Aboriginal and Torres Strait Islander Education Kaye Price, Jessa Rogers, 2019-08-26 Includes access to the ebook which features additional learning activities suggested responses and interactive elements *The SAGE Handbook of Gender and Education* Christine Skelton, Becky Francis, Lisa Smulyan, 2006-10-23 The Handbook of Gender and Education brings together leading scholars on gender and education to provide an up to date and broad ranging guide to the field It is a comprehensive overview of different theoretical positions on equity issues in schools The contributions cover all sectors of education from early years to higher education curriculum subjects methodological and theoretical perspectives and gender identities in education Each chapter reviews synthesises and provides a critical interrogation of key contemporary themes in education This approach ensures that the book will be an indispensable source of reference for a wide range of readers students academics and practitioners The first section of the Handbook Gender Theory and Methodology outlines the various feminist perspectives on researching and exploring gender and education The section critiques the notion of gender as a category in educational research and considers recent trends evident especially in the gender and underachievement debates to locate gender difference solely within biology This section provides the broad background upon which the issues and debates in the other sections can be situated Section two Gender and Education considers the differing ways in which gender has been shown to impact upon the opportunities and experiences of pupils students teachers and other adults in the different sectors of education It also includes a chapter on single sex schooling Section three Gender and School Subjects comprises chapters that cover gender issues within the teaching and learning of particular school subjects for example maths literacy and science It also includes topics such as sex education and assessment The chapters in section four Gender identity and educational sites address up to date issues which have a long history in terms of explorations into gender and educational opportunities More recent inclusions in the debates such as disability sexuality and masculinities are discussed alongside the more traditional concerns of race social class and femininities The final section Working in Schools and Colleges illuminates the working lives of teachers and academics The chapters cover such topics as school culture career progression and development and the gendered identities of professionals within educational institutions The contributors to this book have been selected by the editors as authorities in their specific area of gender and education and are drawn from the international scholarly community **Queering Elementary Education** William J. Letts IV, James T. Sears, 1999-10-27 Queering Elementary Education is not about teaching kids to be gay lesbian bisexual or straight It s not part of a sinister stratagem in the gay agenda Instead these provocative and thoughtful essays advocate the creation of classrooms that challenge categorical thinking promote interpersonal intelligence and foster critical consciousness Queer elementary classrooms are those where parents and educators care enough about their children to trust the human capacity for understanding and their educative abilities to foster insight into the human condition Those who teach queerly refuse to

participate in the great sexual sorting machine called schooling where diminutive GI Joes and Barbies become star quarterbacks and prom queens while the Linuses and Tinky Winkies become wallflowers or human doormats Queering education means bracketing our simplest classroom activities in which we routinely equate sexual identities with sexual acts privilege the heterosexual condition and presume sexual destinies Queer teachers are those who develop curriculum and pedagogy that afford every child dignity rooted in self worth and esteem for others In short queering education happens when we look at schooling upside down and view childhood from the inside out This groundbreaking volume demands we explore taken for granted assumptions about diversity identities childhood and prejudice

**Aboriginal Women, Law and Critical Race Theory** Nicole Watson, 2021-12-10 This book explores storytelling as an innovative means of improving understanding of Indigenous people and their histories and struggles including with the law It uses the Critical Race Theory CRT tool of outsider or counter storytelling to illuminate the practices that have been used by generations of Aboriginal women to create an outlaw culture and to resist their invisibility to law Legal scholars are yet to use storytelling to bring the experiential knowledge of Aboriginal women to the centre of legal scholarship and yet this book demonstrates how this can be done by way of a new methodology that combines elements of CRT with speculative biography In one chapter the author tells the imagined story of Eliza Woree who featured prominently in the backdrop to the decision of the Supreme Court of Queensland in *Dempsey v Rigg* 1914 but whose voice was erased from the judgements This accessible book adds a new and innovative dimension to the use of CRT to examine the nexus between race and settler colonialism It speaks to those interested in Indigenous peoples and the law Indigenous studies Indigenous policy Aboriginal and Torres Strait Islander history feminist studies race and the law and cultural studies

*Antipodes*, 1997 **Dominion of Race** Laura Madokoro, Francine McKenzie, David Meren, 2017-06-09 How has race shaped Canada's international encounters and its role in the world How have the actions of politicians diplomats citizens and nongovernmental organizations reflected and reinforced racial power structures in Canada In this book leading scholars grapple with these complex questions destabilizing conventional understandings of Canada in the world *Dominion of Race* exposes how race thinking has informed priorities and policies positioned Canada in the international community and contributed to a global order rooted in racial beliefs While the contributors reconsider familiar topics including the Paris Peace Conference and Canada's involvement with the United Nations they enlarge the scope of Canada's international history by subject geography and methodology By demonstrating that race is a fundamental component of Canada and its international history this important book calls for reengagement with the histories of those marginalized in or excluded from the historical record

**Handbook of Research on Teachers of Color and Indigenous Teachers** Conra D. Gist, Travis J. Bristol, 2022-10-15 Teachers of Color and Indigenous Teachers are underrepresented in public schools across the United States of America with Black Indigenous and People of Color making up roughly 37% of the adult population and 50% of children but just 19% of the teaching force Yet

research over decades has indicated their positive impact on student learning and social and emotional development particularly for Students of Color and Indigenous Students A first of its kind the Handbook of Research on Teachers of Color and Indigenous Teachers addresses key issues and obstacles to ethnoracial diversity across the life course of teachers careers such as recruitment and retention professional development and the role of minority serving institutions Including chapters from leading researchers and policy makers the Handbook is designed to be an important resource to help bridge the gap between scholars practitioners and policy makers In doing so this research will serve as a launching pad for discussion and change at this critical moment in our country s history The volume s goal is to drive conversations around the issue of ethnoracial teacher diversity and to provide concrete practices for policy makers and practitioners to enable them to make evidence based decisions for supporting an ethnoracially diverse educator workforce now and in the future

*Exploring Race in Predominantly White Classrooms* George Yancy, Maria del Guadalupe Davidson, 2014-02-18 Although multicultural education has made significant gains in recent years with many courses specifically devoted to the topic in both undergraduate and graduate education programs and more scholars of color teaching in these programs these victories bring with them a number of pedagogic dilemmas Most students in these programs are not themselves students of color meaning the topics and the faculty teaching them are often faced with groups of students whose backgrounds and perspectives may be decidedly different even hostile to multicultural pedagogy and curriculum This edited collection brings together an interdisciplinary group of scholars of color to critically examine what it is like to explore race in predominantly white classrooms It delves into the challenges academics face while dealing with the wide range of responses from both White students and students of color and provides a powerful overview of how teachers of color highlight the continued importance and existence of race and racism *Exploring Race in Predominately White Classrooms* is an essential resource for any educator interested in exploring race within the context of today s classrooms

**Ethnic American Literature** Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American Asian American Latino a and Native American literary traditions among others The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non European descent and highlighting the ethnic diversity of works from the colonial era to the present The work features engaging topics like the civil rights movement bilingualism assimilation and border narratives Entries provide historical overviews of literary periods along with profiles of major authors and great works including Toni Morrison Maxine Hong Kingston Maya Angelou Sherman Alexie *A Raisin in the Sun* *American Born Chinese* and *The House on Mango Street* The book also provides concise overviews of genres not often featured in textbooks like the Chinese American novel African American young adult literature Mexican American autobiography and Cuban American poetry

The Top Books of the Year From The Margins Exploring Ethnicity Gender And Aboriginality The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. From The Margins Exploring Ethnicity Gender And Aboriginality : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. From The Margins Exploring Ethnicity Gender And Aboriginality : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
