One None and One Hundred Thousand by Luigi Pirandello is a profound exploration of identity perception and the fluidity of the self In this novel Pirandello presents a protagonist Vitangelo Moscarda who begins to question his sense of self after a casual remark about his appearance This seemingly trivial event leads Moscarda to realize that he is perceived differently by every person he encounters resulting in a crisis of identity The novel delves into themes of existentialism highlighting the disparity between how we see ourselves and how others perceive us Moscarda's journey illustrates the fragmentation of identity as he grapples with the notion that he is not a single fixed individual but rather a multiplicity of selves shaped by the perspectives of others The title itself *One None and One Hundred Thousand* reflects this idea signifying the many versions of a person that exist in the minds of others as well as the elusive nature of true self knowledge The Mirror of Our Anguish

Jacket **The Autism of Gxd** Ruth M. Dunster, 2022-12-02 *The Autism of Gxd* An Atheological Love Story is truly a love story the story of Ruth Dunster's autistic search for an authentic personal and theological Gxd In this it resembles Augustine's *Confessions* as a theological autobiography It becomes atheological however as Dunster reckons with what Denys Turner terms *The Darkness of God* This awareness leads her through the poetry of Medieval mystics to the mythic death of God theology of Thomas J J Altizer The search for faith is nonetheless very real in this strange territory Dunster hears her autistic Gxd speaking in art poetry novels and music and this further leads her into the territory of Literature Theology and the Arts where in Blanchot's words the answer is the poem's absence Indeed Dunster calls the book a strange poem or even a hymn Weaving an autistic mythology out of a rigorous survey of clinical autism this book abounds in challenge and paradox It offers a fascinating view into how an autistic poet becomes a theologian and what more mainstream theologies might learn from this disabled Gxd
