Cullen,Pamela Wilcox,2015-12 This handbook presents a series of essays that captures not the past of criminology but where theoretical explanation is headed The volume is replete with ideas discussions of substantive topics with salient theoretical implications and reviews of literatures that illuminate avenues along which theory and research evolve **Religion and Crime: Theory, Research, and Practice** Kent R. Kerley,2018-11-15 This

book is a printed edition of the Special Issue Religion and Crime Theory Research and Practice that was published in Religions **Universal Human Rights in Theory and Practice** Jack Donnelly,2003 4 Choice of Means *Chief Executive Offenders and Economic Crime* Petter Gottschalk,2022-08-25 This book examines the role of Chief Executives in white collar crime from a convenience theory perspective Privileged position status legitimate resource access institutional deterioration lack of control and guardianship and criminal networks such as cartels are some of the typical factors of opportunity convenience when chief executives commit white collar crime By presenting and discussing such factors this book aims to clarify vulnerabilities in organizational settings when the deviant chief executive takes advantage of their position for criminal means The book applies convenience theory to explain a variety of cases of corporate crime committed by chief executives The work will be a valuable resource for academics and researchers in the areas of criminology and criminal justice law enforcement policy business management and organizational behavior **Soviet Law in Theory and Practice** Olimpiad Solomonovich Ioffe,Peter B. Maggs,1983 Socialist Law has now joined the Common Law and Civil Law as one of the

three main families of legal systems Soviet foreign policy is an outgrowth of the USSR's internal economic and political structure which is reflected in Soviet Law Soviet Law is an integral element of the arena in which the competition and struggle between Socialist and Capitalist systems occurs      The Theory and Practice of Argumentation and Debate Victor Alvin Ketcham, 1914      Fraud Investigation Reports in Practice Petter Gottschalk, 2022-10-19 Investigation reports are written by fraud examiners after completion of internal reviews in client organizations when there was suspicion of financial wrongdoing Fraud examiners are expected to answer questions regarding what happened when it happened how it happened and why This book presents a number of case studies of investigation reports by fraud examiners offering a framework for studying the report as well as insights into convenience of fraud The case studies including KPMG and PwC focus on two important subjects First convenience themes are identified for each case Themes derive from the theory of convenience where fraud is a result of financial motives organizational opportunities and personal willingness for deviant behaviors Second review maturity is identified for each case Review maturity derives from a stages of growth model where the investigation is assigned a level of maturity based on explicit criteria The book provides useful insights towards approaching fraud examinations to enable better understanding of the rational explanations for corporate fraud The book is framed from the perspective of private policing which contextualizes how investigation reports are examined This book is a valuable resource for scholars and upper level students researching and studying auditing and investigation work in the corporate and public sectors Business and management as well as criminal justice scholars and students will learn from the case studies how to frame a white collar crime incident by application of convenience theory and how to evaluate a completed internal investigation by fraud examiners      *Encyclopedia of Criminological Theory* Francis T. Cullen, Pamela Wilcox, 2010-09-23 Consistently excellent The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond Adam Tocock Reference Reviews In discussing a criminology topic lecturers and course textbooks often toss out names of theorists or make a sideways reference to a particular theory and move on as if assuming their student audience possesses the necessary background to appreciate and integrate the reference However university reference librarians can tell you this is often far from the case Students often approach them seeking a source to provide a quick overview of a particular theory or theorist with just the basics the who what where how and why if you will And reference librarians often find it difficult to guide these students to a quick one stop source In response SAGE Reference is publishing the two volume Encyclopedia of Criminological Theory available in both print and electronic formats This serves as a reference source for anyone interested in the roots of contemporary criminological theory Drawing together a team of international scholars it examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a

handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Coverage will include contexts and concepts in criminological theory the social construction of crime policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative criminology feminist theory *EU Criminal Justice, Financial & Economic Crime* Marc Cools, 2011 This fifth volume of the Governance of Security GofS Research Paper series addresses a wide variety of topical issues focusing on European criminal justice and financial and economic crime The first cluster of articles is concerned with European criminal justice matters particularly relating to EU mutual recognition such as conceptualization unwanted effects in the context of prisoner transfer and sentence execution impact for cross border gathering and use of forensic expert evidence and interrogational fairness standards A second cluster of articles addresses the subjects of financial and economic crime ranging from informal economy among street children to formal informal economy vulnerability of the hotel and catering industry to crime and white collar crime phenomena like transnational environmental crime and corruption A final cluster groups together a variety of selected topical issues including juvenile offending and mental disorders desistance theories and sexually transmitted infections
