Ecumenical creeds and Reformed confessions and catechisms [in Chinese] Jonathan Chao,Reformation Translation Fellowship,1993 The Story of Creeds and Confessions Donald Fairbairn,Ryan M. Reeves,2019-10-01 Creeds and confessions throughout Christian history provide a unique vantage point from which to study the Christian faith To this end Donald Fairbairn and Ryan Reeves construct a story that captures both the central importance of creeds and confessions over the centuries and their unrealized potential to introduce readers to the overall sweep of church history The book features texts of classic creeds and confessions as well as informational sidebars **One Church in Christ** Troy J. Onsager,2023-09-25 This book is devoted to understanding the confessional foundations of church unity in the earlier theology of Karl Barth This book follows Barth s academic and ecclesiastical career from the years 1921 to 1938 as he moves from a nonconfessional pastor in Switzerland prior to his first teaching post in G ttingen to articulating in his first volume of Church Dogmatics the critical and essential authority of the church s confession in its public witness at the start of his final teaching post in Basel During these years each academic placement and public ecclesiastical assignment is crucial for understanding the development of Barth s confessional theology in order to make sense of his mature dogmatic understanding of the authority of the church s confession in CD I 2 **The Ten Commandments: What They Mean, Why They Matter, and Why We Should Obey Them** Kevin DeYoung,2018-10-15 Are the 10 Commandments still relevant today Do they still apply Which ones What do they mean in light of God s mercy revealed in Jesus Highlighting the timelessness and goodness of God s commands pastor Kevin DeYoung delivers critical truth about the 10 Commandments as he makes clear

what they are why we should know them and how to apply them This book will help you understand obey and delight in God's law commandments that expose our sinfulness and reveal the glories of God's grace to us in Christ **Presbyterian Creeds**

Jack Rogers, 1985-01-01 This book provides clergy laity and students with a thorough introduction to their faith as set forth in the Book of Confessions Jack Rogers explains technical terms and places current issues in perspective by examining the meaning of the creeds confessions and declarations found in the Book of Confessions He examines their role in history their full meaning and their continued relevance to the Christian community **The Synod of Dordt (1618-1619) and the Canons**

Sinnema Donald, 2025-07-28 The Synod of Dordrecht 1618 1619 has monumental significance for Reformed churches While officially assembled for the provinces of the Netherlands it gathered an international cast of delegates to solidify a pan European accord on Reformed doctrine In this book readers gain valuable historical perspective from Donald Sinnema the world's leading authority on the Synod of Dordt Sinnema opens with a helpful overview summarizing the agenda and proceedings of four phases of the synod to capture the scope and magnitude of the gathering Then Sinnema tackles various aspects of the synod with astounding detail and analysis You will learn of procedural wranglings dealings of church and state how the Belgic Confession and Heidelberg Catechism were involved disagreements among the delegates and plenty about the consensus document known as the Canons of Dordt A standard resource on the synod for years to come

Eternal Blessedness for All Anette I Hagan, 2014-01-30 Eternal Blessedness for All shows how the acclaimed father of modern theology Friedrich Schleiermacher brilliantly approached this problem It took many twists and turns of historical and philosophically minded analyses however for him to get to a theologically appropriate answer This book unpacks those efforts in manageable form based on a close examination of a pivotal 1819 essay On the Doctrine of Election his masterpiece Christian Faith sermons and other related sources Schleiermacher was the first modern theologian of stature to endorse the universal restoration of all humanity This study also displays the historical ecumenical and doctrinal contexts in which his views were fashioned **The Unity of the Church**

Eduardus van der Borgh, 2009-11-17 In contrast to its original name Ecclesia Reformata ecclesiology did not develop into a major theme within the Reformed tradition Notwithstanding the undeniable schismatic tendency and the ecclesial embarrassment about disunity the unity of the church did not rise to prominence as a theological topic This volume challenges this traditional low key attitude towards the unity of the church It investigates theological aspects that contributed to a weak *sensus unitatis* and explores approaches that remedy the disease of division It discusses the role played by scripture the sacraments confessions and discipline it searches for the best theological practices within other Christian traditions it links the unity of the church to the unity of God and reformulates the nature of the church **Themelios, Volume 40, Issue 1**

The heart of the Church - the heart of the Country Part 1 Johann Theron, 2025-03-31 I am writing this book primarily for the ministers of the Word and the confessing members of the Dutch Reformed Church of South Africa With the confession we made before God and His congregation we subjected ourselves to the authority of the Word of God and the Confessions of the church We vowed to remain steadfast in this doctrine until the end of our lives and to reject all teachings that contradict it Especially in the Reformed tradition the divine election has been regarded as the heart of the church the cor ecclesiae The Confessions teach that God's gracious election does not occur based on any quality in mankind but that mankind is saved solely by God's grace in Jesus Christ In the history of the Dutch Reformed Church in South Africa this confession has been compromised by accommodating racial prejudices This has torn the church apart and built a wall of separation This dividing wall stands in direct opposition to the Word of God which teaches us that Jesus Christ through His blood has broken down the dividing wall Eph 2 14 In Christ's church there is no Gentile or Jew circumcised or uncircumcised barbarian Scythian slave or free but Christ is all and is in all Col 3 11 The Holy Communion is above all the symbol of this unity of Christ's Body the church It is precisely in the Communion that this division began deeply affecting the heart of the church The wall of separation that was built became entrenched in the structure of the church and later of the whole country It is my conviction that rediscovering the heart of the church can bring healing to a fractured church and a divided country because the heart of the nation has been shaped spiritually and structurally by the Dutch Reformed Church Therefore the healing of the heart of the church will also bring restoration to the heart of the country This book also contains valuable information for researchers It includes transcribed excerpts from the handwritten minutes of the Dutch Reformed Church in Somerset West formerly known as Somerset Hottentots Holland the Dutch Reformed Church in Stockenström located in the towns of Hertzog and Balfour the Dutch Reformed Grey Church as well as the Presbytery of Albany and the Cape Synod of 1829 1857 1862 1863

1881 and 1883 concerning the unity and division of the church There are also excerpts from various church newspapers and magazines related to this issue The relevant minutes and reports are linked in the text to the transcribed Dutch which are included as appendices at the end of the book For quick reference links from the appendices back to the headings in the text have also been provided Efforts were made to keep the English text my translation in the book as close as possible to the original Dutch The book is written in two parts Part 1 deals mostly with the nineteenth century history of the Dutch Reformed Church while Part 2 which will follow later will examine the twentieth century and the further developments in the Dutch Reformed Church on this matter May Jesus Christ the Word of God heal the heart of the church and the heart of the country even if the sword of His Holy Spirit must cut between joints and marrow to remove sin *Renovatio Phil*

Anderas,2019-06-17 Much mainstream Luther scholarship and Lutheran theology holds that Martin Luther downplayed denied derided or just plain ignored the holiness without which no one shall see the Lord Heb 12 14 Phil Anderas advances a revisionist thesis from the first inklings of his Augustinian turn c 1514 to his death in 1546 Luther held and taught a robust theology of progressive renewal in holiness carefully calibrated to the sober reality of residual sin and the astonishing gospel of grace in Jesus Christ As it is set forth in the works that embody Luther s most considered judgments c 1535 46 this gospel centered and irreducibly trinitarian dogmatics of real renewal in holiness is Augustinian and evangelical in equal parts As such it commands the regard of theologians who stand in the tradition of the Church s doctor gratiae The argument proceeds in three steps first an exposition of the mature Luther s dogmatics of sin grace and holiness second an investigation of the roots of this dogmatics in the theology of the 420s Augustine with whom a younger Luther was busily engaged c 1514 16 third an account of the continuities and discontinuities that characterize the development of Luther s theology from its embryonic state in the mid 1510s through the breakthroughs of the 1518 21 period to the settled position of the old Doctor

Grace for All Clark H. Pinnock,John D. Wagner,2015-03-31 Did Christ atone for the sins of humanity on the cross Does God desire all people to be saved and direct his grace toward all people for that purpose There are some Christians following a deterministic paradigm who believe this is not true They believe God has predestined some people for heaven and many or even most for hell The rising tide of Calvinism and its TULIP theology needs to be respectfully answered Grace for All The Arminian Dynamics of Salvation features a distinguished international panel of scholars to examine this controversy These writers address issues such as election free will grace and assurance They make compelling scriptural arguments for the universality of God s grace contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ This book strives to uncover the biblical position on salvation We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion Grace for All The Arminian Dynamics of Salvation is an updated and revised version of Grace Unlimited a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College The Contributors David J A Clines Jack Cottrell
