*Laure* Laure (Colette) Peignot, 1995-02-01 Laure 1903 1938 was a revolutionary poet masochist Catholic rich girl and world traveler Toward the end of her life she became the lover of French writer Georges Bataille Her writings and her real life story were remarkable in their violence **Georges Bataille** Stuart Kendall, 2007-08-30 Georges Bataille was arguably the greatest influence on the poststructuralist revolution in twentieth century thought and literature yet few truly understand his work and legacy Stuart Kendall now translates the work and life of this renowned French writer anthropologist and philosopher into a concise yet informative biography that reveals fascinating facets of this intellectual giant Until his death in 1962 Bataille was an instrumental force in philosophical debate acting as a foil for both Surrealism and Existentialism and advocating radical views that spanned the entire spectrum of political thought Georges Bataille chronicles these aspects of his intellectual development as well as tracing out his pivotal role in the creation of the College of Sociology and how his writings in aesthetics and art history laid the groundwork for visual culture studies Kendall positions Bataille at the heart of a prodigious community of thinkers including Andr Breton Jean Paul Sartre and Jacques Lacan A compelling account Georges Bataille will be invaluable for all thinkers who have benefited from Bataille's lasting contributions *Surrealist women's writing* Anna Watz, 2021-01-12 Surrealist women's writing A critical exploration is the first sustained critical inquiry into the writing of women associated with surrealism Featuring original essays by leading scholars of surrealism the volume demonstrates the extent and the historical linguistic and culturally contextual breadth of this writing It also highlights how the specifically surrealist poetics and politics of these writers work intersect with and contribute to contemporary debates on for example gender sexuality subjectivity otherness anthropocentrism and the environment Drawing on a variety of innovative theoretical approaches the essays in the volume focus on the writing of numerous women surrealists many of whom have hitherto mainly been known for their visual rather than their literary production These include Claude Cahun Leonora Carrington Kay Sage Colette Peignot Suzanne C saire Unica Z rn Ithell Colquhoun Leonor Fini Dorothea Tanning and Rikki Ducornet **Collected Essays: Volume I** J.J. Griffin IV, **Textual Practice 10.3** Alan Sinfield, 2005-07-19 Volume 10 Issue 3 Papers include Tragedy and the nationalist condition of criticism Thomas Doucherty Descartes Baudrillard Dryden and a consideration of cultural relations between England and France in the late seventeenth century ILaodamia and the moaning of Mary John Barrell changing critical responses to Wordsworth's heroic version of masculinity Melodrama as Avant garde enacting a new subjectivity Simon Shepherd nineteenth century English radicals and translations of French melodrama The diasporic imaginary theorizing the Indian diaspora Vijay Mishra Bisexuality heterosexuality and wishful theory Jonathan Dollimore Reviews index Holcroft IA Tale of Mystery a melo drame and ICaleb Williams *On Nietzsche* Georges Bataille, 2015-09-23 A poetic philosophical and political account of Nietzsche's importance to Bataille and of Bataille's experience in Nazi occupied France Georges Bataille wrote *On Nietzsche* in the final months of the Nazi occupation of

France in order to cleanse the German philosopher of the stain of Nazism More than merely a treatise on Nietzsche the book is as much a work of ethics in which thought is put to the test of experience and experience pushed to its limits At once personal and political it was written as an act of war its publication contingent upon the German retreat The result is a poetic and philosophical and occasionally harrowing record of life during wartime Following *Inner Experience and Guilty On Nietzsche* is the third volume of Bataille's *Summa Atheologica* Haunted by the recognition that existence cannot be at once autonomous and viable herein the author yearns for community from the depths of personal isolation and transforms Nietzsche's will to power into his own will to chance This new translation includes *Memorandum* a selection of 280 passages from Nietzsche's works edited and introduced by Bataille Originally published separately Bataille planned to include the text in future editions of *On Nietzsche* This edition also features the full notes and annotations from the French edition of Bataille's *Oeuvres Complètes* as well as an incisive introductory essay by Stuart Kendall that situates the work historically biographically and philosophically

*Eroticizing Aesthetics* Tim Themi, 2021-06-03 Bringing together Bataille with Lacan and Nietzsche Tim Themi examines the role of aesthetics implicit in each and how this invokes an erotic process celebrating the real of what is usually excluded from articulation Bataille came to deem eroticism as the standpoint from which to grasp humanity as a whole based on his understanding of our transition to humanity being founded on a series of taboos placed on inner animality An erotic outlet for the latter was historically the aesthetic dimensions of our religions but Bataille's view of how this was gradually diminished has much in keeping with Nietzsche's critique of Christian Platonic dualism and Lacan's of the desexualised Good of Western metaphysics Building from these often surprising proximities Themi closely examines Bataille's many interventions into the history of aesthetics from his confrontations with Breton's surrealism to his own novels and encounter with the animal cave paintings of Lascaux radically re illuminating the corollary phenomena of Dionysos in Nietzsche's philosophy and the jouissance enjoyment of transgression in the psychoanalysis of Lacan A new ethical criterion for aesthetic works and creations on this basis becomes possible

*Georges Bataille* Michel Surya, 2020-05-05 Georges Bataille was a philosopher writer librarian pornographer and a founder of the influential journals *Critique* and *Acéphale* He has had an enormous impact on contemporary thought influencing such writers as Barthes Baudrillard Derrida Foucault and Sontag Many of his books including the notorious *Story of the Eye* and the fascinating *The Accursed Share* are modern classics In this acclaimed intellectual biography Michel Surya gives a detailed and insightful account of Bataille's work against the backdrop of his life his troubled childhood his difficult relationship with Andr Breton and the surrealists and his curious position as a thinker of excess potlatch sexual extremes and religious sacrifice one who nonetheless remains at the heart of twentieth century French thought all of it drawn here in rich and allusive prose While exploring the source of the violent eroticism that laces Bataille's novels the book is also an acute guide to the development of Bataille's philosophical thought Enriched by testimonies from Bataille's closest acquaintances and revealing the context in which he worked Surya

continuing relevance to sociological thought Bataille's infamous *Collège de Sociologie* is placed in the intellectual context of Durkheimian and Maussian sociology Social effervescence gift exchange and the dual ambivalent and volatile nature of the sacred emerge as the central threads of Bataille's thought ideas which challenge both capitalist hegemony and the reductive notion of society as exclusively normative and repressive The study concludes by applying Bataille's ideas to contemporary issues including de secularisation and the rise of religious fundamentalism the vicarious experience of transgressive violence and finally to consumerism and the violence of globalisation The study seeks to reposition Bataille as a key figure in sociological theory
