develops the believer's ability to stand firm in the faith they profess. With this in mind, Solomon asked God for an understanding heart, i.e. a hearing heart (1 Kings 3:9) because he understood that in order for anyone to be inclined toward wisdom, they had to first hear God. FOUNDATIONS is designed to help the believer mature in their faith by expanding their ability to renew their mind while they develop an understanding heart so they can learn to hear the Holy Spirit in a clarifying way. Every saint must mature in their ability to hear God as they read the Bible and listen to the Holy Spirit, and this is more readily accomplished through the discipleship process and through spiritual growth. FOUNDATIONS is an exegetical study that was compiled over twenty-eight years of pastoral and ministry experience. It is a study of the Scripture that dives deeply into the ways of God as it also expounds on many of the principles, practices, and doctrines found in the Scriptures.

FOUNDATIONS is a practical tool for the serious disciple and an aid for every Church leader. **The Collected Stories of**
