## **Latin Comprehensions For Schools:**

Latin Comprehensions for Schools Martin Hiner, 2001-08-31 This volume contains 80 comprehension exercises for use in schools They are graded by length and difficulty so that they can profitably be used in the run up to GCSE and then on through to A Level They may function as practice for examination conditions or as a classroom reader To each passage is appended some vocabulary though not too much beyond the more unfamiliar words for part of the technique of comprehension is to extract further meanings from the questions asked These questions follow each passage they primarily test comprehension of content some call for a personal response and therefore lend themselves to class discussion they also include from the outset questions on grammar and syntax so that students build a sound linguistic foundation Only by understanding the usual rules can they spot the unusual Any student who can successfully tackle the later passages in the volume will be well able to face A Level

**Latin Beyond GCSE** John Taylor, 2017-01-12 Latin Beyond GCSE covers all the linguistic requirements for the OCR AS and A Level in Latin It aims to bring students to a point where they can tackle original Latin texts with confidence Although designed as a continuation of Latin to GCSE it is self contained and can be used independently This new edition is brought in line with the new OCR specifications and benefits from a completely redesigned layout with added colour and images The answer key is available on a companion website The first part of the book introduces new constructions and the translation of sentences from English to Latin with reading passages at AS standard The next sections provide translation and comprehension passages at AS and A level including verse unseen scansion and a list of 300 common poetic words Next come longer unadapted extracts from a range of authors Finally there is a reference section including a summary of all constructions a comprehensive grammar and a general vocabulary of about 1200 Latin words
