an in depth study of the Bible *The Entire Works of John Bunyan ... Edited, with Original Introductions, Notes, and a*

Memoir of the Author, by Henry Stebbing ... Illustrated with Engravings, Etc John Bunyan, 1860 *From The Beginning*

James A. Madison, 2022-10-12 For many it appears that things in this world have changed and these changes primarily technological tend to make life better for all of us From the Beginning offers a perspective that challenges the change that most individuals consider progress Certainly compared to our history technology gives the impression that progress is being made but to what end The revelations received to write this book are backed up by scripture scripture that shows that God created this universe and it is folly for man to believe he can control and or change the purpose for which God established in the beginning Moreover the first step in fact the only step that man woman could do to effect change in this world in a meaningful way is to eliminate death as we know it There s a hymn titled We ve a Story to Tell to the Nation The first stanza and refrain read thusly We ve a story to tell to the nation that shall turn their hearts to the right a story of truth and mercy a story of peace and light a story of peace and light For the darkness shall turn to the dawning and the dawning to noonday bright and God s great kingdom shall come to earth the kingdom of love and light This book is my story to the nation The Complete Works of Saint Augustine (50+) Saint Augustine, 2021-10-27 Augustine s writings influenced the development of Western philosophy and Western Christianity and he is viewed as one of the most important Church Fathers of the Latin Church in the Patristic Period His many important works include The City of God On Christian Doctrine and Confessions His masterpieces has spawned innumerable other books and articles since Later philosophers and theologians have been deeply influenced by The City of God with its impact being felt from literature and historiography Its greatest influence has been within the Christian church itself Classic About the Timeless City is now an undisputed classic The sheer scope of the work is impressive 1 The City of God 2 On Christian Doctrine 3 The Confessions of Saint Augustine 4 Letters of Saint Augustine 5 The Soliloquies 6 Expositions on the Book of Psalms 7 Our Lord s Sermon on the Mount According to Matthew 8 The Harmony of the Gospels 9 On the Holy Trinity 10 The Fifteen Books of Aurelius Augustinus Bishop of Hippo on the Trinity 11 Lectures or Tractates on the Gospel According to St John 12 Doctrinal Treatises 13 On Faith and the Creed 14 Concerning Faith of Things Not Seen 15 Moral Treatises 16 Of the Work of Monks 17 Anti Pelagian Writings 18 Anti Manichaeon Writings 19 Anti Donatist Writings 20 Sermons Homilies *Biblical Theology* Geerhardus Vos, 2003-07-10 The aim of this book is no less than to provide an account of the unfolding of the mind of God in history through the successive agents of his special revelation Vos handles this under three main divisions the Mosaic epoch of revelation the prophetic epoch of revelation and the New Testament Such an historical approach is not meant to supplant the work of the systematic theologian nevertheless the Christian gospel is inextricably bound up with history and the biblical theologian thus seeks to highlight uniqueness of each biblical document in that succession The rich variety of Scripture is discovered anew as the progressive development of biblical themes is explicated To read these pages the fruit of Vos 39 years of teaching biblical theology at Princeton is to appreciate the late John Murray s suggestion that Geerhardus Vos was the most incisive exegete
