Horton Foote A Literary Biography:

Horton Foote Charles S. Watson, 2010-01-01 Winner of the Pulitzer Prize for Drama for *The Young Man from Atlanta* and Academy Awards for the screen adaptation of *To Kill a Mockingbird* and the original screenplay *Tender Mercies* as well as the recipient of an Academy Award nomination for the screenplay of *The Trip to Bountiful* and the William Inge Lifetime Achievement Award Horton Foote is one of America's most respected writers for stage and screen The deep compassion he shows for his characters the moral vision that infuses his social commentary and the kindness and humanity that Foote himself radiates have also made him one of our most revered artists the father figure who understands our longings for home for human connections and for certainty in a world largely bereft of these This literary biography thoroughly investigates how Horton Foote's life and worldview have shaped his works for stage television and film Tracing the whole trajectory of Foote's career from his small town Texas upbringing to the present day Charles Watson demonstrates that Foote has created a fully imagined mythical world from the materials supplied by his own and his family's and friends' lives in Wharton Texas in the early twentieth century Devoting attention to each of Foote's major works in turn he shows how this world took shape in Foote's writing for the New York stage Golden Age television Hollywood films and in his nine play masterpiece *The Orphan's Home Cycle* Throughout Watson's focus on Foote as a master playwright and his extensive use of the dramatist's unpublished correspondence make this literary biography required reading for all who admire the work of Horton Foote *Horton Foote* Wilborn Hampton, 2009-09-08 No playwright in the history of the American theater has captured the soul of the nation more incisively than Horton Foote From his Pulitzer Prize winning play *The Young Man From Atlanta* to his film adaptation of *To Kill a Mockingbird* which received an Oscar millions of people have been touched by Foote's work He has long been regarded by other playwrights and screenwriters actors and cognoscenti of the theater and cinema as America's master storyteller critics compared him to William Faulkner and Anton Chekhov Yet Horton Foote's compelling character and rich life remain largely unknown to the general public His is the story of an artist who refused to compromise his talents for the sake of fame or money or just to keep working who insisted on writing what he regarded as truth even when for many years almost no one would listen In the first comprehensive biography of this remarkable writer Wilborn Hampton introduces Foote to countless Americans who have admired his work Hampton a theater critic for *The New York Times* offers a colorful compulsively readable account of a life and career that spanned seven decades As a child in the small town of Wharton Texas Foote's favorite pastime was to listen to the stories his elders told about themselves their families their neighbors around the dinner table or sitting on the front porch As he once explained One thing I was given in life is a deep desire to listen I've spent my life listening These stories have haunted me all my life The stories also served as an inspiration for Foote's life work as he chronicled America's wistful odyssey through the twentieth century mostly from the perspective of a small town in Texas Beginning in the Golden Age of Television with dramas such as *The Trip to Bountiful* through Broadway and Off Broadway

successes to the mark he made in films such as *Tender Mercies* and right up through a staging of his complete nine play opus *The Orphans Home Cycle* he documented the struggle of ordinary people to maintain their dignity in the face of hardship and change that the erosion of time inevitably brings. It is a theme Horton Foote lived. Yet the paradox that shines through his work is that while the externals of life alter over the years wealth may be gained or squandered love may be won or lost friends and relations die people themselves do not. Like Eugene O'Neill, Arthur Miller and Tennessee Williams, Horton Foote's portraits of American life are iconic and true. His stories have helped shape the way Americans see themselves indeed they have become part of the nation's psyche and they will speak to many generations to come.

The Oxford Encyclopedia of American Cultural and Intellectual History Joan Shelley Rubin, Scott E. Casper, 2013-03-14. The Oxford Encyclopedia of American Cultural and Intellectual History brings together in one two-volume set the record of the nation's values, aspirations, anxieties, and beliefs as expressed in both everyday life and formal bodies of thought. Over the past twenty years, the field of cultural history has moved to the center of American historical studies and has come to encompass the experiences of ordinary citizens in such arenas as reading and religious practice as well as the accomplishments of prominent artists and writers. Some of the most imaginative scholarship in recent years has emerged from this burgeoning field. The scope of the volume reflects that development; the encyclopedia incorporates popular entertainment ranging from minstrel shows to video games, middlebrow ventures like Chautauqua lectures and book clubs, and preoccupations such as Perfectionism and Wellness that have shaped Americans' behavior at various points in their past and that continue to influence attitudes in the present. The volumes also make available recent scholarly insights into the writings of political scientists, philosophers, feminist theorists, social reformers, and other thinkers whose works have furnished the underpinnings of Americans' civic activities and personal concerns. Anyone wishing to understand the hearts and minds of the inhabitants of the United States from the early days of settlement to the twenty-first century will find the encyclopedia

Woodress, 1965 A to Z of American Women Writers Carol Kort, 2014-05-14 Presents a biographical dictionary profiling important women authors including birth and death dates, accomplishments, and bibliography of each author's work.

Beginnings Horton Foote, 2002-12-10 Pulitzer Prize winning author Horton Foote has chronicled the experiences of American life in both his internationally acclaimed plays and his Academy Award winning screenplays. *To Kill a Mockingbird* and *Tender Mercies*. Now in this poignant and delightful memoir he tells the story of how he discovered his own vocation. Horton Foote recalls his youthful aspirations leaving his Depression era Texas home to become an actor at age sixteen. He lands in New York City to search for work and to study with some of the great Russian and American drama teachers of the 1930s. But after mixed results on the stage he finally recognizes his true passion: the written word. Collaborating with such legendary talents as Tennessee Williams, Agnes de Mille, and Lillian Gish, Foote thrived in a world of artistic commitment and creative passion. Yet through it all, Horton maintained his genuine Southern charm, often returning home to Wharton, the town that nurtured and inspired him as a storyteller. From one of the most moving and distinctive voices of our time, *Beginnings* is a rare personal look at a fascinating era in American life and at the making of an American literary icon.
