

A surreal, painterly movie poster for 'El Topo'. The background is a desolate, hilly landscape with a large, dark, triangular shape in the center. In the foreground, a man with a long beard and a wide-brimmed hat sits on a rock, looking directly at the viewer. In the lower left, another man in a hat is crouching, smoking a pipe. In the lower right, a third man in a hat is crouching, and a horse is partially visible. The overall style is surreal and atmospheric.

El Topo Alejandro Jodorowsky, 1972 *Cult Films* Allan Havis, 2021-01-15 *Cult Films Taboo and Transgression* looks at nine decades of cult films history within American culture By highlighting three films per decade including a brief summary of the decade s identity and sensibility the book investigates the quality ironies and spirit of cult film evolution The twenty seven films selected for this study are analyzed for story content and in their respective transgressions regarding social aesthetic and political codes Characteristic of this book is the notion that many exciting genres make up cult films including horror sci fi fantasy film noir and black comedy Further the book reaches out to several foreign film directors over the decades in order to view cult films as an intentional art form Political and ideological controversies are covered arresting back story details that lend perspective on a film fill out the analysis and the historic framework for many film titles The book by emphasizing the condensed survey over decades and by choosing outstanding titles differs from other general studies on cult films

100 Cult Films Ernest Mathijs, Xavier Mendik, 2019-07-25 Some films should never have been made They are too unsettling too dangerous too challenging too outrageous and even too badly made to be let loose on unsuspecting audiences Yet these films from the shocking *Cannibal Holocaust* to the apocalyptic *Donnie Darko* from the destructive *Tetsuo* to the awfully bad *The Room* from the hilarious *This Is Spinal Tap* to the campy *Showgirls* from the asylum of *Das Cabinet des Dr Caligari* to the circus of *Freaks* from the gangs of *The Warriors* to the gangsters of *In Bruges* and from the flamboyant *Rocky Horror Picture Show* to the ultimate cool of *The Big Lebowski* have all garnered passionate fan followings Cult cinema has made tragic misfits monsters and cyborgs such as *Edward Scissorhands* or *Blade Runner* s replicants heroes of our times *100 Cult Films* explains why these figures continue to inspire fans around the globe Cult film experts Ernest Mathijs and Xavier Mendik round up the most cultish of giallo blaxploitation anime sexploitation zombie vampire and werewolf films exploring both the cults that live hidden inside the underground *Nekromantik* *Caf Flesh* and the cult side of the mainstream *Dirty Dancing* *The Lord of the Rings* and even *The Sound of Music* *100 Cult Films* is a true trip around the world providing a lively and illuminating guide to films from more than a dozen countries across nine decades representing a wide range of genres and key cult directors such as David Cronenberg Terry Gilliam and David Lynch Drawing on exclusive interviews with some of the world s most iconic cult creators and performers including Dario Argento Pupi Avati Alex Cox Ruggero Deodato Jes s Franco Lloyd Kaufman Harry K mel H G Lewis Christina Lindberg Takashi Miike Franco Nero George A Romero and Brian Yuzna and featuring a foreword by cult director Joe Dante *100 Cult Films* is your ultimate ticket to the midnight movie show

Genesis and The Lamb Lies Down on Broadway Kevin Holm-Hudson, 2017-07-05 In 1974 the British progressive rock group Genesis released their double concept album *The Lamb Lies Down on Broadway* The story was described by Genesis s then front man Peter Gabriel as a moral fable about Rael a half Puerto Rican New York City street tough who is engulfed by a solid cloud into a series of strange adventures in a metaphysical realm The album is a surreal allegory drawing

its material from religious literary and psychological themes More than thirty years after its release *The Lamb Lies Down on Broadway* still enthralls listeners earning the distinction of being Genesis's most consistently selling back catalogue release Kevin Holm Hudson analyses *The Lamb* within the context of Genesis's recorded output within the progressive rock genre as a whole and within the context of social and political changes of the mid 1970s *The Lamb* marked a conscious shift in their story setting to America and for the first time the songs were oriented to the present rather than the past or future Significantly while 1974 marked the peak of music industry growth and consolidation through corporate mergers it was also the year in which America was confronted with its limits through the first of the OPEC energy crises the resignation of Richard Nixon the withdrawal from Vietnam and the effects of runaway inflation Genesis's native Britain was also to feel the effects of the energy crisis intensified by a period of economic slowdown that ultimately led to the rise of Thatcherism *The Lamb* is set in New York City during this time of uncertainty Within a few years the economic constraints would affect the industry as a whole and as a result progressive rock would suffer a precipitous drop in industry support *The Lamb Lies Down on Broadway* thus makes a particularly rich subject for detailed study providing compelling intersections between the musical textual and socioeconomic aspects of an album
