Hints And Allegations The World In Poetry And Prose According To William M Kunstler:

Hints and Allegations William M. Kunstler, 1996-01-09 Like most things William Kunstler does the poems in this collection rattle the foundations of venerable American institutions in this case our poetry canon and our entrenched notion that institutionalized racism is a thing of the past His blending of high seriousness of purpose with lightheartedness of tone appears effortless and masterful This is not ivory tower stuff It is experience lived as fully as possible and only then recast in lyric form Kunstler knew most of the people he writes about A good number of those who live on in these pages had him as their only defender some he kept out of prison others from the electric chair In many ways this book is Kunstler's true autobiography Reading the sonnet and accompanying prose paragraph on Dr Martin Luther King Jr for example we learn all we need to know about the bond between Kunstler and the younger clergyman and the seven years they worked together And from the sonnet and commentary on Morton Stavis we grasp how deeply Kunstler feels the calling of his profession by his anguish at the loss of his attorney friend who had for many years defended him in the courts

The Catonsville Nine Shawn Francis Peters, 2012-07-12 In the spring of 1968 a group of Catholic anti war activists barged into a draft board in suburban Baltimore stole hundreds of Selective Service records and burned the documents The bold actions of the Catonsville Nine became international news This book tells the story of this singular witness for peace and social justice
