Hispanidad y cubanidad José Ignacio Rasco y Bermudez, 1987 Libro que presenta la tesis del totalitarismo como una experiencia inedita para la sociedad civil en la isla La permanencia del régimen castrista por cuatro décadas hay que explicarla como resultado de una tradición democrática cubana que nunca antes tuvo que enfrentarse al control totalitario de la sociedad sostiene el historiador y autor al explicar el prolongado drama político de su patria Gerardo Machado 1925 1933 y Fulgencio Batista 1952 1958 fueron dictadores tropicales que no dañaron las estructuras básicas del funcionamiento social La era de Fidel Castro ha sido demoledora en todos los sentidos La revolución de Fidel Castro ha sido una frustración histórica y una traición a la tradición democrática de la nación El pueblo cubano nunca tuvo que lidiar con un sistema totalitario impuesto a toda la sociedad de ahí la incapacidad que hemos tenido en la lucha para derrotarlo

Food in Cuba Hanna Garth, 2023-05-25 Garth's in depth and intimate ethnography portrays the shortcomings in Cuba's welfare system and the profound consequences for the way people eat Megan A Carney author of *The Unending Hunger* Food in Cuba follows Cuban families as they struggle to maintain a decent quality of life in Cuba's faltering post Soviet welfare state by looking at the social and emotional dimensions of food access Based on extensive fieldwork with families in Santiago de Cuba Hanna Garth examines Cuban families' attempts to acquire and assemble a decent meal unraveling the household dynamics community interactions and individual reflections on everyday life in today's Cuba With the collapse of the Soviet Union in the 1990s Cuba lost its most significant trade partner Although trade agreements have improved the quantity and quality of rationed food in Cuba many Cubans still report living with food shortages and economic hardship Garth tells the stories of families that face the daily challenge of acquiring not only enough food but food that meets personal and cultural standards She argues that these ongoing struggles produce what the Cuban families describe as a change in character and that for some this shifting concept of self leads to a transformation of Cuban identity

Improvising Sabor Sue Miller, 2021-02-01

Improvising Sabor Cuban Dance Music in New York begins in 1960s New York and examines in rich detail the playing styles and international influence of important figures in US Latin music Such innovators as José Fajardo Johnny Pacheco George Castro and Eddy Zervigón dazzled the Palladium ballroom and other Latin music venues in those crucible years Author Sue Miller focuses on the Cuban flute style in light of its transformations in the US after the 1959 revolution and within the vibrant context of 1960s New York While much about Latin jazz and salsa has been written this book focuses on the relatively unexplored New York charangas that were performing during the chachach and pachanga craze of the early sixties Indeed many accounts cut straight from the 1950s and the mambo to the bugal's development in the late 1960s with little mention of

the chachach and pachanga s popularity in the mid twentieth century Improvising Sabor addresses not only this lost and ignored history but contends with issues of race class and identity while evaluating differences in style between players from prerevolution Cuban charangas and those of 1960s New York Through comprehensive explorations and transcriptions of numerous musical examples as well as interviews with and commentary from Latin musicians Improvising Sabor highlights a specific sabor that is rooted in both Cuban dance music forms and the rich performance culture of Latin New York The distinctive styles generated by these musicians sparked compelling points of departure and influence
