**The Footsteps of the Messiah** Arnold G. Fruchtenbaum,1995      **For Zion's Sake** Paul Richard Wilkinson,2008-12-01  
By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel s restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ s glory and God s truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology      **The Harvest Handbook of Bible Prophecy** Ed Hindson,Mark Hitchcock,Tim LaHaye,2020-05-12 Everything You Need to Know About the Last Days at Your Fingertips The Harvest Handbook™ of Bible Prophecy is a reference resource that provides a comprehensive overview of everything the Bible says about the last days Compiled by bestselling prophecy teachers Ed Hindson Mark Hitchcock and Tim LaHaye this volume has 150 topics on the most important subjects of prophetic study from 40 of world s foremost prophecy experts including Armageddon the Day of the Lord eternal life the glorious appearing the messianic kingdom the millennium rewards and the Tribulation You will gain clear and useful insights about the future in this A to Z handbook which is written to provide thousands of Bible based facts about the end times and beyond a chronology of the last days from a pretribulational premillennial view detailed definitions of all the major prophecy related terms Both new and experienced students of prophecy will find this a tool they can use and understand Ideal for browsing or serious research you ll find yourself reaching for this indispensable resource again and again      *The Prophecy Collection: The End Times Survival Guide, The Coming Apostasy, Russia Rising* Mark Hitchcock,2021-10-05 Three popular books now collected for the first time in one special edition We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real What is happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember our battle at its most basic level is spiritual In The Prophecy Collection popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what s happening and to prepare for the future through three important works The End Times Survival Guide The Coming Apostasy coauthored with Jeff Kinley Russia Rising As we prepare for the Lord s coming it s time to understand the biblical truths you need to know in order to face an increasingly decaying darkening world No matter what the future holds anchor your spiritual health and welfare on the immovable rock of God s Word      *The Revelation of Jesus Christ* Jon Scott Birch,2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes

purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches *The Silence Is Broken! God Hooks Ezekiel's Gog & Magog* Douglas Berner,2006 What is the Silence of God How and when will God's silence be broken What will that mean to the people living in the world at the time Discover how the Silence of God will finally be broken and how the End Times will begin Learn how the prophecy of Ezekiel 38 how the War of Gog and Magog will be misunderstood as the War of Armageddon and what that will mean for the nations of the world

Russia Rising Mark Hitchcock,2017 In *Russia Rising* Mark Hitchcock popular speaker and Bible prophecy expert explores the history of Russia and its current military moves He will explain the biblical prophecies related to Russia the Middle East and the end times **The Complete Book of Bible Prophecy** Mark Hitchcock,1999 A theologian and pastor offers a comprehensive easy to use guide to biblicalprophecy **The Great Tribulation--Past Or Future?** Thomas Ice,Kenneth L. Gentry, This engaging book brings together the opposing viewpoints of two respected evangelicals on whether the Great Tribulation is a past present or future event This material is especially helpful in gaining an understanding of end times as the arguments are presented in a friendly debate format with responses by each author to the other's position *Suffering: A Biblical Consideration* Steven R. Cook, *Suffering* touches us all It moves and shapes us in ways we never imagine It breaks us down and builds us up but it never leaves us where it finds us In Scripture we learn that God's power is magnified in our weaknesses and that suffering reveals our true state as weak creatures who need the Lord in our lives for strength and guidance 2 Cor 12 7 10 There is much Scripture on the subject of suffering and the purpose of this book is to consider the major passages that address it and to show that there is hope and strength in God for those who turn to Him in the midst of life's sorrows pg 6 **Soteriology** Steven R. Cook,2024-07-20 Soteriology is the study of salvation The word soteriology is derived from the Greek words soter which means savior and logos which means a word about or the study of something Soteriology is the sphere of systematic theology that speaks to the nature means scope and purpose of salvation It is an important theme that runs throughout Scripture and reveals the God who saves It touches on the attributes of God such as His holiness righteousness and justice concerning sin as well as His love mercy grace and goodness to save lost sinners who

cannot save themselves Throughout this book we will examine the roles of God the Father God the Son and God the Holy Spirit concerning our salvation We will also explore the sinfulness of mankind and our total unworthiness to merit salvation by means of our good works

Ezekiel and Eschatological Violence Alicia R. Jackson, 2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence

*Satan's Strategy to Curse Christ's Congregation* Andy Woods, Keith A. Sherlin, 2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ's body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

eyes how the coming reign of Christ impacts us today      **Rapture, Revelation, and the End Times** Bruce David Forbes, Jeanne Halgren Kilde, 2004-06-12 An objective look at the Left Behind series the significance of the Biblical references in the books and what they can tell us about apocalyptic Christian fiction in general      **God's Heart for Israel (and Us)** John Weldon, 2011-07-12 We read God's promises to Israel in the Old Testament where it is referred to as the apple of His eye but is God done with Israel since they rejected their Messiah Are we as Christians supposed to stand for the nation of Israel today Has the Church now replaced Israel so that God's promises and covenants given in the OT no longer apply to Israel What is Israel's global importance Is global anti-Semitism on the rise What will be Israel's ultimate future According to an article in the Jerusalem Post of June 17 2011 Israel is at a do or die moment As was the case in May 1967 when the combined Arab armies gathered with the express purpose of wiping the Jewish state off the map today again Israel is alone in its hour of greatest peril John Weldon is able to answer these questions and address the important issues of our day because of the extensive research he has done on Middle East and America He shares what he has learned in this deeply thought provoking book      **Assessing Autoethnography** Andrew F. Herrmann, Tony E. Adams, 2024-08-13 Assessing Autoethnography provides readers with multiple ways to analyze autoethnographies and other forms of personal narrative writing Given the proliferation of such forms across academic contexts the book offers a guide of what autoethnography is why it matters and how to do it Taking each of the three parts of auto ethno and graphy in detail Herrmann and Adams provide criteria and points of discussion to ensure robust assessment of an autoethnographic work as a whole Every chapter is accompanied with exemplars and considers issues such as ethics storytelling and good writing The book discerns the kinds of personal experiences that often work best for autoethnographic projects and provide ways to evaluate fieldwork interviews and representations Written by two experts in the field Assessing Autoethnography offers guidance to scholars and dissertation advisors across diverse disciplines in producing autoethnographic work and utilizing autoethnographic methods The book will be of interest to researchers in the fields of Communication Studies Education Sociology Women's and Gender Studies Critical Race Studies Mass Communication English and other related disciplines      *End-Time Prophecy* Børge Beck, 2023-03-09 Along with a correct understanding of the Bible as the God-breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non-literal allegorical or spiritualizing method or 2 the literal so-called grammatical-historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to

Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God's dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2:3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulational Rapture of the Church Ephesians AuthorHouse,2005-11-11 This book is a new translation of Paul's Treatise to the Ephesians into Professional Contemporary American English written for professionals who finally want a no nonsense answer to the meaning of the significance of their life It penetrates the ossified code language of the Ecclesiastical Medieval British Latin English that has obscured Paul's essential message for four centuries The book makes the case that Jesus our heavenly Commander in Chief has specially selected each of us to an apprenticeship to discover and accomplish a unique carefully crafted lifework His goal is to help us successfully achieve it and in doing so earn the distinguished qualifications required for leadership in the honorable government of the future world He will found upon His return *The Little Book of Revelation* Eli of Kittim,2013-02-15 Winner of 2015 Religion Spirituality Double Decker Books Awards on Goodreads This book is a fascinating study in search of the real Jesus The author concludes that scripture is essentially a collection of prophecies not a record of past events Jesus did not say Blessed is he who heeds the words of the history of this book but rather Blessed is he who heeds the words of the prophecy of this book Thus the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions The book's argument is that Christ's visitation has not yet occurred in the world of time since it is a future event and that his origin will be derived from the Greeks not the Jews when he does appear
