Economic Competition, Restructuring, and Worker Dislocation, 1995 Evaluation Forum, Issue 11, Summer 1995, 1995 **Evaluation Forum**, 1993 *Industrial Restructuring* N. Mathieu, 1996-01-01 World Bank Discussion Paper No 320 Provides separate estimates of the influence of borrowing by both men and women through three credit programs on a variety of household and individual outcomes including school enrollment labor supply the asset holdings of women recent fertility and use of contraceptives consumption and the anthropometric status of children The findings show that credit provided to women is more likely to influence these behaviors than credit provided to men and has a significant effect on the well being of poor households in Bangladesh **The Impact of Privatization and Economic Restructuring on**

Employment Relations Nejib Belhedi, 2001 *Monthly Labor Review* United States. Bureau of Labor Statistics, 2006 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **The Disposable Work Force** Thomas Moore, 2018-02-06 The twenty first century has witnessed a transformation of the organization opportunities and terms of work Downsizing restructuring and outsourcing are the forces altering employment relationships throughout the work force Those who tend to see the future in a positive light view the evolving role between employer and employee as empowering for the individual This book examines the consequences of economic instability due to job loss and the displacement of millions of workers It draws upon case studies of worker displacement as well as national labor force surveys Thomas S Moore finds that consequences of economic instability are productivity slowdown increased disparities in earnings and income and higher average unemployment He assesses the extent of job loss nationwide its costs to the individuals directly affected and the way in which the incidence of displacement and earnings loss has shifted over time Although drawn from an earlier period the data have an obvious relevance to today's labor markets Moore argues for an employment and training system that gives employers an incentive to invest in the skills of their employees Federally funded training programs have not improved the earning ability of displaced and disadvantaged workers and state sponsored programs tend to exclude those most in need of assistance Moore suggests direct employer investment in the general skills of employees Initially published in a different economic downturn this continues to be a must read book for all economists sociologists and policymakers **Organizing to Win** Kate Bronfenbrenner, 1998 As the

American labour movement mobilizes for a major resurgence through new organizing this text presents research on union organizing strategies The introduction defines the context of the current climate and subsequent chapters include community based organizing and building **Resources in Education** ,1994 **Wheel of Fortune** Jamie Swift,1995-05-01 Jamie Swift combines sharp eyed journalism that brings out the nuances of daily life with a penetrating analysis of jobless recovery He describes the emerging world of work through the eyes and experiences of people in Kingston and Windsor two Ontario cities with roots in the pre industrial past places poised for the post industrial information age Fighting for Partnership Lowell Turner,2018-05-31 West Germany from 1949 to 1990 was a story of virtually unparalleled political and economic success This economic miracle incorporated a well functioning political democracy expanded to include a social partnership system of economic representation Then the Wall came down Economic crisis in the East industrial collapse massive layoffs a demoralized workforce triggered gloomy predictions Was this the beginning of the end for the widely admired German model Lowell Turner has extensively researched the German transformation in the 1990s Indeed in 1993 he was at the factory gates at Siemens in Rostock for the first major strike in post Cold War eastern Germany In that strike and in a series of other incisively analyzed workplace and job developments in eastern Germany he shows the remarkable resilience and flexibility of the German social partnership and the contribution of its institutions to unification His controversial and to some radical findings will stimulate debate at home and abroad **Industrial Change in China** Kate Hannan,2012-10-12 This book analyses the industrial reform measures taken by the Chinese government during the decade 1985 95 and identifies the economic and political tensions and contradictions that state enterprise reform has presented to a leadership intent on maintaining its authoritative political position Using government sources and interviews with economists and workers at one of China s largest state owned enterprises The Second Automobile Dongfeng corporation Hannan concludes that the relationship between state policy and enterprise is a complex two way process characterised by tensions resulting from conflicting priorities Trade Unions in Western Europe since 1945 J. Visser,2017-02-13 The Societies of Europe is an 8 title series of historical data handbooks and accompanying CD ROM sets on the development of Europe from the nineteenth to the twentieth century The series is a product of the Mannheim Centre for Social research a body dedicated to comparative research on Europe and one of the leading social research institutes in the world It is a collection of datasets giving a clear and systematic study of long term developments in European society The data is presented statistically and is clearly comparative The Societies of Europe is the most comprehensive data series available on Western European social issues Each book is accompanied by a CD ROM containing data sets not included in the text enabling users to manipulate the data as wanted Information is available in different programmes Excel SPSS and SAS and in data structures for analysis viewing and building time series This comparative data handbook offers an empirical base to a long term and comparative understanding of changes and variations in European union movements It provides information on the context and history of

union development the changes in the structure of post war unionism until today the long term trends in union membership and union density and the shifts in the cross sectional composition of union membership This book and CD ROM are the result of many years of research by the authors in collaboration with an international research team and provides an original source for comparative and national studies or individual enquiries The country and comparative tables offer cross checked and often newly calculated statistics on national union organizations and their membership series The CD ROM includes selected tables from the handbook and provides additional databases with organizational data and membership series of major national and European union organizations

North American Auto Unions in Crisis William C. Green, Ernest J. Yanarella, 1996-01-01 This edited volume provides the first comparative cross national study of U S and Canadian Labor relations in Japanese North American auto transplants Japanese joint ventures with the Big Three automakers and Saturn the Japanese style GM auto plant

Trade Unions and Workplace Training Richard Cooney, Mark Stuart, 2013-05-07 Trade Unions and Workplace Training examines the changing role of trade unions in the provision of vocational education workplace training and skill development It reflects upon the role that unions have played in the reform of vocational education and training systems the nature of union involvement in consultative mechanisms at a national and industry level the nature of union involvement in skill formation at the workplace and the development of mechanisms for the articulation of employee voice in the design delivery and assessment of vocational training The book provides a collection of studies of Canada Australia United States United Kingdom France Germany and Norway by leading researchers in the field Distinctive accessible and original all the chapters are written in a style that illustrates the relevance of academic debates and research data to practice and the book includes a number of the chapters written by trade union practitioners

Japanese Auto Transplants in the Heartland Robert Perrucci, 2017-09-29 The idea for this book was formed during the early 1980s when the author was studying the impact of plant closings on displaced workers and communities In one community workers who were displaced by a plant closing expected to receive retraining funds through the Job Training and Partnership Act JTPA only to find that the state had committed all the JTPA funds to train new workers for a Japanese transplant Soon it became apparent that deindustrialization job loss and economically depressed communities were linked with the escalating interstate competition to provide multi million dollar incentive packages for businesses to settle in their state When Japanese automobile companies considered coming to the United States they fueled the interstate competition for these large projects which promised thousands of jobs and economic growth

The Politics of Labor in a Global Age Christopher Candland, Rudra Sil, 2001 This volume features essays on labour relations at national local and workplace levels as economic and political actors cope with the similar challenges associated with economic adjustment measures and the impact of globalization
