial powers that were fighting for control of Samoa the United States Germany and Great Britain and the indigenous factions that were fighting to preserve their old political system The book covers the period from 1882 to 1892 The book served as such a staunch protest against existing conditions that it resulted in the removal of two officials and Stevenson for a time feared that it would result in his own deportation When things were finally over he wrote to Sidney Colvin who came from a family of distinguished colonial administrators
