For All Peoples All Nations:

For All Peoples and All Nations John Nurser, 2005 In this new century born in hope but soon thereafter cloaked in terror many see religion and politics as a volatile if not deadly mixture For All Peoples and All Nations uncovers a remarkable time when that was not so when together those two entities gave rise to a new ideal universal human rights John Nurser has given life to a history almost sadly forgotten and introduces the reader to the brilliant and heroic people of many faiths who out of the aftermath of World War II and in the face of cynicism dismissive animosity and even ridicule forged one of the world's most important secular documents the United Nations's Universal Declaration of Human Rights These courageous persistent visionary individuals notable among them an American Lutheran Seminary professor from Philadelphia O Frederick Nolde created the Commission on Human Rights Eventually headed by one of the world's greatest humanitarians Eleanor Roosevelt the Universal Declaration has become the touchstone for political legitimacy As David Little says in the foreword to this remarkable chronicle Both because of the large gap it fills in the story of the founding of the United Nations and the events surrounding the adoption of human rights and because of the wider message it conveys about religion and peacebuilding For All Peoples and All Nations is an immensely important contribution We are all mightily in John Nurser's debt If religion and politics could once find common ground in the interest of our shared humanity there is hope that it may yet be found again [A Great Revealing for All Peoples & All Nations](#) Ernest Reagan Clark II, 2019-08-16 After many years

of study and research the author came to the realization that what most Christians believe contradicts the very WORD of GOD This is a major cause for all the angst in the world today as well as in America Seminaries and preachers contradict the very WORD of GOD every Sunday He recently shared a copy of this with a seminary degreed missionary preacher that spent about 35 years on the mission field in South America Three weeks later he got a phone call from the man He confessed that he had been taught a lie in seminary and also confessed that his eyes had been opened to truth The man said that he would like to call the author father but that he would take the admonishment of Jesus to call no man on earth father seriously He said that he would be considered least in the kingdom of God for all of time due to what he had taught and preached for many decades Are you ready to be set free from the chains that bind **The Purpose-Driven God** Dennis D.

Cochrane, 2025-01-28 Compelled by his own character God is passionate to make himself known to people from every tribe language and nation on earth In The Purpose Driven God author Dennis D Cochrane explores this global mission and the importance it holds for God Cochrane identifies five matters of supreme importance to God his desire for personal oneness with humankind universal worship for himself because he seeks only what rightly and exclusively belongs to him his promises made with an oath to bless people in all nations through Abraham's descendants ultimately Christ the inheritance God promised his Son I will make the nations your inheritance the ends of the earth your possession and the Lord's compassion for humankind in their temporal and eternal needs [Beyond Homelessness](#) Steven Bouma-Prediger, Brain J.

Church Doctrine, Volume 5 Paul C. McGlasson,2018-07-02 The present volume is the fifth in a five volume study of church doctrine The multivolume set covers the major parts of church doctrine Canon God Creation Reconciliation and Redemption The first volume begins with an introduction to the entire project on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The purpose of this fifth volume is to explicate the full reality of God's redeeming love for the whole creation In the doctrine of redemption the church looks forward in hope Through the gift of the Spirit at Pentecost the church is gathered out of all nations and peoples of the earth and looks forward to the coming day of final redemption for the whole cosmos Yet even now the promise of God's coming is active in the world rendering the church into a new humanity establishing a new society calling every individual to a new life of joy in discipleship Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord

Charting the Supernatural Judgements of Planet Earth Jerimiah Asher,2010-08-10 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth s existence In Genesis 1 2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water Table 2 God s spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed

Gen 1 2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1 1 and Genesis 1 2 This gap in time would encompass a ruin reconstruction theme and the existence of pre Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible Victory Bulletin ,1943
