Hispanic American Experience On File

James Ciment, John Radzilowski

Hispanic American Experience On File:

Hispanic-American Experience on File Carter Smith, David Lindroth, 1999-01 Provides information about the history and experiences of Americans with roots in the Spanish speaking world [The Mexican American Experience](#) Matt S.

Meier, Margo Gutiérrez, 2003-12-30 Mexican Americans are rapidly becoming the largest minority in the United States playing a vital role in the culture of the American Southwest and beyond This A to Z guide offers comprehensive coverage of the Mexican American experience Entries range from figures such as Corky Gonzales Joan Baez and Nancy Lopez to general entries on bilingual education assimilation border culture and southwestern agriculture Court cases politics and events such as the Delano Grape Strike all receive full coverage while the definitions and significance of terms such as coyote and Tejano are provided in shorter entries Taking a historical approach this book s topics date back to the 1848 Treaty of Guadalupe Hidalgo a radical turning point for Mexican Americans as they lost their lands and found themselves thrust into an alien social and legal system The entries trace Mexican Americans experience as a small conquered minority their growing influence in the 20th century and the essential roles their culture plays in the borderlands or the American Southwest in the 21st century *The Mexican American Experience in Texas* Martha Menchaca, 2022-01-11 A historical overview of Mexican

Americans social and economic experiences in Texas For hundreds of years Mexican Americans in Texas have fought against political oppression and exclusion in courtrooms in schools at the ballot box and beyond Through a detailed exploration of this long battle for equality this book illuminates critical moments of both struggle and triumph in the Mexican American experience Martha Menchaca begins with the Spanish settlement of Texas exploring how Mexican Americans racial heritage limited their incorporation into society after the territory s annexation She then illustrates their political struggles in the nineteenth century as they tried to assert their legal rights of citizenship and retain possession of their land and goes on to explore their fight in the twentieth century against educational segregation jury exclusion and housing covenants It was only in 1967 she shows that the collective pressure placed on the state government by Mexican American and African American activists led to the beginning of desegregation Menchaca concludes with a look at the crucial roles that Mexican Americans have played in national politics education philanthropy and culture while acknowledging the important work remaining to be done in the struggle for equality **Encyclopedia of North American Immigration** John Powell, 2009 Presents an

illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more *American Immigration* Roger Daniels, 2001-05-10 Once I thought to write a history of the immigrants in America Then I discovered that the immigrants were American history wrote historian Oscar Handlin Immigrants and generations of their descendants have defined the American nation from its beginning and continue to provide America s characteristic diversity representing practically every race nationality religion and ethnic group around the world Some immigrants came to the New World in search of economic gain Others were brought in chains Still others found refuge in

America from religious or ethnic persecution This single volume encyclopedia includes more than 300 entries covering multiple aspects of immigration history and policy ethnic groups including census and immigration statistics major periods of immigration and areas of settlement predominant religion and historical background key immigration legislation such as the Chinese Exclusion Act Immigration Act of 1990 and Refugee Act of 1980 terms and concepts including green card quota system citizen naturalization picture brides and nativism categories of immigrants including refugees indentured servants children and exiles immigration stations Angel Island Castle Garden and Ellis Island religious groups and churches such as Amish Huguenots Muslims and Eastern Rite churches further reading lists and cross references follow each entry An introductory essay provides a cogent overview of the entire scope of the book More than 150 photographs and illustrations complement the entries Statistical boxes supplement the articles with key information A list of immigration ethnic and refugee organizations a guide to further research that includes books museums and websites and a detailed chronology conclude this useful resource for research in American history ethnic and multicultural studies and genealogy Oxford's Student Companions to American History are state of the art references for school and home specifically designed and written for ages 12 through adult Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index

Hispanic Americans Karl A. Lawrence, 2002 Shifting Frontiers of Citizenship: The Latin American Experience, 2013-03-27 While in the days of the Cold War models of citizenship were relatively clear cut around the contrasting projects of reform and revolution in the last three decades Latin America has become a laboratory for comparative research The region has witnessed both a renewal of electoral democracy and the diversification of experiments in citizen representation and participation The implementation of neo liberal policies has led to countervailing transformations in democratic citizenship and to the rise of populist leaderships while the crisis of representation has been accompanied by new forms of participation generating profound transformations The authors analyze these recent trends reflected in new forms of populism inclusion and exclusion participation and alternative models of democracy social insecurity and violence diasporas and transnationalism the politics of justice and the politics of identity and multiculturalism

The Era of Modernization Through the 1930s Kathy Sammis, 2000 Topics include The Progressive Era The United States and World Affairs The Roaring Twenties Great Depression The New Deal See other Focus on U S History titles

Faith and Power Felipe Hinojosa, Maggie Elmore, Sergio M. González, 2022-02-22 Illuminates how religion has shaped Latino politics and community building Too often religious politics are considered peripheral to social movements not central to them Faith and Power Latino Religious Politics Since 1945 seeks to correct this misinterpretation focusing on the post World War II era It shows that the religious politics of

this period were central to secular community building and resistance efforts The volume traces the interplay between Latino religions and a variety of pivotal movements from the farm worker movement to the sanctuary movement offering breadth and nuance to this history This illuminates how broader currents involving immigration refugee policies de industrialization the rise of the religious left and right and the Chicana o immigrant and Puerto Rican civil rights movements helped to give rise to political engagement among Latino religious actors By addressing both the influence of these larger trends on religious movements and how the religious movements in turn helped to shape larger political currents the volume offers a compelling look at the twentieth century struggle for justice **Gale Directory of Databases** ,2001 *Library Journal*

,2009 Immigration in America Today James Loucky,Jeanne M. Armstrong,Larry J. Estrada,2006-08-30 America today is witnessing the largest and most sustained wave of immigrants its borders have ever seen Although factors like the Great Depression World War II and quota restrictions had slowed the massive influx of Europeans from the early part of the 20th century policies like the 1965 Immigration and Nationality Act have relaxed quotas and opened America s doors to hundreds of thousands of immigrants a year from both Eastern and Western hemispheres to reach a height of over 9 million immigrants in the 1990s Today immigrants and policy makers alike grapple with issues regarding employment education refugee status and family reunification as well as illegal immigrants many from Mexico whose legal immigration alone accounts for more than 20% of immigrants in the US Despite this this comprehensive reference source allows a glimpse of the same motivating factors that drove earlier immigrants through Ellis Island s gates the promise of economic opportunity and the hope of a better life Over 70 A Z entries address topical and timely aspects of modern US immigration including bilingual education domestic work employer sanctions gangs gender homeland security migrant education posttraumatic stress disorder stereotypes **Information Sources of Political Science** Stephen W. Green,Douglas J. Ernest,2005-07-15

A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries **El-Hi Textbooks & Serials in Print, 2005** ,2005 **The New College Course Map and**
