J. H. Williams O.B.E., 2016-07-26 A book comes along like this once in a lifetime You read it as a small child or even an adult and never forget the images it conjures up of a wonderful Englishman who lives in the mysterious forests of faraway Burma and of the kind native people who teach him about their lovely country But most of all you never forget the elephants For this is a story about those magnificent creatures Though he was officially known as Lt Colonel J H Williams the author was known to the world at large as Elephant Bill That is because he spent 25 years living with the elephants in the mountains and forests of Burma There he trained them to haul teak logs out of the isolated jungles Yet this is also a story of great courage because when the Second World War struck it also came to Burma The Japanese Imperial Army planned to confiscate the Burmese elephants drafting them to make the bridges and railways they needed to invade India When he learned of these plans to put his beloved animals to a war like purpose Elephant Bill knew what had to be done The mighty kings of the jungle had to be evacuated to safety This is thus the story not only of the peaceful days in the jungle starting in 1921 but also the story of the largest elephant rescue in history It tells the amazing account of how Elephant Bill along with his friends and family rode 45 of the great beasts across the mountains of Burma before reaching safety in faraway India A classic then A classic now Elephant Bill is a blessing to any library and a literary treasure      **Elephant Company** Vicki Croke, 2015-04-14 NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK The remarkable story of James Howard Billy Williams whose uncanny rapport with the world's largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill In 1920 Billy Williams came to colonial Burma as a forest man for a British teak company Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle he became a gifted elephant wallah In *Elephant Company* Vicki Constantine Croke chronicles Williams's growing love for elephants as the animals provide him lessons in courage trust and gratitude *Elephant Company* is also a tale of war and daring When Japanese forces invaded Burma in 1942 Williams joined the elite British Force 136 and operated behind enemy lines His war elephants carried supplies helped build bridges and transported the sick and elderly over treacherous mountain terrain As the occupying authorities put a price on his head Williams and his elephants faced their most perilous test *Elephant Company* cornered by the enemy attempted a desperate escape a risky trek over the mountainous border to India with a bedraggled group of refugees in tow Part biography part war epic *Elephant Company* is an inspirational narrative that illuminates a little known chapter in the annals of wartime heroism Praise for *Elephant Company* This book is about far more than just the war or even elephants This is the story of friendship loyalty and

**THE VAGARIES OF SWING (Footprints on the Margate Sands of Time)** Mac Carty, 2013-05-01 The BBC TV series True Love was the catalyst for this tale portraying various romantic encounters all set by the Margate seaside True love has many forms A passion for cricket can also be a manifestation of love Yet it is impossible to discuss cricket with its broad themes without reflecting on life itself I have set my story broadly in 1965 when a girl lost her life At the time her death meant little to us but such are the vagaries

of writing that the more I researched the subject the greater I became drawn in Any discussion on the circumstances surrounding her murder led inevitably to the inclusion of another theme which I have encountered in life violence towards women I still return to Margate regularly and regard it with deep affection It was in danger of becoming a wasteland There are those now some famous some often unsung trying to fashion a resurgence Another form of true love May their guardian angels help them succeed      **Blackwood's Magazine** ,1962      **The Cumulative Book Index** ,1976 A world list of books in the English language      *AB Bookman's Weekly* ,1987-03      **Kingdom Under Glass** Jay Kirk,2010-10-26 A sweeping historical narrative of the life of Carl Akeley the famed explorer and taxidermist who changed the way Americans viewed the conservation of the natural world During the golden age of safaris in the early twentieth century one man set out to preserve Africa s great beasts In this epic account of an extraordinary life lived during remarkable times Jay Kirk follows the adventures of the brooding genius who revolutionized taxidermy and created the famed African Hall we visit today at New York s Museum of Natural History The Gilded Age was drawing to a close and with it came the realization that men may have hunted certain species into oblivion Renowned taxidermist Carl Akeley joined the hunters rushing to Africa where he risked death time and again as he stalked animals for his dioramas and hobnobbed with outsized personalities of the era such as Theodore Roosevelt and P T Barnum In a tale of art science courage and romance Jay Kirk resurrects a legend and illuminates a fateful turning point when Americans had to decide whether to save nature to destroy it or to just stare at it under glass      Antiquarian Bookman ,1967      **The Kirkus Service** ,1948      **The British National Bibliography** Arthur James Wells,1960      **The New York Times Book Review** ,1963-10
